*Working together  
collaboratively since 2011*

**Legislation Project Locations 2024**

*In 2024 - 21 projects  
approved, implemented and  
completed or nearing  
completion*

*Being able to make the best use of the water that comes into the Basin remain crucial*

*Continued investment as  
water issues impact the  
Basin will increase resilience*

## *Collaboration means everyone is welcome at the table*

*“What I find oftentimes collaborative efforts is they open up a world of creativity. You know, when you're in your respective corners, you're defending your space, that leaves very little room for creativity. You know, basically, you're simply trying to win and when you can get to a place where there is real trust.” - Bob Sallinger HBWC Partner*
