# Types of Federal Funds at Universities

## Student Aid

Federal grants, loans, and work-study that *help students meet the cost of attendance* while working toward a degree.

## Standard Grants

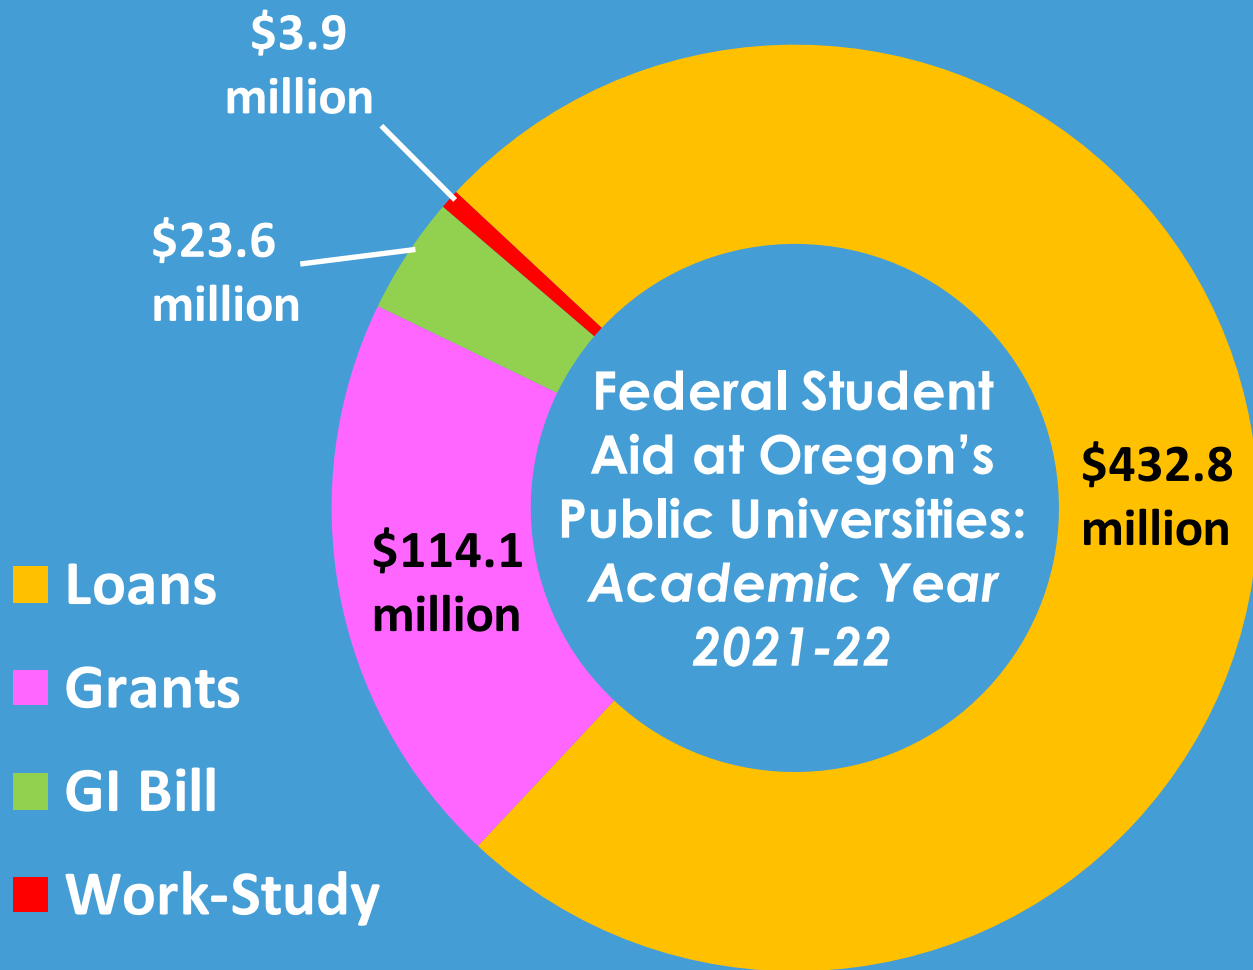

Primarily related to *university research* and restricted to their intended purpose.

## Emergency Relief

*One-time* emergency and stabilizing funds made available to institutions of higher education *during the COVID-19 pandemic.*

# Federal Student Aid

Includes federal grants, loans, work-study, and Post-9/11 GI Bill benefits.

Distributed to colleges and universities on a per-awardee or fixed basis.

All funds must go to students or student accounts.
