### SUMMARY

Authorizes law enforcement agency to release booking photo upon second or subsequent arrest of person depicted in photo within 12-month period, or when person depicted in photo is missing person.

### OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure removes the exemption from public disclosure for booking photos if the person depicted in the booking photo is missing or upon the second or subsequent arrest of the person depicted in the booking photo within a 12-month period.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, the public could receive booking photos of individuals that have been arrested.
