<u>Measure</u>	<u>Summary</u>	<u>Flesch Score</u>
House Bills		61.2
HB 2395 B	The bill improves access to drugs and supplies that can help reverse an overdose of opioids. It allows more people and public spaces in the state, including schools, to store and offer the drugs and supplies. It also protects people from legal liability when they give drugs or supplies to stop an overdose. The bill updates definitions to make certain drug tools legal to have. The bill also adds to the state's collection of data related to drug overdoses.	
HB 2759 B	The bill amends the robocall statutes. It makes a person, who knows or avoids knowing, liable for the loss and subject to the same penalty as a person who violates a robocall law. It expands exceptions.	63.0
HB 3223 B	The bill sets rules for the use of written exams to become certified as a dental assistant. It sets the languages the exam must be offered in. The bill also requires the dental board to convene an advisory group to study workforce shortages and the dental assistant rules of other states.	60.1
HB 3332 B	The bill makes a person who wins a bid for a certain type of public project, with a price that is at least \$250,000, to use steel, to use iron, to use coatings for steel and iron and to use items that are made in the USA. It makes DAS and ODOT include in the bid notice a clear note that a person has to use steel, to use iron, to use coatings for steel and iron and to use items that are made in the USA. In certain cases, DAS or ODOT can waive the use of steel, the use of iron, the use of coatings for steel and iron and the use of items on a project. It makes DAS form a plan to help a COBID business learn about and meet the need to use steel, to use iron, to use coatings for steel and iron and to use products that are made in the USA.	60.0
HB 3409 C	The bill amends and creates various climate laws. It also gives money to different programs. The topics include energy use, nature, buildings, land use, fuels, and vehicles.	61.3
HB 3456 B	The bill directs colleges and universities to survey students and staff about sexual misconduct and to take steps to prevent it. The bill also directs HECC to convene a council to help make the survey. It requires colleges and universities to hire certified staff to help students. It directs them to work with a third party to offer victim services. It requires them to give sexual misconduct training each year. It requires them waive to some requirements for students who experience sex misconduct. It directs them to submit a report each year on sexual misconduct.	60.0
HB 5026 A	The bill provides the Department of Human Services with General Fund. The bill limits the amount of Other Funds and Federal Funds the	67.8
