“Be an Instrument of Change”

A Virtual Interactive Workshop
Attend remotely or in-person

State Library Conference Room
Tuesday, March 28
1:30pm-3:00pm

Contact DEI.Committee@oregonlegislature.gov
for more details

The Capitol DEI Committee is proud to sponsor our first official workshop as part of our new Diversity and Inclusion Series:

“Be an Instrument of Change” - Tuesday, March 28, 1:30pm – 3:00 pm in the State Library Conference Room or Attend Remotely.

Dr. Quiana Preston, career coach and founder of Level-Up International, will be leading this interactive and integrative virtual workshop that will focus on our biases, self-awareness, and that will take us through reflection exercises that attempt to understand the question we often ask ourselves, “why don’t others see things with the same perspectives I do?”

This workshop is open to everyone who works within the legislature and is free to attendees. Light refreshments will be provided.

Please email: DEI.Committee@oregonlegislature.gov to RSVP

Hope to see you there!

Sincerely,

The Capitol DEI Committee

Note: Please check with your supervisor before attending to confirm that the business needs of your office will not be impacted.
