Measure Description:

Approves certain new or increased fees adopted by Board of Pharmacy.

Government Unit(s) Affected:

Board of Pharmacy

Summary of Fiscal Impact:

Costs related to the measure are anticipated to be minimal - See explanatory analysis.

Analysis:

ORS 291.055(1)(e) stipulates that all new state agency fees or fee increases adopted between the date of adjournment sine die of a regular session of the Legislative Assembly, and the date of adjournment sine die of the next regular session of the Legislative Assembly, are rescinded upon adjournment sine die of the next regular session of the Legislative Assembly unless the fee is authorized by enabling legislation.

This measure provides the enabling legislation necessary to approve fees adopted through administrative rule by the Oregon Board of Pharmacy during the 2022-23 Interim. The new remote dispensing site pharmacy fee is \$225, the new pharmacy prescription lockers fee is \$120, and the new pharmacy prescription kiosk fee is \$120, which align with current registrations and categories. The pharmacy prescription kiosk fee was effective February 2023 and the two retail drug outlet pharmacy categories were effective July 2022.

Due to the minimal revenue impact anticipated, the 2023-25 Legislative Fiscal Office Recommended Budget does not assume any additional revenue from the new fee or pharmacy categories included in this measure.
