BACKGROUND:

The Oregon Department of Veterans' Affairs (ODVA) estimated in 2019 that, on any given night, there are approximately 1,400 homeless veterans in Oregon. The Oregon Housing and Community Services Department (OHCS) performs a Point-in-Time count of homeless Oregonians annually, and while numbers had trended downward for years until that time, since 2019 there has been a significant increase in homeless people in Oregon, likely including veterans.
