Date: 5/10/2023

Measure Description:

Requires hospitals and other specified facilities that provide substance use disorder treatment to provide to specified patients upon discharge or release two doses of opioid overdose reversal medication and necessary medical supplies to administer medication. Creates exception. Provides immunity from civil liability for person who in good faith provides opioid overdose reversal medications and supplies] necessary medical supplies to administer medications. Provides that civil liability protection does not apply to person involved in manufacture or sale of opioid overdose reversal medication. Requires Oregon Health Authority to facilitate access to opioid overdose reversal medication for hospitals and other specified facilities.

Government Unit(s) Affected:

Psychiatric Security Review Board, Oregon Health Authority

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
