BACKGROUND:

The Public Employees Retirement System (PERS) provides retirement benefits for state agencies and approximately 900 unites of local government. PERS is overseen by a five-member board that appoints an executive director to manage the agency's daily operations including the management of benefits for more than 393,000 active, inactive, and retired members and beneficiaries.

The PERS 2023-2028 Strategic Plan suggests the need for modernization of their service delivery model and improved information technology. On March 28, 2022, the PERS Board voted unanimously to seek statutory
