

Street sidewalk in McMinnville

McMinnville has BIG CITY challenges without access to BIG CITY resources. As a city of 35,000 people, we are . . .

too **SMALL** to be eligible for federal programs so we miss out on matching funds for projects like transitional housing developments.

too **BIG** to be considered rural so we end up competing with large urban centers for resources.

**We are FALLING through the CRACKS** due to constraints imposed by restrictive criteria based on population size and proximity to urban centers.

**We need your help to deliver solutions to the McMinnville community.**

From the Desk of  
**Mayor Brian Boquist**
