ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

There are many state agencies, statewide groups and commissions whose work involves the juvenile justice system. However, there is currently no statewide policy development forum for the juvenile justice system as a whole.

House Bill 2320 would establish a Juvenile Justice Advisory Commission within the Oregon Criminal Justice Commission to analyze the juvenile justice system and provide the legislature with data-driven policy recommendations intended to strengthen public safety and improve outcomes for juvenile justice-involved youth.
