

A-Engrossed
House Bill 2001

Ordered by the House March 1
Including House Amendments dated March 1

Sponsored by Representative DEXTER, Senators JAMA, ANDERSON, Representative HELFRICH; Representatives FAHEY, GAMBA, GOMBERG, JAVADI, REYNOLDS

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

[Requires Housing and Community Services Department to study housing. Directs department to submit findings to interim committees of Legislative Assembly related to housing not later than September 15, 2024.]

Establishes Oregon Housing Needs Analysis in Oregon Department of Administrative Services. Requires cities outside Metro to plan for housing needs as allocated by analysis. Requires Metro to adopt similar methodology to allocate housing needs to cities within Metro. Requires Housing and Community Services Department to develop housing production dashboard and housing equity indicators.

Allows Department of Land Conservation and Development to audit, and to enter into housing acceleration agreement with, certain cities that are not adopting or implementing housing production strategies or that are lowest performing as measured by dashboard and indicators. Allows department to seek, and Land Conservation and Development Commission to issue, specific enforcement orders for certain continued noncompliance by cities in addressing housing. Amends land use requirements for local governments related to urbanization, including by requiring cities to measure and plan for development-ready lands, requiring Metro to adopt housing coordination strategy and allowing cities outside of Metro to adopt rural reserves. Requires commission to adopt or amend implementing rules.

Modifies emergency housing assistance program and state homeless assistance program to provide services and assistance to school-aged children experiencing or at risk of experiencing homelessness. Modifies eligibility requirements for applicants for grants from homeless youth services enhancement program and host home project program. Makes programs permanent.

Requires Housing and Community Services Department to provide grants or loans for modular housing and components. Sunsets January 2, 2026.

Requires Oregon Facilities Authority to provide financing for infrastructure and predevelopment costs for moderate income housing. Sunsets January 2, 2026.

Requires residential landlords to extend notice periods for terminations of tenancy based on nonpayment of rent and to include additional notices. Requires landlords and clerk to also include notice with summons for nonpayment of rent. Postpones dates for first appearance and trial for evictions based on such termination notices. Requires landlord to attest to belief that tenant who is absent at first appearance remains in possession of premises before default eviction judgment.

Requires public bodies and grantees to inform tenants and landlords regarding rental assistance applications.

Requires courts to annually set aside and seal certain inoperative residential eviction judgments.

Requires State Department of Agriculture to provide grants to improve certain existing agriculture workforce housing. Sunsets January 2, 2026.

Allows certain moneys appropriated to Housing and Community Services Department for use in Oregon Balance of State Continuum of Care to be spent under emergency procurement authority.

Appropriates moneys from General Fund to Housing and Community Services Department, Oregon Department of Administrative Services, Land Conservation and Development Commission, Oregon Facilities Authority and State Department of Agriculture for purposes of Act.

Declares emergency, effective on passage.

1 Relating to housing; creating new provisions; amending ORS 90.394, 94.536, 105.115, 105.124, 105.135,
2 105.137, 195.033, 195.036, 195.060, 195.141, 195.143, 195.145, 195.300, 197.015, 197.286, 197.290,
3 197.291, 197.293, 197.296, 197.297, 197.298, 197.299, 197.302, 197.303, 197.304, 197.307, 197.313,
4 197.319, 197.320, 197.335, 197.480, 197.522, 197.637, 197.764, 197.831, 197A.300, 197A.305, 197A.310,
5 197A.312, 197A.320, 215.457, 215.501, 270.005, 456.586, 458.650, 466.055 and 527.755 and section
6 8, chapter 420, Oregon Laws 2021, sections 1, 2 and 6, chapter 531, Oregon Laws 2021, and
7 sections 6 and 9, chapter 552, Oregon Laws 2021; repealing ORS 197.178, 197.766, 197A.405,
8 197A.407, 197A.409, 197A.411 and 197A.413; and declaring an emergency.

9 **Be It Enacted by the People of the State of Oregon:**

10
11 **OREGON HOUSING NEEDS ANALYSIS**

12
13 **SECTION 1. (1) There is established within the Oregon Department of Administrative**
14 **Services the Oregon Housing Needs Analysis. The purposes of the Oregon Housing Needs**
15 **Analysis are to further the:**

16 (a) **Production of housing to meet the need of Oregonians at all levels of affordability;**
17 **and**

18 (b) **Production of housing in a way that creates more housing choice by affirmatively**
19 **furthering fair housing, as defined in ORS 197.290.**

20 (2) **The Oregon Housing Needs Analysis consists of three components as follows:**

21 (a) **The annual statewide housing analysis under section 2 (1) of this 2023 Act;**

22 (b) **The allocated housing need under section 2 (2) of this 2023 Act; and**

23 (c) **The housing production targets under section 3 of this 2023 Act.**

24 (3) **Actions taken by the department under sections 1 to 3 of this 2023 Act are not subject**
25 **to ORS 197.180 and are not land use decisions.**

26 (4) **The Department of Land Conservation and Development and the Housing and Com-**
27 **munity Services Department:**

28 (a) **Shall assist the Oregon Department of Administrative Services with its duties under**
29 **sections 1 to 3 of this 2023 Act.**

30 (b) **May study and recommend methodological changes to the Oregon Department of**
31 **Administrative Services to improve the Oregon Housing Needs Analysis' functions and suit-**
32 **ability for its purposes under subsection (1) of this section. The departments may solicit**
33 **written and oral public testimony to inform their recommendations.**

34 **SECTION 2. (1) On an annual basis the Oregon Department of Administrative Services**
35 **shall conduct a statewide housing analysis. The analysis must be conducted statewide and**
36 **segmented into regions as determined by the department. The analysis shall estimate factors**
37 **including, but not limited to:**

38 (a) **Projected needed housing units over the next 20 years;**

39 (b) **Current housing underproduction;**

40 (c) **Housing units needed for people experiencing homelessness; and**

41 (d) **Housing units projected to be converted into vacation homes or second homes during**
42 **the next 20 years.**

43 (2) **At the time the department performs the housing analysis under subsection (1) of this**
44 **section, the department shall allocate a housing need for each city.**

45 (3) **In making an allocation under subsection (2) of this section, the department shall**

1 **consider:**

2 (a) **The forecasted population growth under ORS 195.033 or 195.036;**

3 (b) **The forecasted regional job growth;**

4 (c) **An equitable statewide distribution of housing for income levels described in sub-**
5 **section (4) of this section;**

6 (d) **The estimates made under subsection (1) of this section; and**

7 (e) **The purpose of the Oregon Housing Needs Analysis under section 1 (1) of this 2023**
8 **Act.**

9 (4) **In estimating and allocating housing need under this section, the department shall**
10 **segment need by the following income levels:**

11 (a) **Housing affordable to households making less than 30 percent of median family in-**
12 **come;**

13 (b) **Housing affordable to households making 30 percent or more and less than 60 percent**
14 **of median family income;**

15 (c) **Housing affordable to households making 60 percent or more and less than 80 percent**
16 **of median family income;**

17 (d) **Housing affordable to households making 80 percent or more and less than 120 per-**
18 **cent of median family income; and**

19 (e) **Housing affordable to households making 120 percent or more of median family in-**
20 **come.**

21 **SECTION 3. (1) The Oregon Department of Administrative Services shall allocate housing**
22 **production targets to each city with a population of 10,000 or greater and to each**
23 **unincorporated urbanized area within the Metro urban growth boundary. Housing production**
24 **targets shall describe the proportion of the allocated housing need that the department de-**
25 **termines should be produced in each city within six years for a city or urbanized area inside**
26 **Metro and within eight years for a city or urbanized area outside Metro.**

27 (2) **The housing production targets must be separated into:**

28 (a) **A total target; and**

29 (b) **A target for publicly supported housing affordable to households making less than 80**
30 **percent of the median family income.**

31 (3) **In establishing housing production targets under this section, the department:**

32 (a) **May include a greater proportion of the allocated housing need to accommodate peo-**
33 **ple experiencing homelessness and housing underproduction within a city;**

34 (b) **Is not required to consider allocation of needed housing by Metro under ORS 197.296**
35 **or 197.303; and**

36 (c) **Shall coordinate the allocation of the targets with a schedule developed by the De-**
37 **partment of Land Conservation and Development for requiring housing production strategies**
38 **under ORS 197.290.**

39 **SECTION 4. (1) The Housing and Community Services Department may adopt rules to**
40 **implement this section and section 5 of this 2023 Act.**

41 (2) **On an annual basis the Housing and Community Services Department shall update a**
42 **publicly available statewide housing production dashboard.**

43 (3) **The dashboard shall include, for each city with a population of 10,000 or greater:**

44 (a) **Progress toward housing production by affordability levels, as described in section 2**
45 **(4) of this 2023 Act and total housing targets; and**

1 (b) A comparative analysis of progress in comparison to the region and other local gov-
2 ernments with similar market types.

3 (4) Information in the dashboard must be based on:

4 (a) Inventory of publicly supported housing, as defined in ORS 456.250, that is maintained
5 by the department; and

6 (b) Information submitted to the department under section 37 (3) of this 2023 Act.

7 **SECTION 5.** (1) On an annual basis the Housing and Community Services Department
8 shall update publicly available statewide housing equity indicators.

9 (2) The indicators shall include, for each city, quantifiable data, to the extent that the
10 department can determine, define or estimate it, displaying:

11 (a) Housing outcomes, such as cost burden and availability of housing units to own or to
12 rent, and housing condition for various demographics, including race or ethnicity, disability
13 status, English proficiency and age;

14 (b) Housing types produced and overall land efficiency of housing production;

15 (c) New housing units built to standards, as defined by the Department of Consumer and
16 Business Services by rule, relating to accessibility and visitability;

17 (d) Risk of gentrification and displacement;

18 (e) Housing segregation by race and income;

19 (f) Environmentally just housing outcomes, informed by the environmental justice map-
20 ping tool, developed by the Environmental Justice Council under section 12, chapter 58,
21 Oregon Laws 2022;

22 (g) Residential tenants who spend more than 50 percent of their household income on
23 gross rent for housing; and

24 (h) Other measurable factors or indicators identified by the department.

25 **SECTION 6.** (1) No later than March 1, 2024, the Department of Land Conservation and
26 Development shall adopt a housing production target schedule under section 3 (3)(c) of this
27 2023 Act.

28 (2) No later than January 1, 2025, the Oregon Department of Administrative Services
29 shall:

30 (a) Conduct the initial statewide housing analysis and the initial estimate and allocation
31 of housing need under section 2 of this 2023 Act.

32 (b) Establish the initial housing production targets under section 3 of this 2023 Act.

33 (3) No later than January 1, 2025, the Housing and Community Services Department
34 shall:

35 (a) Publish the statewide housing production dashboard under section 4 of this 2023 Act;
36 and

37 (b) Publish statewide housing equity indicators under section 5 of this 2023 Act.

