Dear Co-Chairs:

Nature of the [Emergency/Request]

ODE requests permission to submit a full report required by the HB5014, 2023 budget note, by the December 2024 EBoard submission deadline.

Agency Action

Currently, ODE is collaborating with partners at Enterprise Information Services to finalize the artifacts for submission, aligning with the StageGate 1 process. ODE anticipates that this submission will be completed by early October 2024, with the potential for StageGate 1 endorsement by early November 2024. ODE will be prepared to report on activities and outline the next steps following the submission.

Action Requested

ODE requests that the committee accept this update and allow ODE to present a full report at the December 2024 EBoard as required by budget note in HB5014, 2023.

Respectfully,

Dr. Charlene Williams
Director, Oregon Department of Education
