

Open Government Impact Statement

82nd Oregon Legislative Assembly
2023 Regular Session

Measure: SJR 33 - AMR

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 5/3/2023

SUMMARY

Proposes amendment to Oregon Constitution to enumerate examples of rights, the denial or abridgement of which would violate existing constitutional guarantee of equality of rights. Makes conforming change to repeal constitutional policy of marriage being between one man and one woman.

Refers proposed amendment to people for their approval or rejection at special election held on same date as next regular general election.