38 (4) The schedule adopted by the Department of Land Conservation and Development un-
39 der subsection (1) of this section is not a land use decisions and is not subject to appeal.

40 **SECTION 7.** In addition to and not in lieu of any other appropriation, there is appropri-
41 ated for the biennium beginning July 1, 2023, out of the General Fund:

42 (1) To the Housing and Community Services Department, the amount of \$___, to perform
43 the duties of the department under sections 1 to 5 of this 2023 Act.

44 (2) To the Oregon Department of Administrative Services, the amount of \$___, to perform
45 the duties of the department under sections 1 to 5 of this 2023 Act.

URBANIZATION GENERALLY

1
2
3 **SECTION 8.** (1) In adopting rules under ORS 197.286 to 197.314 and statewide planning
4 goals relating to housing or urbanization, or administering the rules or statutes, the Land
5 Conservation and Development Commission and Department of Land Conservation and De-
6 velopment shall be guided by the following principles:

7 (a) Housing that is safe, accessible and affordable in the community of their choice
8 should be available to every Oregonian.

9 (b) Building enough equitable housing must be a top priority.

10 (c) The development and implementation of the housing production strategy should be
11 the focal point by which the department collaborates with local governments to address and
12 eliminate local barriers to housing production.

13 (d) Expertise, technical assistance, model ordinances and other tools and resources to
14 address housing production should be provided to local governments, using cooperative
15 planning tools embodied in ORS 197.291 and 197.293, but not to the exclusion of the expedient
16 use of enforcement authority, including compliance orders under ORS 197.319 to 197.335.

17 (e) Housing production should support fair and equitable housing outcomes, environ-
18 mental justice, climate resilience and access to opportunity.

19 (f) Housing production should not be undermined by litigation, regulatory uncertainty or
20 repetitive or unnecessary procedures.

21 (g) Local governments, to the greatest extent possible, should take actions within their
22 control to facilitate the production of housing to meet housing production targets under
23 section 3 of this 2023 Act.

24 (2) Each public body, as defined in ORS 174.109, shall use its authority to remove barriers
25 to, and to create pathways for, the development of needed housing and shall collaborate with
26 the department and local governments to identify and implement strategies to support
27 housing production where there is insufficient housing production and choice.

28 (3) In adopting rules implementing ORS 197.286 to 197.314 and statewide land use goals
29 relating to housing and urbanization, the commission may approve a range of methodologies,
30 policy options or assumptions that a local government may adopt in determining:

31 (a) Needed housing;

32 (b) Housing production strategies or housing coordination strategies;

33 (c) Buildable lands or housing capacity;

34 (d) Amendments to urban growth boundaries, including under ORS 197.296 (6)(a), 197.299,
35 197.764 and 197A.300 to 197A.325 and section 22 (5)(a) of this 2023 Act; or

36 (e) Adoption or amendments to urban reserves or rural reserves under ORS 195.137 to
37 195.145.

38 **SECTION 9.** (1) The Land Conservation and Development Commission shall adopt rules
39 and amendments to rules related to urbanization as follows:

40 (a) On or before January 1, 2025, to implement ORS 197.290, 197.291, 197.293, 197.319 (4),
41 197.320 (13) and 197.335 (6); and

42 (b) On or before January 1, 2026, to implement ORS 197.286 to 197.314, except as provided
43 in paragraph (a) of this subsection.

44 (2) In adopting rules under this section, the commission shall prioritize:

45 (a) Facilitating and encouraging housing production, affordability and housing choice on

1 **buildable lands within an urban growth boundary;**

2 (b) **Providing greater clarity and certainty in the adoption and acknowledgement of**
3 **housing capacity analyses, urban growth boundary amendments, urban growth boundary ex-**
4 **changes or urban reserves to accommodate an identified housing need;**

5 (c) **Reducing analytical burden, minimizing procedural redundancy and increasing legal**
6 **certainty for local governments pursuing urban growth boundary amendments, urban growth**
7 **boundary exchanges or urban reserves where a housing need is identified, especially for**
8 **smaller cities, consistent with the appropriate protection of resource lands; and**

9 (d) **Supporting coordinated public facilities planning, annexation, and comprehensive plan**
10 **amendments to facilitate the development of lands brought into an urban growth boundary.**

11 (3) **In adopting rules under subsection (1)(a) of this section, the commission shall:**

12 (a) **Consult with the Housing and Community Services Department, Department of**
13 **Transportation, Department of Environmental Quality, Department of State Lands, Oregon**
14 **Business Development Department and Department of Consumer and Business Services;**

15 (b) **Provide clear parameters on the types and extent of actions needed or allowed under**
16 **ORS 197.290 (3) that are consistent with the technical and resource capacities of varying**
17 **sizes of local governments; and**

18 (c) **Recognize actions already taken by local governments.**

19 (4) **To avoid interference with current planning activities or to avoid unjust or surprising**
20 **results, the Land Conservation and Development Commission may postpone, for cities spec-**
21 **ified by the commission, the applicability of sections 13, 21, 22 or 23 of this 2023 Act and the**
22 **amendments to ORS 197.286, 197.290, 197.296, 197.297 and 197.303, by sections 12 and 25 to 28**
23 **of this 2023 Act, until a date that is not later than January 1, 2026.**

24 **SECTION 10. In addition to and not in lieu of any other appropriation, there is appro-**
25 **priated to the Department of Land Conservation and Development, for the biennium ending**
26 **June 30, 2023, out of the General Fund, the amount of \$___, to adopt rules under section 9**
27 **of this 2023 Act.**

28 **SECTION 11. In addition to and not in lieu of any other appropriation, there is appro-**
29 **priated to the Department of Land Conservation and Development, for the biennium begin-**
30 **ning July 1, 2023, out of the General Fund, the amount of \$___, to adopt rules under section**
31 **9 of this 2023 Act.**

32 **SECTION 12. ORS 197.286, as amended by section 5, chapter 54, Oregon Laws 2022, is amended**
33 **to read:**

34 197.286. As used in ORS 197.286 to 197.314 and 197.475 to 197.490:

35 (1) **“Allocated housing need” means:**

36 (a) **For a city outside Metro, the housing need allocated to a city under section 2 (2) of**
37 **this 2023 Act as segmented by income level under section 2 (4) of this 2023 Act; or**

38 (b) **For a city within Metro, the housing need allocated to the city by Metro under ORS**
39 **197.303 (3).**

40 [(1)] (2) **“Buildable lands” means lands in urban and urbanizable areas that are suitable, avail-**
41 **able and necessary for [residential uses. “Buildable lands” includes] the development of needed**
42 **housing over a 20-year planning period, including both vacant land and developed land likely to**
43 **be redeveloped.**

44 [(2)] (3) **“Government assisted housing” means housing that is financed in whole or part by ei-**
45 **ther a federal or state housing agency or a housing authority as defined in ORS 456.005, or housing**

1 that is occupied by a tenant or tenants who benefit from rent supplements or housing vouchers
2 provided by either a federal or state housing agency or a local housing authority.

3 **(4) “Housing capacity” means the number of needed housing units that can be developed**
4 **on buildable lands within the 20-year planning period based on the land’s comprehensive plan**
5 **designation and capacity for housing development and redevelopment.**

6 **(5) “Housing production strategy” means a strategy adopted by a local government to**
7 **promote housing production under ORS 197.290.**

8 [(3)] **(6) “Manufactured dwelling,” “manufactured dwelling park,” “manufactured home” and**
9 **“mobile home park” have the meanings given those terms in ORS 446.003.**

10 [(4)] **(7) “Periodic review” means the process and procedures as set forth in ORS 197.628 to**
11 **197.651.**

12 [(5)] **(8) “Prefabricated structure” means a prefabricated structure, as defined in ORS 455.010,**
13 **that is relocatable, more than eight and one-half feet wide and designed for use as a single-family**
14 **dwelling.**

15 [(6)] *“Urban growth boundary” means an urban growth boundary included or referenced in a*
16 *comprehensive plan.*]

17 **SECTION 13. (1) At the time that a city is required to inventory its buildable lands under**
18 **ORS 197.297 (1) or section 21 or 22 of this 2023 Act, the local government shall determine the**
19 **amount of buildable lands that are likely to support the production of housing during the**
20 **period of their housing production target under section 3 (1) of this section, because the**
21 **lands are:**

22 **(a) Currently annexed and zoned to allow housing through clear and objective standards**
23 **and procedures;**

24 **(b) Readily served through adjacent public facilities or identified for the near-term pro-**
25 **vision of public facilities through an adopted capital improvement plan; and**

26 **(c) Not encumbered by any applicable local, state or federal protective regulations or**
27 **have appropriate entitlements to prepare the land for development.**

28 **(2) If the total housing production target is greater than the housing capacity of**
29 **development-ready lands, the local government shall take any actions in ORS 197.290 (3) that**
30 **demonstrably prepare lands for development or redevelopment or increase the housing ca-**
31 **capacity of existing development-ready lands.**

32
33 **HOUSING PRODUCTION ACCOUNTABILITY**

34
35 **SECTION 14.** ORS 197.293 is amended to read:

36 197.293. [(1) *The Land Conservation and Development Commission, in consultation with the Hous-*
37 *ing and Community Services Department, shall adopt criteria for reviewing and identifying cities with*
38 *a population greater than 10,000 that have not sufficiently:]*

39 [(a) *Achieved production of needed housing within their jurisdiction; or]*

40 [(b) *Implemented a housing production strategy adopted under ORS 197.290.]*

41 [(2) *The criteria adopted by the commission under subsection (1) of this section may include the*
42 *city’s:]*

43 [(a) *Unmet housing need as described in ORS 197.296 (6);]*

44 [(b) *Unmet housing need in proportion to the city’s population;]*

45 [(c) *Percentage of households identified as severely rent burdened as described in ORS 456.586;]*

1 *[(d) Recent housing development;]*

2 *[(e) Recent adoption of a housing production strategy under ORS 197.290 or adoption of actions*
3 *pursuant to a housing production strategy;]*

4 *[(f) Recent or frequent previous identification by the Department of Land Conservation and Devel-*
5 *opment under this section; or]*

6 *[(g) Other attributes that the commission considers relevant.]*

7 *[(3) The Department of Land Conservation and Development may review cities under the criteria*
8 *adopted under subsection (2) of this section for the purposes of prioritizing actions by the department,*
9 *including:]*

10 *[(a) Awarding available technical or financial resources;]*

11 *[(b) Providing enhanced review and oversight of the city's housing production strategy;]*

12 *[(c) Requiring a report and explanation if a city does not implement an action within the approxi-*
13 *mate time frame scheduled within a housing production strategy;]*

14 *[(d) Entering into agreements with the city relating to the city's modification or implementation of*
15 *its housing production strategy; or]*

