### SUMMARY

Requires that dental and vision are included in health benefits available to part-time faculty members.

Requires public institutions of higher education to notify potentially eligible part-time faculty members of eligibility requirements and details of health care benefits available to part-time faculty no later than 30 days before application deadline.

Reduces amount of time part-time faculty must work to qualify for health care benefits from 50 percent of full-time equivalent employee to 30 percent of full-time equivalent employee. Requires institution to include noninstructional work when making eligibility determination.

Declares emergency, effective on passage.
