Measure Description:

Limits conditions under which local governments may deny variance for housing development within urban growth boundary.

Government Unit(s) Affected:

Employment Department, Department of Consumer and Business Services, Department of Land Conservation and Development, Judicial Department, Department of Justice, Counties, Cities

Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Rules to the Joint Committee on Ways and Means.

The measure directs the Department of Land Conservation and Development (DLCD) and the Department of Consumer and Business Services (DCBS) to establish a Housing Accountability and Production Office (Office), appropriates \$2.2 million General Fund to provide resources for the Office, requires the Office to investigate local government violations of housing laws, and specifies enforcement procedures. The measure specifies the circumstances under which a local government may deny a variance from land use regulations for the construction of a residential development.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