16 *[(e) Petitioning the commission to act under ORS 197.319 to 197.335 to require the city to comply*
17 *with ORS 197.286 to 197.314 or statewide land use planning goals related to housing or*
18 *urbanization.]*

19 **(1) In developing and implementing this section and performing its duties under ORS**
20 **197.319 (4), the Department of Land Conservation and Development shall be guided by section**
21 **8 (1) of this 2023 Act and the following principles:**

22 **(a) Increasing housing production;**

23 **(b) Developing affordable and equitable housing;**

24 **(c) Forming partnerships with cities and with other public bodies;**

25 **(d) Responding proportionately to housing underproduction;**

26 **(e) Escalating enforcement to address persistent, repeated or deliberate noncompliance**
27 **with housing production targets; and**

28 **(f) Considering the availability of state resources to support housing production.**

29 **(2)(a) In determining whether a city should be referred under subsection (3) of this sec-**
30 **tion, the department may base its evaluation on the relative performance of a city based on**
31 **any one of, or any combination of, the following:**

32 **(A) A city's progress proportionate to its population size, as demonstrated by the state-**
33 **wide housing production dashboard under section 4 of this 2023 Act.**

34 **(B) The city's performance as demonstrated by a statewide housing equity indicator un-**
35 **der section 5 of this 2023 Act.**

36 **(b) The department may not base a determination made under this subsection solely on**
37 **a city's performance on any single equity indicator.**

38 **(3) Each year, the department shall refer into its housing acceleration program, under**
39 **subsection (4) of this section:**

40 **(a) For each region, as established in the Oregon Housing Needs Analysis under section**
41 **1 (1) of this 2023 Act, of those cities that adopted a housing production strategy more than**
42 **three but less than four years ago, including as required by subsection (7)(a) of this section,**
43 **the lowest performing cities, if any exist, as determined under subsection (2) of this section;**

44 **(b) Each city that has failed to adopt a housing production strategy by the deadline under**
45 **ORS 197.290 (1);**

1 (c) Each city that has failed to undertake actions in its housing production strategy by
2 the deadline under ORS 197.290 (4); and

3 (d) Cities referred under ORS 197.319 (4).

4 (4) For each city referred to the housing acceleration program, within six months, the
5 department shall, in cooperation with the city, complete an audit of specific housing barriers,
6 that must include an analysis of the following factors affecting housing production,
7 affordability and choice:

8 (a) The existing housing production strategy and the documents and record supporting
9 the strategy;

10 (b) Public written comments and invited stakeholder feedback received by a date specified
11 by the department;

12 (c) Land use planning regulations, including zoning and development code;

13 (d) Permitting and approval processes relating to development of housing and
14 infrastructure supporting housing;

15 (e) Required fees, exactions and improvements;

16 (f) Actions and inactions that can impact fair and equitable housing outcomes, environ-
17 mental justice, climate resilience and location choice;

18 (g) Local resource deficiencies, including staffing, public facilities, capital improvements
19 to infrastructure, availability of buildable lands and actions or investments to prepare land
20 for development;

21 (h) Specific additional state resources that could support housing production;

22 (i) Changes to state laws or rules or the regulations, policies, actions or inactions of any
23 public body, as defined in ORS 174.109, as that could impact housing production; and

24 (j) Other factors limiting housing that are not within the city's control.

25 (5) In performing an audit under subsection (4) of this section, the department:

26 (a) May request concurrent review of the city's affordability policies under ORS 197.637;
27 and

28 (b) Shall notify any public body identified under subsection (4)(j) of this section.

29 (6) Within six months following an audit under subsection (4) of this section, the city and
30 the department must enter into a housing acceleration agreement that is based on and
31 proportionate to the city's basis for referral under subsection (3) of this section and informed
32 by the audit under subsection (4) of this section.

33 (7) Under the housing acceleration agreement, the department shall agree to provide:

34 (a) Specified technical assistance, regulatory support and other assistance, to assist the
35 city in performing its agreement under subsection (8) of this section;

36 (b) Specific funding under the department's control; and

37 (c) Specified assistance in pursuing other state or public funds.

38 (8) Under the housing acceleration agreement, the city shall agree to:

39 (a) If the department determines that the factors affecting housing production,
40 affordability and choice are a consequence of policies and practices that are directly within
41 the city's control, adopt an amended housing production strategy within six months that
42 includes:

43 (A) A timeline for performance under ORS 197.290 (4) of no less than one year; and

44 (B) Specified actions which may include, but are not limited to:

45 (i) Actions under ORS 197.290 (3);

1 (ii) Dedicating funds for increased local capacity to facilitate housing production,
2 affordability and choice;

3 (iii) Dedicating funds for public facilities and infrastructure necessary to support housing
4 production;

5 (iv) Taking measures that increase the availability of development-ready land as de-
6 scribed in section 13 of this 2023 Act;

7 (v) Amending the development code, approval criteria or procedures to reduce cost or
8 delay to housing production; and

9 (vi) Taking emergency temporary measures to support housing production; and

10 (b) Join any department initiated interagency mediation to identify policies and resources
11 that would support housing production in the city.

12 (9) The department may require that a city that is not required to adopt an amendment
13 to its housing production strategy under subsection (8)(a) of this section include findings at
14 the time that the city is next required to adopt a housing production strategy under ORS
15 197.290 (1) that describe how the city has addressed the audit's findings and any suggested
16 actions.

17 (10) The department may grant limited extensions to deadlines under subsections (3)(b)
18 and (c) and (8)(a) of this section for emergencies, good cause or other factors outside of the
19 city's control.

20 (11) The actions by a city or department under this section are not land use decisions
21 and are not subject to appeal or review.

22 (12) All public bodies, as defined in ORS 174.109, are directed to assist cities and the de-
23 partment in the performance of their duties under this section and to take timely action to
24 ensure that the agency's rules or policies do not unduly delay implementation of a housing
25 acceleration agreement under this section.

26 **SECTION 15.** ORS 197.319 is amended to read:

27 197.319. (1) Before a person may request adoption of an enforcement order under ORS 197.320,
28 the person shall:

29 (a) Present the reasons, in writing, for such an order to the affected local government; and

30 (b) Request:

31 (A) Revisions to the local comprehensive plan, land use regulations, special district cooperative
32 or urban service agreement or decision-making process which is the basis for the order; or

33 (B) That an action be taken regarding the local comprehensive plan, land use regulations, spe-
34 cial district agreement, housing production strategy or decision-making process that is the basis for
35 the order.

36 (2)(a) The local government or special district shall issue a written response to the request
37 within 60 days of the date the request is mailed to the local government or special district.

38 (b) The requestor and the local government or special district may enter into mediation to re-
39 solve issues in the request. The Department of Land Conservation and Development shall provide
40 mediation services when jointly requested by the local government or special district and the
41 requestor.

42 (c) If the local government or special district does not act in a manner which the requestor
43 believes is adequate to address the issues raised in the request within the time period provided in
44 paragraph (a) of this subsection, a petition may be presented to the Land Conservation and Devel-
45 opment Commission under ORS 197.324.

1 (3) A metropolitan service district may request an enforcement order under ORS 197.320 (12)
2 without first complying with subsections (1) and (2) of this section.

3 (4) **The department, without the prior approval of the commission, may request an**
4 **enforcement order under ORS 197.320 (13) without first complying with subsections (1) and**
5 **(2) of this section. Notwithstanding ORS 183.635 (2) and 197.328 (1), the request under this**
6 **subsection must be assigned to an administrative law judge appointed under ORS 183.635**
7 **unless the commission has previously appointed a hearing officer or a pool of hearing officers**
8 **to review petitions filed under this section. Before the entry of a final order under ORS**
9 **197.319 to 197.335, the department, in its discretion, may dismiss a petition filed by the de-**
10 **partment under this section and refer a city to the housing acceleration program under ORS**
11 **197.293.**

12 **SECTION 16.** ORS 197.320 is amended to read:

13 197.320. The Land Conservation and Development Commission shall issue an order requiring a
14 local government, state agency or special district to take action necessary to bring its comprehen-
15 sive plan, land use regulation, limited land use decisions or other land use decisions or actions into
16 compliance with the goals, acknowledged comprehensive plan provisions, land use regulations, [or]
17 housing production strategy **or housing acceleration agreements** if the commission has good cause
18 to believe:

19 (1) A comprehensive plan or land use regulation adopted by a local government not on a com-
20 pliance schedule is not in compliance with the goals by the date set in ORS 197.245 or 197.250 for
21 such compliance[;].

22 (2) A plan, program, rule or regulation affecting land use adopted by a state agency or special
23 district is not in compliance with the goals by the date set in ORS 197.245 or 197.250 for such
24 compliance[;].

25 (3) A local government is not making satisfactory progress toward performance of its compliance
26 schedule[;].

27 (4) A state agency is not making satisfactory progress in carrying out its coordination agree-
28 ment or the requirements of ORS 197.180[;].

29 (5) A local government has no comprehensive plan or land use regulation and is not on a com-
30 pliance schedule directed to developing the plan or regulation[;].

31 (6) A local government has engaged in a pattern or practice of decision making that violates
32 an acknowledged comprehensive plan or land use regulation. In making its determination under this
33 subsection, the commission shall determine whether there is evidence in the record to support the
34 decisions made. The commission shall not judge the issue solely upon adequacy of the findings in
35 support of the decisions[;].

36 (7) A local government has failed to comply with a commission order entered under ORS
37 197.644[;].

38 (8) A special district has engaged in a pattern or practice of decision-making that violates an
39 acknowledged comprehensive plan or cooperative agreement adopted pursuant to ORS 197.020[;].

40 (9) A special district is not making satisfactory progress toward performance of its obligations
41 under ORS chapters 195 and 197[;].

42 (10) A local government's approval standards, special conditions on approval of specific devel-
43 opment proposals or procedures for approval do not comply with ORS 197.307 (4) or (6)[;].

44 (11) A local government is not making satisfactory progress toward meeting its obligations un-
45 der ORS 195.065[;].

1 (12) A local government within the jurisdiction of a metropolitan service district has failed to
2 make changes to the comprehensive plan or land use regulations to comply with the regional
3 framework plan of the district or has engaged in a pattern or practice of decision-making that vio-
4 lates a requirement of the regional framework plan[; *or*].

