Deletes language related to grant awards with provision requiring creation of a rules advisory committee to advise Board on developing rules for process, standards and criteria for awarding grants. BACKGROUND:

The Legislative Assembly established the Oregon Cultural Trust in 2001 to utilize tax credit donations to fund cultural programs throughout Oregon. The Trust currently operates three grant programs to fund five statewide partners, 45 county and tribal coalitions, and qualified cultural nonprofits through competitive Cultural Development Grants. Oregonians gave approximately \$5.2 million to the Cultural Trust in 2020, of which 60 percent was disbursed as grants and 40 percent was allocated to grow the permanent fund. The Oregon Cultural Trust is governed by the 12-member Trust for Cultural Development Board.

House Bill 2498 establishes a Cultural Impact Program, to be administered by Arts Program Administrator of the existing Trust for Cultural Development Board to provide ongoing support for cultural organizations throughout Oregon. The measure authorizes issuance of lottery bonds to produce \$200 million to seed the program, and authorizes the Board to disburse the moneys in the form of grants to qualifying organizations.
