EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

Legislation requiring the State Board of Education to establish content standards for ethnic studies and for Holocaust and genocide studies was enacted in 2019, in House Bill 2023 and Senate Bill 664, respectively. Senate Bill 1050 aligns the implementation date for both sets of standards and adds a requirement for ODE to provide professional development related to the Holocaust and genocide studies to the existing requirement for professional development related to ethnic studies.