5 (13) A city [*is not making satisfactory progress in taking actions listed in its housing production*
6 *strategy under ORS 197.290.*] **with a population of 10,000 or greater that:**

7 **(a) Has a pattern or practice of violating housing-related statutes or implementing poli-**
8 **cies that create additional, unnecessary cost or delay to affordable or market-rate housing**
9 **production;**

10 **(b) Has a pattern or practice of creating adverse disparate impacts to state or federal**
11 **protected classes or inhibiting equitable access to housing choice, as described in ORS 197.290**
12 **(2)(b) to (d);**

13 **(c) Has failed to enter into a housing acceleration agreement as required under ORS**
14 **197.293 (6); or**

15 **(d) Has materially breached a term of a housing acceleration agreement under ORS**
16 **197.293 (8), including a failure to meet the timeline for performance under ORS 197.293**
17 **(8)(a)(A).**

18 **SECTION 17.** ORS 197.335 is amended to read:

19 197.335. (1) An order issued under ORS 197.328 and the copy of the order mailed to the local
20 government, state agency or special district [*shall*] **must** set forth:

21 (a) The nature of the noncompliance, including, but not limited to, the contents of the compre-
22 hensive plan or land use regulation, if any, of a local government that do not comply with the goals
23 or the contents of a plan, program or regulation affecting land use adopted by a state agency or
24 special district that do not comply with the goals. In the case of a pattern or practice of decision-
25 making [*which violates the goals, comprehensive plan or land use regulations, the order shall*], **the**
26 **order must** specify the decision-making [*which*] **that** constitutes the pattern or practice, including
27 specific provisions the Land Conservation and Development Commission believes are being
28 misapplied[;].

29 (b) The specific lands, if any, within a local government for which the existing plan or land use
30 regulation, if any, does not comply with the goals[; *and*].

31 (c) The corrective action decided upon by the commission, including the specific requirements,
32 with which the local government, state agency or special district must comply. In the case of a
33 pattern or practice of decision-making [*that violates an acknowledged comprehensive plan or land use*
34 *regulation*], the commission may require revisions to the comprehensive plan, land use regulations
35 or local procedures which the commission believes are necessary to correct the pattern or practice.
36 Notwithstanding the provisions of this section, except as provided in subsection (3)(c) of this section,
37 an enforcement order does not affect:

38 (A) Land use applications filed with a local government prior to the date of adoption of the
39 enforcement order unless specifically identified by the order;

40 (B) Land use approvals issued by a local government prior to the date of adoption of the
41 enforcement order; or

42 (C) The time limit for exercising land use approvals issued by a local government prior to the
43 date of adoption of the enforcement order.

44 (2) Judicial review of a final order of the commission [*shall be*] **is** governed by the provisions
45 of ORS chapter 183 applicable to contested cases except as otherwise stated in this section. The

1 commission's final order [*shall*] **must** include a clear statement of findings which set forth the basis
 2 for the order. Where a petition to review the order has been filed in the Court of Appeals, the
 3 commission shall transmit to the court the entire administrative record of the proceeding under re-
 4 view. Notwithstanding ORS 183.482 (3) relating to a stay of enforcement of an agency order, an ap-
 5 pellate court, before it may stay an order of the commission, shall give due consideration to the
 6 public interest in the continued enforcement of the commission's order and may consider testimony
 7 or affidavits thereon. Upon review, an appellate court may affirm, reverse, modify or remand the
 8 order. The court shall reverse, modify or remand the order only if it finds:

9 (a) The order to be unlawful in substance or procedure, but **an** error in procedure [*shall not*
 10 *be*] **is not** cause for reversal, modification or remand unless the court [*shall find*] **finds** that sub-
 11 stantial rights of any party were prejudiced thereby;

12 (b) The order to be unconstitutional;

13 (c) The order is invalid because it exceeds the statutory authority of the agency; or

14 (d) The order is not supported by substantial evidence in the whole record.

15 (3)(a) If the commission finds that in the interim period during which a local government, state
 16 agency or special district would be bringing itself into compliance with the commission's order un-
 17 der ORS 197.320 or subsection (2) of this section it would be contrary to the public interest in the
 18 conservation or sound development of land to allow the continuation of some or all categories of
 19 land use decisions or limited land use decisions, it shall, as part of its order, limit, prohibit or re-
 20 quire the approval by the local government of applications for subdivisions, partitions, building
 21 permits, limited land use decisions or land use decisions until the plan, land use regulation or sub-
 22 sequent land use decisions and limited land use decisions are brought into compliance. The com-
 23 mission may issue an order that requires review of local decisions by a hearings officer or the
 24 Department of Land Conservation and Development before the local decision becomes final.

25 (b) Any requirement under this subsection may be imposed only if the commission finds that the
 26 activity, if continued, aggravates the goal, comprehensive plan or land use regulation violation and
 27 that the requirement is necessary to correct the violation.

28 (c) The limitations on enforcement orders under subsection (1)(c)(B) of this section [*shall not be*
 29 *interpreted to*] **does not** affect the commission's authority to limit, prohibit or require application
 30 of specified criteria to subsequent land use decisions involving land use approvals issued by a local
 31 government prior to the date of adoption of the enforcement order.

32 (4) As part of its order under ORS 197.320 or subsection (2) of this section, the commission may
 33 withhold grant funds from the local government to which the order is directed. As part of an order
 34 issued under this section, the commission may notify the officer responsible for disbursing state-
 35 shared revenues to withhold that portion of state-shared revenues to which the local government is
 36 entitled under ORS 221.770, 323.455, 366.762 and 366.800 and ORS chapter 471 which represents the
 37 amount of state planning grant moneys previously provided the local government by the commission.
 38 The officer responsible for disbursing state-shared revenues shall withhold state-shared revenues as
 39 outlined in this section and shall release funds to the local government or department when notified
 40 to so do by the commission or its designee. The commission may retain a portion of the withheld
 41 revenues to cover costs of providing services incurred under the order, including use of a hearings
 42 officer or staff resources to monitor land use decisions and limited land use decisions or conduct
 43 hearings. The remainder of the funds withheld under this provision shall be released to the local
 44 government upon completion of requirements of the commission order.

45 (5)(a) As part of its order under this section, the commission may notify the officer responsible

1 for disbursing funds from any grant or loan made by a state agency to withhold such funds from a
2 special district to which the order is directed. The officer responsible for disbursing funds shall
3 withhold funds as outlined in this section and shall release funds to the special district or depart-
4 ment when notified to do so by the commission.

5 (b) The commission may retain a portion of the funds withheld to cover costs of providing ser-
6 vices incurred under the order, including use of a hearings officer or staff resources to monitor land
7 use decisions and limited land use decisions or conduct hearings. The remainder of the funds with-
8 held under this provision shall be released to the special district upon completion of the require-
9 ments of the commission order.

10 **(6) As part of its order under this section, upon finding a city failed to comply with ORS**
11 **197.320 (13), the commission may, consistent with the principles in ORS 197.293 (1), require**
12 **the city to:**

13 **(a) Comply with the housing acceleration agreement under ORS 197.293 (6).**

14 **(b) Take specific actions that are part of the city's housing production strategy under**
15 **ORS 197.290.**

16 **(c) Impose appropriate models that have been developed by department, including model**
17 **ordinances, procedures, actions or anti-displacement measures.**

18 **(d) Reduce maximum timelines for review of needed housing or specific types of housing**
19 **or affordability levels, including through ministerial approval or any other expedited existing**
20 **approval process.**

21 **(e) Take specific actions to waive or amend local ordinances.**

22 **(f) Forfeit grant funds under subsection (4) of this section.**

23 [(6)] (7) The commission may institute actions or proceedings for legal or equitable remedies in
24 the Circuit Court for Marion County or in the circuit court for the county to which the
25 commission's order is directed or within which all or a portion of the applicable city is located to
26 enforce compliance with the provisions of any order issued under this section or to restrain vio-
27 lations thereof. Such actions or proceedings may be instituted without the necessity of prior agency
28 notice, hearing and order on an alleged violation.

29 **SECTION 18. The amendments to ORS 197.293, 197.319, 197.320 and 197.335 by sections 14**
30 **to 17 of this 2023 Act become operative on January 1, 2025.**

31 **SECTION 19. The Department of Land Conservation and Development and Land Conser-**
32 **vation and Development Commission may take any actions necessary before the operative**
33 **date specified in section 18 necessary to exercise, on and after the operative date specified**
34 **in section 18 of this 2023 Act, all of the duties, functions and powers conferred on the de-**
35 **partment and commission under the amendments to ORS 197.293, 197.319, 197.320 and 197.335**
36 **by sections 14 to 17 of this 2023 Act.**

37
38 **URBANIZATION OUTSIDE METRO**
39

40 **SECTION 20. Sections 8, 13 and 21 to 23 of this 2023 Act are added to and made a part**
41 **of ORS 197.286 to 197.314.**

42 **SECTION 21. (1) This section applies only to cities that are not within Metro or described**
43 **in section 22 (1) of this 2023 Act.**

44 **(2) The actions required under subsection (3) of this section must be undertaken:**

45 **(a) At periodic review pursuant to ORS 197.628 to 197.651;**

1 (b) On a schedule established by the Land Conservation and Development Commission for
2 cities with a population of 10,000 or greater, not to exceed once each eight years;

3 (c) At any other legislative review of the comprehensive plan that requires the applica-
4 tion of a statewide planning goal related to buildable lands for residential use; or

5 (d) At the election of a city with a population of less than 10,000.

6 (3) A city shall, according to rules of the commission:

7 (a) Determine its needed housing under section 23 of this 2023 Act;

8 (b) Inventory the supply of buildable lands available within the urban growth boundary
9 to accommodate needed housing; and

10 (c) Take any necessary actions described in ORS 197.290 (3), whether or not the actions
11 are described within the city's housing production strategy, to accommodate needed housing.

12 **SECTION 22.** (1) This section applies only to local governments with jurisdiction over
13 lands inside the urban growth boundary of:

14 (a) Cities located outside Metro with a population of 25,000 or greater; and

15 (b) Cities that meet factors established by Land Conservation and Development Com-
16 mission in consideration of the city's size, rate of population growth or proximity to another
17 city with a population of 25,000 or greater or to Metro.

18 (2) A local government shall determine its needed housing under section 23 of this 2023
19 Act and inventory its buildable lands and determine the lands' housing capacity under this
20 section:

21 (a) At periodic review under ORS 197.628 to 197.651;

22 (b) As scheduled by the commission at least once each eight years; or

23 (c) At any other legislative review of the comprehensive plan that concerns the urban
24 growth boundary and requires the application of a statewide planning goal related to
25 buildable lands for residential use.

26 (3) For the purpose of determining housing capacity and inventory of buildable lands
27 under subsection (2) of this section:

28 (a) "Buildable lands" includes:

29 (A) Vacant lands planned or zoned for residential use;

30 (B) Partially vacant lands planned or zoned for residential use;

31 (C) Lands that may be used for a mix of residential and employment uses under the ex-
32 isting planning or zoning; and

33 (D) Lands that may be used for residential infill or redevelopment.

34 (b) The local government shall consider:

35 (A) The extent that residential development is prohibited or restricted by local regulation
36 and ordinance, state law and rule or federal statute and regulation;

37 (B) A written long term contract or easement for radio, telecommunications or electrical
38 facilities, if the written contract or easement is provided to the local government; and

39 (C) The presence of a single family dwelling or other structure on a lot or parcel.

