

Comprehensive Literacy Statewide Development Grant (CLSD)

Presentation to the Joint Interim Subcommittee On Human Services
December 10th, 2024

Ken Greenbaum, Senior Strategic Advisor for Literacy, Oregon Department of Education

Overview of the CLSD Federal Grant

- Federal grant through the USED
- Purpose aligns closely with the **state-funded Early Literacy Success School District Grants**
 - Improve literacy outcomes through the use of research-aligned strategies with an emphasis on supporting students living in poverty, multilingual learners, and children experiencing disabilities.
 - Strengthens and expands current efforts for raising literacy achievement in Oregon
- Anticipated **\$57.89 million over 5-years** (\$11.58 million annually), Oct 2024 - Sept 2029
- **95%** of funds (~\$11M/year) are required to be subgranted to districts and other eligible entities. Oregon's program will fund:
 - Professional development & coaching
 - High-dosage tutoring & extended learning
 - Implementation of high-quality curriculum
 - Hiring of literacy coaches, reading specialists, and interventionists

Overview of the Federal Grant (cont'd)

- **5%** of funds for SEA activities including administration of the grants and the development of a Statewide Literacy Strategic Literacy.
 - Including two Limited Duration positions to administer the grant
- Subgrants must be awarded through a **competitive process**
 - ODE anticipates 40-60 recipients
 - Must prioritize based on federal requirements which emphasize, generally, districts serving a large number or percent low-income students & those furthest from literacy proficiency
- Funds support grades **birth - grade 12** and must be spent as follows:
 - 15% birth - K transition
 - 40% grades K-5
 - 40% grades 6-12
- Currently in implementation and planning stages and developing the subgrant application process in consultation with our USED Program Officer

Thank you!
