

## **HB 2013 -3 STAFF MEASURE SUMMARY**

### **House Committee On Economic Development and Small Business**

---

**Prepared By:** Andrew Hendrie, LPRO Analyst

**Meeting Dates:** 3/2, 3/28, 3/30

---

#### **WHAT THE MEASURE DOES:**

Requires Oregon Liquor and Cannabis Commission to study alcohol. Directs commission to submit findings to interim committees of Legislative Assembly related to economic development.

#### **ISSUES DISCUSSED:**

#### **EFFECT OF AMENDMENT:**

-3

Includes malt beverages with wine and cider as products that can be directly delivered to retailer in Oregon with direct retailer and direct shipper permit issued by Oregon Liquor and Cannabis Commission. Holders of brewery-public house, temporary, on-premises, limited on-premises, and off-premises sales license are required to report each month on the quantity of malt beverage, wine or cider received from a direct to retail permit holder.

Direct to retailer permits to be issued to manufacturers of malt beverages, wine, or cider that are a resident of the United States, is licensed by a state or territory to manufacture malt beverage, wine, or cider, and holds a certificate of approval. A direct to retail permit is capped at 7,500 barrels of malt beverage delivered in a year. Direct shipper permit allows for delivery directly to an Oregon resident within limitations and permit holder is required to keep records of quantity delivered and submit a report chronicling the previous three months of deliveries directly to an Oregon resident.

Takes effect on 91<sup>st</sup> day following adjournment sine die.

#### **BACKGROUND:**

House Bill 2013 requires Oregon Liquor and Cannabis Commission to study alcohol. Directs commission to submit findings to interim committees of Legislative Assembly related to economic development. The findings may include recommendations. The findings must be reported before September 15th, 2024.
