

Hello

I am unable to attend the public meeting on September 27th.

Here are suggestions for additional transit

Bus 47 Extend service to 7 days and later service in evenings. Last bus leaving downtown Hillsboro at 11 pm especially on weekend evenings.

South Hillsboro in the 209th area. Many dwellings added. Is transit available here. A transit center is needed to accommodate the large number of residents.

Jenkins Estate is part of the Tualatin Hills Park and Recreation District. Bus service is needed here, to connect from TV Highway and also connect from Farmington Road. Place the stop inside the lower entrance.

Thank you for your consideration.
