

SUBCOMMITTEE RECOMMENDATION

Department of Justice Environmental and Crimes and Cultural Resources Enforcement Unit

To: Ways and Means Full Committee
From: Public Safety Subcommittee
Carrier: Representative Evans

On February 1st, the Public Safety Subcommittee recommended acknowledging receipt of a report from the Department of Justice on the Environmental Crimes and Cultural Resources Enforcement Unit.

DOJ was instructed to report to the 2023 Legislature on the Unit's activities, including the number and types of matters, outcomes, cost, and any recoveries from settlements.

While the report provided some information, a more detailed response is necessary for the Legislature to fully understand the Unit's activities, performance, and costs. The Subcommittee anticipates receiving this information during DOJ's budget hearing later this month.

The Public Safety Subcommittee recommends approval.