40 (c) Except for land that may be used for residential infill or redevelopment, the local
41 government shall create a map or document that may be used to verify and identify specific
42 lots or parcels that have been determined to be buildable lands.

43 (4)(a) Except as provided in paragraphs (b) and (c) of this subsection, the determination
44 of housing capacity must be based on data related to land within the urban growth boundary
45 that has been collected since the last review under subsection (2)(b) of this section. The data

1 **must include:**

2 (A) The number, density and average mix of housing types of urban residential develop-
3 ment that have actually been developed;

4 (B) Trends in density and average mix of housing types of urban residential development;

5 (C) Market factors that may substantially impact future urban residential development;

6 (D) The number, density and average mix of housing types that have been developed on
7 buildable lands;

8 (E) Consideration of the effects of the adopted housing production strategy and measures
9 taken and reasonably anticipated to be taken to implement the strategy; and

10 (F) Consideration of factors that influence available housing supply, including short-term
11 rentals, second homes and vacation homes.

12 (b) A local government shall make the determination described in paragraph (a) of this
13 subsection using data from a shorter time period than the time period described in paragraph
14 (a) of this subsection if the local government finds that the shorter time period will provide
15 more accurate and reliable data related to housing capacity. The shorter time period may
16 not be less than three years.

17 (c) A local government shall use data from a wider geographic area or use a time period
18 longer than the time period described in paragraph (a) of this subsection if the analysis of a
19 wider geographic area or the use of data from a longer time period will provide more accu-
20 rate, complete and reliable data related to trends affecting housing need than an analysis
21 performed pursuant to paragraph (a) of this subsection. The local government must clearly
22 describe the geographic area, time frame and source of data used in a determination per-
23 formed under this paragraph.

24 (5) If the needed housing is greater than the housing capacity, the local government shall
25 take one or both of the following actions to accommodate allocated housing need for the next
26 20 years:

27 (a) Amend its urban growth boundary to include sufficient buildable lands to accommo-
28 date allocated housing need for the next 20 years consistent with the requirements of ORS
29 197A.320 and statewide planning goals. As part of this process, the local government shall
30 consider the effects of actions taken pursuant to paragraph (b) of this subsection. The
31 amendment must include sufficient land reasonably necessary to accommodate the siting of
32 new public school facilities. The need and inclusion of lands for new public school facilities
33 must be a coordinated process between the affected public school districts and the local
34 government that has the authority to approve the urban growth boundary.

35 (b) Take any action under ORS 197.290 (3), whether or not the action was described in
36 an approved housing production strategy, that demonstrably increases housing capacity or
37 produces additional needed housing. Actions under this paragraph may include amending a
38 comprehensive plan or land use regulations to include new measures that demonstrably in-
39 crease the likelihood that residential development will occur at densities sufficient to ac-
40 commodate needed housing for the next 20 years without expansion of the urban growth
41 boundary.

42 (6) A local government that takes any actions under subsection (5) of this section shall:

43 (a) Demonstrate that the comprehensive plan and land use regulations comply with goals
44 and rules adopted by the commission.

45 (b) Adopt findings regarding the changes in housing capacity assumed to result from

1 actions adopted based on data collected under subsection (4)(a) of this section. The density
2 expectations may not project an increase in residential capacity above achieved density by
3 more than three percent without quantifiable validation of such departures. A quantifiable
4 validation must demonstrate that the assumed housing capacity has been achieved in areas
5 that are zoned to allow no greater than the same authorized density level, as defined in ORS
6 227.175, within the local government's jurisdiction or a jurisdiction in the same region.

7 (c) In establishing that actions adopted under subsection (5) of this section demonstrably
8 increase housing capacity, ensure that buildable lands are in locations appropriate for needed
9 housing, are zoned at density ranges that are likely to be achieved by the housing market
10 and are in areas where sufficient urban services are planned to enable the higher density
11 development to occur over the 20-year period.

12 **SECTION 23.** (1) As used in ORS 197.286 to 197.314, and except as provided in subsection
13 (2) of this section:

14 (a) "Needed housing" means housing by affordability level, as described in section 2 (4)
15 of this 2023 Act, type, characteristics and location that is necessary to accommodate the
16 city's allocated housing need over the 20-year planning period in effect when the city's
17 housing capacity is determined.

18 (b) "Needed housing" includes the following housing types:

19 (A) Detached single-family housing, middle housing types as described in ORS 197.758 and
20 multifamily housing that is owned or rented;

21 (B) Government assisted housing;

22 (C) Mobile home or manufactured dwelling parks as provided in ORS 197.475 to 197.490;

23 (D) Manufactured homes on individual lots planned and zoned for single-family residential
24 use that are in addition to lots within designated manufactured dwelling subdivisions;

25 (E) Housing for agricultural workers;

26 (F) Housing for individuals with a variety of disabilities, related to mobility or commu-
27 nications that require accessibility features;

28 (G) Housing for older persons, as defined in ORS 659A.421; and

29 (H) Housing for college or university students, if relevant to the region.

30 (2) Subsection (1)(b)(A) and (D) of this section does not apply to:

31 (a) A city with a population of less than 2,500.

32 (b) A county with a population of less than 15,000.

33 (3) At the time that a city is required to inventory its buildable lands under ORS 197.297
34 (1) or section 21 or 22 of this 2023 Act, the city shall determine its needed housing under this
35 section.

36 (4) In determining needed housing the city must demonstrate that the projected housing
37 types, characteristics and locations are:

38 (a) Attainable for the allocated housing need by income, including consideration of pub-
39 licly supported housing;

40 (b) Appropriately responsive to current and projected market trends; and

41 (c) Responsive to the factors in ORS 197.290 (2)(b) to (d).

42 **SECTION 24.** ORS 197A.320 is amended to read:

43 197A.320. (1) *[Notwithstanding the priority in ORS 197.298 for inclusion of land within an urban*
44 *growth boundary,]* A city outside *[of]* Metro shall comply with this section when determining which
45 lands to include within the urban growth boundary of the city, **including when amending an urban**

1 **growth boundary under ORS** [*pursuant to ORS 197.286 to 197.314,*] 197A.310 or 197A.312 **or sec-**
2 **tion 22 (5)(a) of this 2023 Act.**

3 (2) The Land Conservation and Development Commission shall provide, by rule, that:

4 (a) When evaluating lands for inclusion within the urban growth boundary, the city shall es-
5 tablish a study area that includes all land that is contiguous to the urban growth boundary and
6 within a distance specified by commission.

7 (b) The city shall evaluate all land in the study area for inclusion in the urban growth boundary
8 as provided in subsection (4) of this section, except for land excluded from the study area because:

9 (A) It is impracticable, as provided in subsection (3) of this section, to provide necessary public
10 facilities or services to the land.

11 (B) The land is subject to significant development hazards, including a risk of land slides, a risk
12 of flooding because the land is within the 100-year floodplain or is subject to inundation during
13 storm surges or tsunamis, and other risks determined by the commission.

14 (C) The long-term preservation of significant scenic, natural, cultural or recreational resources
15 requires limiting or prohibiting urban development of the land that contains the resources.

16 (D) The land is owned by the federal government and managed primarily for rural uses.

17 **(E) The land is designated as rural reserve under ORS 195.137 to 195.145.**

18 (c) When evaluating the priority of land for inclusion under paragraph (b) of this subsection:

19 (A) The city shall evaluate the land within the study area that is designated as an urban reserve
20 under ORS 195.145 in an acknowledged comprehensive plan[.].

21 **(B) If the amount of land appropriate for selection under subparagraph (A) of this para-**
22 **graph is not sufficient to satisfy the need for the land, the city shall evaluate the** land that
23 is subject to an acknowledged exception under ORS 197.732 or land that is nonresource land and
24 select as much of the land as necessary to satisfy the need for land using criteria established by the
25 commission and criteria in an acknowledged comprehensive plan and land use regulations.

26 ~~[(B)]~~ (C) If the amount of land appropriate for selection under [*subparagraph (A)*] **subpara-**
27 **graphs (A) and (B)** of this paragraph is not sufficient to satisfy the need for land, the city shall
28 evaluate the land within the study area that is designated as marginal land under ORS 197.247 (1991
29 Edition) in the acknowledged comprehensive plan and select as much of the land as necessary to
30 satisfy the need for land using criteria established by the commission and criteria in an acknowl-
31 edged comprehensive plan and land use regulations.

32 ~~[(C)]~~ (D) If the amount of land appropriate for selection under subparagraphs (A) [*and (B)*] **to**
33 **(C)** of this paragraph is not sufficient to satisfy the amount of land needed, the city shall evaluate
34 land within the study area that is designated for agriculture or forest uses in the acknowledged
35 comprehensive plan that is not predominantly high-value farmland, as defined in ORS 195.300, or
36 does not consist predominantly of prime or unique soils, as determined by the United States De-
37 partment of Agriculture Natural Resources Conservation Service, and select as much of that land
38 as necessary to satisfy the need for land:

39 (i) Using criteria established by the commission and criteria in an acknowledged comprehensive
40 plan and land use regulations; and

41 (ii) Using the predominant capability classification system or the predominant cubic site class,
42 as appropriate for the acknowledged comprehensive plan designation, to select lower capability or
43 cubic site class lands first.

44 ~~[(D)]~~ (E) If the amount of land appropriate for selection under subparagraphs (A) to ~~[(C)]~~ (D)
45 of this paragraph is not sufficient to satisfy the need for land, the city shall evaluate land within

1 the study area that is designated as agricultural land in an acknowledged comprehensive plan and
2 is predominantly high value farmland and select as much of that land as necessary to satisfy the
3 need for land. A local government may not select land that is predominantly made up of prime or
4 unique farm soils, as defined by the United States Department of Agriculture Natural Resources
5 Conservation Service, unless there is an insufficient amount of other land to satisfy its land need.

6 (3) For purposes of subsection (2)(b)(A) of this section, the commission shall determine
7 impracticability by rule, considering the likely amount of development that could occur on the lands
8 within the planning period, the likely cost of facilities and services, physical, topographical or other
9 impediments to service provision and whether urban development has occurred on similarly situated
10 lands such that it is likely that the lands will be developed at an urban level during the planning
11 period. When impracticability is primarily a result of existing development patterns, the rules of the
12 commission shall require that the lands be included within the study area, but may allow the de-
13 velopment capacity forecast for the lands to be specified at a lower level over the planning period.
14 The rules of the commission must be based on an evaluation of how similarly situated lands have,
15 or have not, developed over time.

16 (4) For purposes of subsection (2)(b)(C) of this section, the commission by rule shall determine
17 the circumstances in which and the resources to which this exclusion will apply.

