From the Desk of President Wagner

<u>Measure</u>	<u>Summary</u>	<u>Flesch Score</u>
Senate Bills		
SB 1 B	Allows taxpayers to state on their income tax return their self-known race and ethnicity per standards set by OHA. Limits the use of such data and the people that can access it.	66.3
SB 3 B	The bill adds a half-credit each of college and career skills and finance education to the law that creates courses required to finish high school. This change will begin at the start of January in 2027.	61.6
SB 80 A	The bill makes changes to the state wildfire map requirements and to the process for making the map. It allows nonprofits and faith-based groups to help create cleaner air spaces. It allows for faster appointments of wildfire council members. It creates a state fund on landscape resilience and modifies a risk reduction state fund. It creates a prescribed fire program until 2028, and a prescribed fire fund. Lastly, the bill allocates millions of dollars to state agencies for wildfire programs.	61.1
SB 85 A	The bill changes what farms with a certain number of animals in a certain amount of space (CAFOs) need to do to comply with the law. The changes relate to water supply, water quality, air quality, nutrients, and land use. The bill also allocates money to state agencies for permitting costs.	60.1
SB 99 A	This bill creates a set of rights for older adults in care facilities who identify as LGBTQIA2S+. It also explains what certain terms mean. This new Bill of Rights explains which actions are not allowed in care settings. The actions are not allowed if they are based on a person's sexual orientation, gender identity, or HIV status. All care facilities have to update their policies to include these new rules and they have to protect the privacy of the residents. The care facilities have to provide training to their administrators and staff, and other people who work with the residents also need to get training. This bill creates the LGBTQIA2S+ subcommittee that will be part of The Governor's Commission on Senior Services. This bill sets the purpose of this subcommittee. The members will be appointed by the Governor. The members can get reimbursed for travel expenses if needed.	60.9

Supplemental measure summaries have been prepared to achieve a score of 60 or above on the Flesch readability test as described in ORS 171.134. Refer to the text of the measure and staff measure summary or budget report on [OLIS](#) for more information. The summaries are not part of any legislative measure, have not been adopted or officially endorsed by action of any committee, and may not reflect the legislative intent of the measure.

3rd Reading Measure Digest

Update: June 16, 2023 – Part II

(Scored on Flesch Readability Ease Tool / MS Word)

SB 104 B	The bill directs DHS to work with at least one provider of agency with choice services for in-home care. It updates the definition of agency with choice services in the law.	68.2
SB 106 A	This bill changes the meaning of abuse for child abuse reporting and investigations. This bill changes what data programs need to have in their reports to DHS.	64.6
SB 129 A	The bill ends the sale of tax credits that raise money for the Oregon Opportunity Grant.	63.6
SB 192 B	The bill makes companies that run pharmacy benefits programs report on the money they get from drug makers. This includes rebates, fees, and other payments. The bill also tells the Prescription Drug Affordability Board to figure out how to set a fair price for some prescription drugs.	61.9
SB 215 B	The bill changes laws about school nutrition and speech and language teachers. It also makes changes to sexual conduct laws. The bill changes ESDs' role in the Student Success Act. It also changes Oregon's intensive program for school districts.	66.7
SB 221	The bill creates a subaccount at DOGAMI. It allows the department to charge and collect 10.7 percent more from groups that use its services. The extra money would be used to keep up the electronic permit system.	63.9
SB 278	This bill changes the way the weighted average daily membership, or ADMw, is measured for brick and mortar schools of a school district that sponsors a virtual school. It first applies to the 2022-23 State School Fund distributions. It takes effect on passage. This bill is an effort to ensure funding stability for brick and mortar schools of a school district that sponsors a virtual public charter school.	60.1
SB 321 B	The bill changes when a person can file a petition for a new trial. If the person was convicted or found GEI by a jury where not everyone agreed, they can file by a certain date. The bill lays out what evidence is needed for the petition. In a retrial, the bill provides special jury instructions for admission of specific evidence that is no longer available. The bill clarifies that a conviction based on one of these jury verdicts is not enough to prove a wrongful conviction.	60.8

3rd Reading Measure Digest

Update: June 16, 2023 – Part II

(Scored on Flesch Readability Ease Tool / MS Word)

SB 337 C	The bill changes the members of the Oregon Public Defense Services Commission. It would also move it to the executive branch from the judicial branch where it is now.	63.7
SB 344 A	This bill will extend the end date for the Justice Reinvestment Grant Program to July 1, 2033. It provides grants to counties for programs that help reduce the number of people in prison.	61.9
SB 420 A	The bill directs DHS to provide services and support to people with brain injuries. It creates a committee to advise on helping people with brain injuries. It directs DHS to issue reports on its efforts.	66.8
SB 465 A	This bill provides that the property of a firm that is based outside of this state and sells jet boat excursions on state boundary rivers only will no longer be subject to property tax central assessment. Instead, it will be subject to local assessment, if applicable. The bill applies to tax years that start on or after July 1, 2023. It takes effect on the 91st day after sine die.	62.1
SB 488 B	The bill affects the owners of a local trash incinerator. They must develop a plan to monitor or sample emissions. Once the plan is approved by DEQ the owner must carry out the plan for 12 consecutive months. Under the Act, no more than 18,000 tons of hospital waste can be burned a year. It also directs \$118,537 to DEQ to carry out the Act. DEQ must report to the legislature on the outcome of the Act.	61.9
SB 490 B	The bill creates a program that helps doctors learn and train in family medicine.	71.7
SB 498 A	The bill allows up to \$15 million of farm, forest, or fishing property to be excluded from the value of estates that pay the Estate Tax. To qualify for the exclusion, the property must be transferred to family members due to a person's death. The property must have been owned by the person who died for five years prior to their death and must be owned by family members for five years after the death. The property must have been used in the farm, forest, or fishing business by the person who died or a family member for 75% of each year for five years before the death. The property must also be used by a family member for 75% of each year after the death. If the post death requirements are not met, the tax that would have been owed will be reimposed. Participation by family members must be 75% of each year for five years prior to the person's death and five years after it. The bill does not let estates that claim this	64.6
