To: Education Subcommittee

From: Julie Neburka, Legislative Fiscal Office

Date: May 31, 2023

Subject: SB 1050 – Relating to the implementation of new academic content standards
Work Session Recommendations

Legislation requiring the State Board of Education to establish content standards for ethnic studies and Holocaust and genocide studies was enacted in 2019. Senate Bill 1050 aligns the implementation date for both sets of standards and adds a requirement for ODE to provide professional development related to Holocaust and genocide studies to the existing requirement for professional development related to ethnic studies.

Recommended Changes

LFO recommends adoption of the –1 amendment, which appropriates a total of \$2,767,466 General Fund to the Department of Education to implement provisions of the bill. \$187,719 covers the position costs of 1 new position (0.88 FTE) to administer the grant program that will fund training grants for teachers. \$329,747 addresses the costs of an advisory panel, an instructional materials panel, and professional services; and \$2,250,000 funds the grant program for teacher training.

MOTION: I move adoption of the –1 amendment to SB 1050. (VOTE)

LFO recommends that SB 1050, as amended by the –1 amendment, be moved to the Ways and Means Full Committee.
