SUMMARY

Prohibits employer, state agency or licensing board from taking certain actions on basis of record created or maintained under jurisdiction of juvenile court. Specifies exemptions.

Provides that adjudication that youth is within jurisdiction of juvenile court does not forfeit any right or privilege or operate as disqualification from holding public office or pursuing or engaging in lawful activity, occupation, profession or calling.

Provides that information about act committed by youth or adjudicated youth may be disclosed to victim of act and to and among law enforcement unit, district attorney, county juvenile authority and certain other entities.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure exempts from public disclosure certain personally identifiable information of a youth or adjudicated youth and associated case information that are contained in the court's record or supplemental confidential file for juvenile cases.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, the public could gain information regarding youths and adjudicated youths and their juvenile court case records.
