- Allocation of net lottery proceeds available for distribution
- Distribution of the account money among counties
- Use of money from the account

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

This measure removes the inflation-adjusted annual dollar limit on lottery funds allocated to the County Fair Account, but it leaves unchanged the percentage cap of one percent of lottery proceeds allocated to the account. It further specifies that the allocation occur annually. The dollar cap would have limited the allocation to the account to approximately \$1.9 million* for the 2023-24 fiscal year. With the change in the measure, the allocation to the account amounts to about \$9.1 million.