18 (5) Notwithstanding subsection [(2)(c)(D)] **(2)(c)(E)** of this section, the rules must allow land that
19 would otherwise be excluded from an urban growth boundary to be included if:

20 (a) The land contains a small amount of resource land that is not important to the commercial
21 agricultural enterprise in the area and the land must be included to connect a nearby and signif-
22 icantly larger area of land of higher priority for inclusion within the urban growth boundary; or

23 (b) The land contains a small amount of resource land that is not predominantly high-value
24 farmland or predominantly made up of prime or unique farm soils and the land is completely sur-
25 rounded by land of higher priority for inclusion into the urban growth boundary.

26 (6) When the primary purpose for expansion of the urban growth boundary is to accommodate
27 a particular industry use that requires specific site characteristics, or to accommodate a public fa-
28 cility that requires specific site characteristics and the site characteristics may be found in only a
29 small number of locations, the city may limit the study area to land that has, or could be improved
30 to provide, the required site characteristics. Lands included within an urban growth boundary for
31 a particular industrial use, or a particular public facility, must remain planned and zoned for the
32 intended use:

33 (a) Except as allowed by rule of the commission that is based on a significant change in cir-
34 cumstance or the passage of time; or

35 (b) Unless the city removes the land from within the urban growth boundary.

36 (7) Notwithstanding any other provision of this section, the commission may adopt rules that
37 specify circumstances under which a city may exchange land within the urban growth boundary of
38 the city for land that is outside of the urban growth boundary and that is designed to avoid adverse
39 effects of an exchange on agricultural or forest operations in the surrounding area.

40
41 **METRO URBANIZATION**

42
43 **SECTION 25.** ORS 197.296 is amended to read:

44 **197.296. (1) This section applies only to Metro.**

45 [(1)(a) *The provisions of subsections (2) to (9) of this section apply to metropolitan service district*

1 *regional framework plans and local government comprehensive plans for lands within the urban growth*
2 *boundary of a city that is located outside of a metropolitan service district and has a population of*
3 *25,000 or more.]*

4 *[(b) The Land Conservation and Development Commission may establish a set of factors under*
5 *which additional cities are subject to the provisions of this section. In establishing the set of factors*
6 *required under this paragraph, the commission shall consider the size of the city, the rate of population*
7 *growth of the city or the proximity of the city to another city with a population of 25,000 or more or*
8 *to a metropolitan service district.]*

9 (2)(a) [A local government] **Metro** shall demonstrate that its [comprehensive plan or] regional
10 framework plan provides sufficient buildable lands within the urban growth boundary established
11 pursuant to statewide planning goals to accommodate estimated housing needs for 20 years:

12 (A) At periodic review under ORS 197.628 to 197.651;

13 (B) As scheduled by the **Land Conservation and Development** Commission[:]

14 *[(i) at least once each eight years for local governments that are not within a metropolitan service*
15 *district; or]*

16 *[(ii)] at least once each six years [for a metropolitan service district]; or*

17 (C) At any other legislative review of the [comprehensive plan or] regional framework plan that
18 concerns the urban growth boundary and requires the application of a statewide planning goal re-
19 lating to buildable lands for residential use.

20 (b) The 20-year period shall commence on the date initially scheduled for completion of the re-
21 view under paragraph (a) of this subsection.

22 (3) In performing the duties under subsection (2) of this section, [a local government] **Metro**
23 shall:

24 (a) Inventory the supply of buildable lands within the urban growth boundary and determine the
25 housing capacity of the buildable lands; and

26 (b) Conduct an analysis of existing and projected housing need by type and density range, in
27 accordance with all factors under ORS 197.303 and statewide planning goals and rules relating to
28 housing, to determine the number of units and amount of land needed for each needed housing type
29 for the next 20 years.

30 (4)(a) For the purpose of the inventory described in subsection (3)(a) of this section, “buildable
31 lands” includes:

32 (A) Vacant lands planned or zoned for residential use;

33 (B) Partially vacant lands planned or zoned for residential use;

34 (C) Lands that may be used for a mix of residential and employment uses under the existing
35 planning or zoning; and

36 (D) Lands that may be used for residential infill or redevelopment.

37 (b) For the purpose of the inventory and determination of housing capacity described in sub-
38 section (3)(a) of this section, [the local government] **Metro** must demonstrate consideration of:

39 (A) The extent that residential development is prohibited or restricted by local regulation and
40 ordinance, state law and rule or federal statute and regulation;

41 (B) A written long term contract or easement for radio, telecommunications or electrical facili-
42 ties, if the written contract or easement is provided to [the local government; and] **Metro**;

43 (C) The presence of a single family dwelling or other structure on a lot or parcel[.]; **and**

44 **(D) Factors that influence available housing supply, including short-term rentals, second**
45 **homes and vacation homes.**

1 (c) Except for land that may be used for residential infill or redevelopment, [*a local*
2 *government*] **Metro** shall create a map or document that may be used to verify and identify specific
3 lots or parcels that have been determined to be buildable lands.

4 (5)(a) Except as provided in paragraphs (b) and (c) of this subsection, the determination of
5 housing capacity pursuant to subsection (3)(a) of this section must be based on data relating to land
6 within the urban growth boundary that has been collected since the last review under subsection
7 (2)(a)(B) of this section. The data shall include:

8 (A) The number, density and average mix of housing types of urban residential development that
9 have actually occurred;

10 (B) Trends in density and average mix of housing types of urban residential development;

11 (C) Market factors that may substantially impact future urban residential development; and

12 (D) The number, density and average mix of housing types that have occurred on the buildable
13 lands described in subsection (4)(a) of this section.

14 (b) [*A local government*] **Metro** shall make the determination described in paragraph (a) of this
15 subsection using a shorter time period than the time period described in paragraph (a) of this sub-
16 section if [*the local government*] **Metro** finds that the shorter time period will provide more accurate
17 and reliable data related to housing capacity. The shorter time period may not be less than three
18 years.

19 (c) [*A local government*] **Metro** shall use data from a wider geographic area or use a time period
20 longer than the time period described in paragraph (a) of this subsection if the analysis of a wider
21 geographic area or the use of a longer time period will provide more accurate, complete and reliable
22 data relating to trends affecting housing need than an analysis performed pursuant to paragraph (a)
23 of this subsection. [*The local government*] **Metro** must clearly describe the geographic area, time
24 frame and source of data used in a determination performed under this paragraph.

25 (6) If the housing need determined pursuant to subsection (3)(b) of this section is greater than
26 the housing capacity determined pursuant to subsection (3)(a) of this section, [*the local government*]
27 **Metro** shall take one or both of the following actions to accommodate the additional housing need:

28 (a) Amend its urban growth boundary to include sufficient buildable lands to accommodate
29 housing needs for the next 20 years. As part of this process, [*the local government*] **Metro** shall
30 consider the effects of measures taken pursuant to paragraph (b) of this subsection. The amendment
31 shall include sufficient land reasonably necessary to accommodate the siting of new public school
32 facilities. The need and inclusion of lands for new public school facilities shall be a coordinated
33 process between the affected public school districts and [*the local government*] **Metro** that has the
34 authority to approve the urban growth boundary.

35 (b) Amend its [*comprehensive plan,*] regional framework plan, functional plan or land use regu-
36 lations to include new measures that demonstrably increase the likelihood that residential develop-
37 ment will occur at densities sufficient to accommodate housing needs for the next 20 years without
38 expansion of the urban growth boundary. [*A local government or metropolitan service district that*]
39 **If Metro** takes this action, **Metro** shall adopt findings regarding the density expectations assumed
40 to result from measures adopted under this paragraph based upon the factors listed in ORS 197.303
41 (2) and data in subsection (5)(a) of this section. The density expectations may not project an increase
42 in residential capacity above achieved density by more than three percent without quantifiable val-
43 idation of such departures. [*For a local government located outside of a metropolitan service district,*
44 *a quantifiable validation must demonstrate that the assumed housing capacity has been achieved in*
45 *areas that are zoned to allow no greater than the same authorized density level within the local juris-*

1 *diction or a jurisdiction in the same region. For a metropolitan service district,]* A quantifiable vali-
 2 *ation must demonstrate that the assumed housing capacity has been achieved in areas **within***
 3 **Metro** that are zoned to allow no greater than the same authorized density level, **as defined in**
 4 **ORS 227.175** [*within the metropolitan service district*].

5 [(c) *As used in this subsection, “authorized density level” has the meaning given that term in ORS*
 6 *227.175.*]

7 (7) Using the housing need analysis conducted under subsection (3)(b) of this section, [*the local*
 8 *government*] **Metro** shall determine the overall average density and overall mix of housing types at
 9 which residential development of needed housing types must occur in order to meet housing needs
 10 over the next 20 years. If that density is greater than the actual density of development determined
 11 under subsection (5)(a)(A) of this section, or if that mix is different from the actual mix of housing
 12 types determined under subsection (5)(a)(A) of this section, [*the local government*] **Metro**, as part of
 13 its periodic review, shall adopt measures that demonstrably increase the likelihood that residential
 14 development will occur at the housing types and density and at the mix of housing types required
 15 to meet housing needs over the next 20 years.

16 (8)(a) [*A local government outside a metropolitan service district that*] **If Metro** takes any actions
 17 under subsection (6) or (7) of this section, **Metro** shall demonstrate that the comprehensive plan and
 18 land use regulations comply with goals and rules adopted by the commission and implement ORS
 19 197.286 to 197.314.

20 (b) [*A local government*] **Metro** shall determine the density and mix of housing types anticipated
 21 as a result of actions taken under subsections (6) and (7) of this section and monitor and record the
 22 actual density and mix of housing types achieved following the adoption of these actions. [*The local*
 23 *government*] **Metro** shall compare actual and anticipated density and mix. [*The local government*]
 24 **Metro** shall submit its comparison to the commission at the next review of its urban growth
 25 boundary under subsection (2)(a) of this section.

