

SUBCOMMITTEE RECOMMENDATION

Item 3: Judicial Department State Court Facilities Security Account

To:	Emergency Board
From:	Public Safety Subcommittee
Carrier:	Representative Evans

The Public Safety Subcommittee recommends that the Emergency Board increase Other Funds expenditure limitation for the Judicial Department by \$1,105,000 for the State Court Facilities Security Account to fund security improvements in Clatsop and Lane County Circuit Courthouses.

The Clatsop County Courthouse project includes construction of a single point of building access plus an entry security scanning station and two holding cells at a state cost of \$445,000.

The Lane County Courthouse project would fund building access control, video surveillance, and duress alarms at a state cost of \$660,000.

The State Court Facilities Security Account has a sufficient balance to support this request.

The Public Safety Subcommittee recommends approval.
