Creating Policies for a Hunger-Free Oregon

The Oregon Hunger Task Force

The Oregon Hunger Task Force was created by the State Legislature in **1989** to act as a resource within government and as a statewide advocate for Oregonians who are hungry or at risk of hunger.

When the Task Force was created, Oregon was ranked one of the highest states in the nation for hunger, and the legislature declared in [ORS 458.530](#) that

“All persons have the right to be free from hunger.”
