EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

Current statute describes the recording duties of county clerks ([ORS 205.130](#)) and provides an exception to recording an instrument conveying or contracting to convey fee title to real property to the federal government, certain federal entities, state, counties, and other municipal corporations unless the instrument is accompanied by a certificate issued by the county assessor attesting that all charges have been paid.

House Bill 2033 clarifies the process for collecting any unpaid charges against a real property if an instrument conveying fee title to that property to an entity whose property is exempt from taxation is recorded without the county assessor's certificate.
