Three Types of Volunteers

- Trained volunteers who are part of a specific group or team such as medical reserve corps or Net
- Community volunteers who sign up for an event and receive Just-In-Time instruction
 - [CA - Disaster Service Worker](#)
 - Disaster service worker volunteer includes public employees, performing disaster work outside their regular employment without pay, and also includes any unregistered person impressed into service during a state of war emergency, a state of emergency, or a local emergency by a person having authority to command the aid of citizens in the execution of his or her duties
- Other Governmental Employees-
 - We have a numerous government and special taxing districts we would need to leverage to support activities after a catastrophic event.

Thank You