26 (9) In establishing that actions and measures adopted under subsections (6) and (7) of this sec-
 27 tion demonstrably increase the likelihood of higher density residential development, [*the local gov-*
 28 *ernment*] **Metro** shall at a minimum ensure that land zoned for needed housing is in locations
 29 appropriate for the housing types identified under subsection (3) of this section, is zoned at density
 30 ranges that are likely to be achieved by the housing market using the analysis in subsection (3) of
 31 this section and is in areas where sufficient urban services are planned to enable the higher density
 32 development to occur over the 20-year period. Actions or measures, or both, may include [*but are*
 33 *not limited to:*] **those actions listed in ORS 197.290 (3).**

34 [(a) *Increases in the permitted density on existing residential land;*]

35 [(b) *Financial incentives for higher density housing;*]

36 [(c) *Provisions permitting additional density beyond that generally allowed in the zoning district*
 37 *in exchange for amenities and features provided by the developer;*]

38 [(d) *Removal or easing of approval standards or procedures;*]

39 [(e) *Minimum density ranges;*]

40 [(f) *Redevelopment and infill strategies;*]

41 [(g) *Authorization of housing types not previously allowed by the plan or regulations;*]

42 [(h) *Adoption of an average residential density standard; and*]

43 [(i) *Rezoning or redesignation of nonresidential land.*]

44 [(10)(a) *The provisions of this subsection apply to local government comprehensive plans for lands*
 45 *within the urban growth boundary of a city that is located outside of a metropolitan service district*

1 *and has a population of less than 25,000.]*

2 *[(b) As required under paragraph (c) of this subsection, a city shall, according to rules of the*
3 *commission:]*

4 *[(A) Determine the estimated housing needs within the jurisdiction for the next 20 years;]*

5 *[(B) Inventory the supply of buildable lands available within the urban growth boundary to ac-*
6 *commodate the estimated housing needs determined under this subsection; and]*

7 *[(C) Adopt measures necessary to accommodate the estimated housing needs determined under this*
8 *subsection.]*

9 *[(c) The actions required under paragraph (b) of this subsection shall be undertaken:]*

10 *[(A) At periodic review pursuant to ORS 197.628 to 197.651;]*

11 *[(B) On a schedule established by the commission for cities with a population greater than 10,000,*
12 *not to exceed once each eight years; or]*

13 *[(C) At any other legislative review of the comprehensive plan that requires the application of a*
14 *statewide planning goal relating to buildable lands for residential use.]*

15 *[(d) For the purpose of the inventory described in this subsection, “buildable lands” includes those*
16 *lands described in subsection (4)(a) of this section.]*

17 *[(11) If a city with a population of 10,000 or less conducts an inventory of the supply of buildable*
18 *lands or an estimate of housing need, it must satisfy the requirements of subsection (10) of this*
19 *section.]*

20 **SECTION 26.** ORS 197.297 is amended to read:

21 197.297. (1) At least once every six years, by a date scheduled by the Land Conservation and
22 Development Commission, a city that is within [*a metropolitan service district*] **Metro** and has a
23 population **of 10,000 or greater** [*than 10,000*] shall:

24 (a) Inventory the supply of buildable lands within the city and determine the housing capacity
25 of the buildable lands; and

26 (b) Conduct an analysis of the city’s existing and projected needed housing under statewide
27 planning goals and rules related to housing by type, mix, affordability and density range to deter-
28 mine the number of units and amount of land needed for each needed housing type **under section**
29 **23 of this 2023 Act** for the next 20 years.

30 (2) The housing capacity **determination** and **the** needed housing analysis conducted under this
31 section must be adopted as part of the city’s comprehensive plan no later than one year after com-
32 pletion of the needed housing analysis.

33 (3) If the housing capacity and needed housing analysis conducted under this section demon-
34 strates a housing need, the city shall amend its comprehensive plan or land use regulations **or take**
35 **actions to update or implement its housing production strategy** to include new measures that
36 demonstrably increase the likelihood that development of needed housing will occur for the type,
37 mix, affordability and densities sufficient to accommodate needed housing for the next 20 years.

38 **SECTION 27.** ORS 197.303 is amended to read:

39 197.303. (1) As used in ORS [*197.286 to 197.314*] **197.296 and this section**, “needed housing”
40 means all housing on land zoned for residential use or mixed residential and commercial use that
41 is determined to meet the need shown for housing within an urban growth boundary at price ranges
42 and rent levels that are affordable to households within the county with a variety of incomes, in-
43 cluding but not limited to households with low incomes, very low incomes and extremely low in-
44 comes, as those terms are defined by the United States Department of Housing and Urban
45 Development under 42 U.S.C. 1437a. “Needed housing” includes the following housing types:

- 1 (a) Attached and detached single-family housing, **middle housing types as described in ORS**
2 **197.758** and multiple family housing for both owner and renter occupancy;
3 (b) Government assisted housing;
4 (c) Mobile home or manufactured dwelling parks as provided in ORS 197.475 to 197.490;
5 (d) Manufactured homes on individual lots planned and zoned for single-family residential use
6 that are in addition to lots within designated manufactured dwelling subdivisions; *[and]*
7 (e) **Agriculture workforce** housing *[for farmworkers.]*;
8 (f) **Housing for individuals with a variety of disabilities related to mobility or communi-**
9 **cations that require accessibility features;**
10 (g) **Housing for older persons, as defined in ORS 659A.421; and**
11 (h) **Housing for college or university students, if relevant to the region.**

12 (2) For the purpose of estimating housing needs, as described in ORS 197.296 (3)(b), *[a local*
13 *government shall use the population projections prescribed by ORS 195.033 or 195.036 and shall con-*
14 *sider and adopt findings related to changes in]* **Metro shall adopt findings and perform an analysis**
15 **that estimates** each of the following factors *[since the last review under ORS 197.296 (2)(a)(B) and*
16 *the projected future changes in these factors over a 20-year planning period]:*

- 17 *[(a) Household sizes;]*
18 *[(b) Household demographics;]*
19 *[(c) Household incomes;]*
20 *[(d) Vacancy rates; and]*
21 *[(e) Housing costs.]*

- 22 (a) **Projected needed housing units over the next 20 years;**
23 (b) **Current housing underproduction;**
24 (c) **Housing units needed for people experiencing homelessness; and**
25 (d) **Housing units projected to be converted into vacation homes or second homes during**
26 **the next 20 years.**

27 (3) **At the time Metro performs the analysis under subsection (2) of this section, Metro**
28 **shall allocate a housing need for each city within Metro.**

29 (4) **In making an allocation under subsection (3) of this section, Metro shall consider:**

- 30 (a) **The forecasted population growth under ORS 195.033 or 195.036;**
31 (b) **The forecasted regional job growth;**
32 (c) **An equitable statewide distribution of housing for income levels described in section**
33 **2 (4) of this 2023 Act.**
34 (d) **The estimates made under subsection (2) of this section; and**
35 (e) **The purpose of the Oregon Housing Needs Analysis under section 1 (1) of this 2023**
36 **Act.**

37 [(3)] (5) *[A local government]* **Metro** shall make the estimate described in subsection (2) of this
38 section using a shorter time period than since the last review under ORS 197.296 (2)(a)(B) if *[the*
39 *local government]* **Metro** finds that the shorter time period will provide more accurate and reliable
40 data related to housing need. The shorter time period may not be less than three years.

41 [(4)] (6) *[A local government]* **Metro** shall use data from a wider geographic area or use a time
42 period longer than the time period described in subsection (2) of this section if the analysis of a
43 wider geographic area or the use of a longer time period will provide more accurate, complete and
44 reliable data relating to trends affecting housing need than an analysis performed pursuant to sub-
45 section (2) of this section. *[The local government]* **Metro** must clearly describe the geographic area,

1 time frame and source of data used in an estimate performed under this subsection.

2 [(5)] (7) Subsection (1)(a) and (d) of this section does not apply to[:]

3 [(a)] a city with a population of less than 2,500.

4 [(b) A county with a population of less than 15,000.]

5 [(6)] (8) [A local government] **Metro** may take an exception under ORS 197.732 to the definition
6 of “needed housing” in subsection (1) of this section in the same manner that an exception may be
7 taken under the goals.

8
9 **HOUSING STRATEGIES**

10
11 **SECTION 28.** ORS 197.290 is amended to read:

12 197.290. (1) A city with a population of **10,000 or** greater [*than 10,000*] shall develop and adopt
13 a housing production strategy under this section no later than **the latter of the date:**

14 (a) One year after the city’s deadline for completing a housing capacity [*analysis*] **determi-**
15 **nation** under ORS [*197.296 (2)(a) or (10)(b) or*] 197.297 (1) or **section 21 (2) or 22 (2) of this 2023**
16 **Act; or**

17 (b) **If the city has adopted a housing production strategy previously, three years following**
18 **the most recent adoption of a strategy.**

19 (2) A housing production strategy must include a list of specific actions, including the adoption
20 of measures and policies, that the city shall undertake to promote [*development within the city to*
21 *address a housing need identified under ORS 197.296 (6)(b) or (10)(b) or 197.297.*]:

22 (a) **The development of needed housing;**

23 (b) **The development and maintenance of housing that is of diverse housing types, high-**
24 **quality, affordable and accessible;**

25 (c) **Housing with access to economic opportunities, services and amenities; and**

26 (d) **Affirmatively furthering fair housing.**

27 (3) Actions [*under this subsection may*] **that may be included in a housing production strat-**
28 **egy** include:

29 (a) The reduction of financial and regulatory impediments to developing needed housing, in-
30 cluding removing or easing approval standards or procedures for needed housing at higher densities
31 or that is affordable;

32 (b) The creation of financial and regulatory incentives for development of needed housing, in-
33 cluding creating incentives for needed housing at higher densities or that is affordable; [*and*]

34 (c) The development of a plan to access resources available at local, regional, state and national
35 levels to increase the availability and affordability of needed housing[.];

36 (d) **Target development on lands identified under section 13 (1) of this 2023 Act;**

37 (e) **Actions that affirmatively further fair housing;**

38 (f) **Actions that:**

39 (A) **Increase housing diversity, efficiency and affordability, including new construction**
40 **and the preservation of naturally occurring affordable housing;**

41 (B) **Allow greater housing choice for households and greater flexibility in location, type**
42 **and density;**

43 (C) **Reduce cost or delay and increase procedural certainty for the production of housing;**
44 **or**

45 (D) **Prepare land for development or redevelopment, including:**

1 (i) **Public facilities planning and other investment strategies that increase the readiness**
2 **of land for development for housing production;**

3 (ii) **Site preparation, financial incentives or other incentive-based measures that increase**
4 **the likelihood of development or redevelopment of land; or**

5 (iii) **The redevelopment of underutilized commercial and employment lands for housing**
6 **or a mix of housing and commercial uses; or**

7 (g) **Any other actions identified by rule of the Land Conservation and Development**
8 **Commission intended to promote housing production, affordability and choice.**

9 (4) **Actions proposed in a city’s housing production strategy shall include clear deadlines**
10 **by which the city expects to undertake the action.**

11 [(3)] (5) In creating a housing production strategy, a city shall review and consider:

12 (a) Socioeconomic and demographic characteristics of households living in existing needed
13 housing;

14 (b) Market conditions affecting the provision of needed housing;

15 (c) Measures already adopted by the city to promote the development of needed housing;

16 (d) Existing and expected barriers to the development of needed housing; and

17 (e) For each action the city includes in its housing production strategy:

18 (A) The schedule for its adoption;

19 (B) The schedule for its implementation;

20 (C) Its expected magnitude of impact on the development of needed housing; and

21 (D) The time frame over which it is expected to impact needed housing.

