BACKGROUND:

Current law, under ORS 476.715, prohibits individuals from throwing away any lighted material on any forestland, private road, public highway or railroad right of way within Oregon. A violation of ORS 476.715 is a Class B misdemeanor.

House Bill 2594 reduces the penalty for violating ORS 476.715 to a Class A violation if the commission of the offense creates a risk of wildfire. The penalty would remain a Class B misdemeanor if the commission of the offense creates an extreme risk of wildfire.
