BACKGROUND:

The Federal Emergency Management Agency's (FEMA) Emergency Management Performance Grant (EMPG) program makes grants to states to assist state, local, tribal, and territorial governments in preparing for all hazards, as authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.). The Oregon Department of Emergency Management (OEM) applies to FEMA for EMPG program funds on behalf of the State of Oregon, and local and tribal emergency management agencies are eligible for grant funds. There is a cost-matching requirement for EMPG funds which requires applicants to dedicate not less than 50% of the total project cost in cash or in in-kind funds.

Senate Bill 962 requires OEM to develop and implement a grant program to distribute state funds to counties for emergency preparedness coordinators. Counties are eligible for funding if an emergency management agency at
