Work Session

HB 3164

Makes permanent provisions conditionally allowing water right lease to split use of water between existing water right and in-stream water right within same year.

HB 3097 A

Provides that municipal corporation or people's utility district may apply for certificate to use water for hydroelectric purposes within piped conduit in artificial delivery system that is delivering water for municipal uses even if municipal corporation or people's utility district is not holder of underlying municipal water right, with permission of holder of underlying municipal water right.

HB 3195

Modifies definition of "public agency" for purposes of eligibility for financial assistance from Water Pollution Control Revolving Fund by removing requirement that agency be authorized to construct water pollution control facilities.

HB 3208 A

Authorizes Environmental Quality Commission to annually adjust, by up to three percent, fees associated with water quality programs administered by Department of Environmental Quality.

Public Hearing

HB 3187 A

Makes individuals who possess relevant technical experience and are employed seven or more years by certain types of districts, and certain types of registered professionals, eligible to apply for certification as water right examiners.

Note change: HB 3097 A has been added.
