# Student Voice Survey: Overview

---

- New voluntary survey of students grades 3-12 about their summer learning experiences
- Developed by ODE's Expanded Learning Team for multiple summer programs
- Assesses four areas of student engagement: accessible and engaging opportunities, co-creation and student interest, sense of belonging, and self-efficacy
  - These equity-driven constructs are foundational to high-quality summer programs and are the basis of the [ODE Summer Learning Best Practice Guide](#).
- *Additional information can be found in the [survey administration guide](#).*
