

CONFLICT AMENDMENT RECOMMENDATION

HB 3013 Relating to pharmacy benefits

To: Ways and Means Full Committee
Carrier: Representative Valderrama

HB 3013 requires pharmacy benefit managers to be licensed by the Department of Consumer and Business Services and establishes minimum pharmacy reimbursement standards.

The Joint Committee on Ways and Means previously approved this bill, and it has passed the House.

The –B7 amendment resolves conflicts with HB 2725 by addressing the duplication of minor changes made in both bills.

I recommend HB 3013 be amended by the –B7 conflict amendment and be reported out do pass, as amended.
