

No new funding. The fact Multnomah County SMALL BUSINESSES are being forced to pay a transportation tax, no the TriMet system needs ZERO EXTRA FUNDING. In fact I find it fucking sneaky how PDX Lawmakers even passed the "transportation tax" in Multnomah County Passing it to businesses and individuals regardless if they use TriMet OR NOT.

Please stop asking Tax Payers for funding we DO NOT HAVE TO SPARE AT ALL. Thanks!!

Best,

Cynthia Wilson
