To:	Emergency Board
From:	Human Services Subcommittee
Carrier:	Representative Valderrama

The Human Services Subcommittee recommends that the Emergency Board acknowledge receipt of a report on implementation of the Summer Electronic Benefit Transfer Nutrition Program.

This is the second and final report from the Department of Human Services, Department of Education, and Oregon Health Authority on the Summer Nutrition Program, which supplements nutritional needs to low-income school-aged children during the summer months. The program was successfully developed and implemented over a 16-week timeframe. As of the date of the report, nearly \$40 million of federal funding has been issued to the families of more than 330,000 eligible school-aged children for the nutrition benefit.

The Human Services Subcommittee recommends approval.