22 [(4)] (6) The housing production strategy must include within its index a copy of the city’s most
23 recently completed survey under [ORS 456.586 (2)] **section 37 of this 2023 Act.**

24 [(5)] (7) The adoption of a housing production strategy is not a land use decision and is not
25 subject to appeal or review except as provided in ORS 197.291.

26 [(6)] (8) A city with a population of **less than** 10,000 [*or less*] may develop a housing production
27 strategy as provided in this section.

28 (9) **As used in this section, “affirmatively furthering fair housing” means meaningful**
29 **actions that, when taken together, address significant disparities in housing needs and access**
30 **to opportunity and replace segregated living patterns with truly integrated and balanced liv-**
31 **ing patterns to transform racially and ethnically concentrated areas of poverty into areas**
32 **of opportunity and foster and maintain compliance with civil rights and fair housing laws.**

33 **SECTION 29.** Section 30 of this 2023 Act is added to and made a part of ORS 197.286 to
34 **197.314.**

35 **SECTION 30.** (1) Metro shall develop and adopt a housing coordination strategy under
36 **this section no later than one year after the deadline for completing a housing capacity de-**
37 **termination under ORS 197.296.**

38 (2) **Regional governments other than Metro, including counties or intergovernmental**
39 **entities described under ORS 190.003 to 190.130, may adopt a housing coordination strategy**
40 **as provided in this section.**

41 (3) **A housing coordination strategy must include a list of actions, including the adoption**
42 **of measures and policies or coordinating actions among local governments and other entities**
43 **within a region, that the regional entity shall undertake to promote:**

44 (a) **The development of needed housing;**

45 (b) **The development and maintenance of housing that is of diverse housing types, high-**

1 **quality, physically accessible and affordable;**

2 **(c) Housing with access to economic opportunities, services and amenities; and**

3 **(d) Development patterns that replace segregated housing patterns with racially inte-**
4 **grated housing and that transform racially and ethnically concentrated areas of poverty into**
5 **areas of opportunity in compliance with fair housing laws.**

6 **(4) Actions constituting a housing coordination strategy may include:**

7 **(a) The identification or coordination of resources that support the production of needed**
8 **housing, including funding, staff capacity or technical support at the regional or state level;**

9 **(b) The identification of local or regional impediments to developing needed housing, in-**
10 **cluding financial, regulatory or capacity-related constraints;**

11 **(c) Regional strategies that coordinate production of needed housing between local gov-**
12 **ernments within a region and that are developed in consultation with impacted local gov-**
13 **ernments;**

14 **(d) The identification of specific actions that cities in the region may consider as part**
15 **of a housing production strategy under ORS 197.290; and**

16 **(e) Any other actions identified by rule of the Land Conservation and Development**
17 **Commission that may promote the quantity or quality of developed housing in the region.**

18 **(5) A housing coordination strategy does not include changes to the amount of buildable**
19 **lands under ORS 197.296.**

20 **(6) In creating a housing coordination strategy, a regional government shall review and**
21 **consider:**

22 **(a) Socioeconomic and demographic characteristics of households living in existing**
23 **needed housing;**

24 **(b) Market conditions affecting the provision of needed housing;**

25 **(c) Measures already implemented by the regional entity to promote the development of**
26 **needed housing;**

27 **(d) Existing and expected barriers to the planning or development of needed housing; and**

28 **(e) For each action the regional entity includes in its housing coordination strategy:**

29 **(A) The schedule for its adoption, if applicable;**

30 **(B) The schedule for its implementation, if applicable;**

31 **(C) Its expected magnitude of impact on the development of needed housing; and**

32 **(D) The time frame over which it is expected to impact needed housing.**

33 **(7) The adoption of a housing coordination strategy is not a land use decision and is not**
34 **subject to appeal or review except as provided in ORS 197.291.**

35 **SECTION 31.** ORS 197.291 is amended to read:

36 197.291. (1) No later than 20 days after a city's adoption or amendment of a housing production
37 strategy under ORS 197.290, a city shall submit the adopted strategy or amended strategy to the
38 Department of Land Conservation and Development.

39 (2) The submission under subsection (1) of this section must include copies of:

40 (a) The signed decision adopting the housing production strategy or amended strategy;

41 (b) The text of the housing production strategy clearly indicating any amendments to the most
42 recent strategy submitted under this section; **and**

43 (c) A brief narrative summary of the housing production strategy.[: *and*]

44 [*(d) The information reviewed and considered under ORS 197.293 (2).*]

45 (3) On the same day the city submits notice of the housing production strategy or amended

1 strategy, the city shall provide a notice to persons that participated in the proceedings that led to
2 the adoption of the strategy and requested notice in writing.

3 (4) Within 10 days of receipt of the submission under subsection (1) of this section, the depart-
4 ment shall provide notice to persons described under ORS 197.615 (3).

5 (5) The notices given under subsections (3) and (4) of this section must state:

6 (a) How and where materials described in subsection (2) of this section may be freely obtained;

7 (b) That comments on the strategy may be submitted to the department within 45 days after the
8 department has received the submission; and

9 (c) That there is no further right of appeal.

10 (6) Based upon criteria adopted by the Land Conservation and Development Commission[, *in-*
11 *cluding any criteria adopted under ORS 197.293 (2),*] the department shall, within 120 days after re-
12 ceiving the submission under subsection (1) of this section:

13 (a) Approve the housing production strategy;

14 (b) Approve the housing production strategy, subject to further review and actions [*under ORS*
15 *197.293 (2)*]; or

16 (c) Remand the housing production strategy for further modification as identified by the de-
17 partment.

18 (7) A determination by the department under subsection (6) of this section is not a land use
19 decision and is final and not subject to appeal.

20 **(8) The Land Conservation and Development Commission may adopt rules describing**
21 **circumstances in which a city's amendment to a comprehensive plan or adoption of a land**
22 **use regulation is not subject to review, including under ORS 197.610 to 197.625, for compli-**
23 **ance with a statewide land use planning goal related to transportation or economic develop-**
24 **ment if the amendment or adoption is included within a housing production strategy that**
25 **has been approved under subsection (6) of this section.**

26 URBAN AND RURAL RESERVES

27
28
29 **SECTION 32.** ORS 195.141 is amended to read:

30 195.141. (1) A county and a [*metropolitan service district established under ORS chapter 268*] **city**
31 **or a county and Metro** may enter into an intergovernmental agreement pursuant to ORS 190.003
32 to 190.130, 195.025 or 197.652 to 197.658 to designate rural reserves pursuant to this section [*and*]
33 **at the same time as designating** urban reserves pursuant to ORS 195.145 (1)[*(b)*].

34 (2) Land designated as a rural reserve:

35 (a) Must be outside an urban growth boundary.

36 (b) May not be designated as an urban reserve during the urban reserve planning period de-
37 scribed in ORS 195.145 (4).

38 (c) May not be included within an urban growth boundary during the period of time described
39 in paragraph (b) of this subsection.

40 (3) When designating a rural reserve under this section to provide long-term protection to the
41 agricultural industry, [*a county and a metropolitan service district shall base the designation*] **the**
42 **designation must be based** on consideration of factors including, but not limited to, whether land
43 proposed for designation as a rural reserve:

44 (a) Is situated in an area that is otherwise potentially subject to urbanization during the period
45 described in subsection (2)(b) of this section, as indicated by proximity to the urban growth boundary

1 and to properties with fair market values that significantly exceed agricultural values;

2 (b) Is capable of sustaining long-term agricultural operations;

3 (c) Has suitable soils and available water where needed to sustain long-term agricultural oper-
4 ations; and

5 (d) Is suitable to sustain long-term agricultural operations, taking into account:

6 (A) The existence of a large block of agricultural or other resource land with a concentration
7 or cluster of farms;

8 (B) The adjacent land use pattern, including its location in relation to adjacent nonfarm uses
9 and the existence of buffers between agricultural operations and nonfarm uses;

10 (C) The agricultural land use pattern, including parcelization, tenure and ownership patterns;
11 and

12 (D) The sufficiency of agricultural infrastructure in the area.

13 **(4) Designation and protection of rural reserves pursuant to this section or urban re-**
14 **serves pursuant to ORS 195.145 (1):**

15 **(a) Is not a basis for a claim for compensation under ORS 195.305 unless the designation**
16 **and protection of rural reserves or urban reserves imposes a new restriction on the use of**
17 **private real property.**

18 **(b) Does not impair the rights and immunities provided under ORS 30.930 to 30.947.**

19 [(4)] **(5)** The Land Conservation and Development Commission shall[, *after consultation*] **consult**
20 with the State Department of Agriculture[, *adopt by goal or by rule a process and criteria for desig-*
21 *nating rural reserves pursuant to this section*] **in adopting, amending or repealing rules under this**
22 **section.**

23 **SECTION 33.** ORS 195.145 is amended to read:

24 195.145. (1) To ensure that the supply of land available for urbanization is maintained:

25 (a) Local governments may cooperatively designate lands outside urban growth boundaries as
26 urban reserves subject to ORS 197.610 to 197.625 and 197.626.

27 (b) Alternatively, [*a metropolitan service district established under ORS chapter 268*] **Metro** and
28 a county may enter into a written agreement pursuant to ORS 190.003 to 190.130, 195.025 or 197.652
29 to 197.658 to designate urban reserves. A process and criteria developed pursuant to this paragraph
30 are an alternative to a process or criteria adopted pursuant to paragraph (a) of this subsection.

31 (2)[(a)] The Land Conservation and Development Commission may require a local government
32 to designate [*an urban reserve*] **urban reserves** pursuant to subsection (1)(a) of this section during
33 its periodic review in accordance with the conditions for periodic review under ORS 197.628.

34 [(b) *Notwithstanding paragraph (a) of this subsection, the commission may require a local govern-*
35 *ment to designate an urban reserve pursuant to subsection (1)(a) of this section outside of its periodic*
36 *review if:*]

37 [(A) *The local government is located inside a Primary Metropolitan Statistical Area or a Metro-*
38 *politan Statistical Area as designated by the Federal Census Bureau upon November 4, 1993; and]*

39 [(B) *The local government has been required to designate an urban reserve by rule prior to No-*
40 *vember 4, 1993.*]

41 (3) In carrying out subsections (1) and (2) of this section:

42 (a) Within an urban reserve, [*neither the commission nor any*] **a** local government [*shall*] **may**
43 **not** prohibit the siting on a legal parcel of a single family dwelling that would otherwise have been
44 allowed under law existing prior to designation as an urban reserve.

45 (b) The commission shall provide to local governments a list of options, rather than prescribing

1 a single planning technique, to ensure the efficient transition from rural to urban use in urban re-
2 serves.

3 (4) Urban reserves designated [*by a metropolitan service district and a county pursuant to sub-*
4 *section (1)(b) of*] **under** this section must be planned to accommodate population and employment
5 growth for:

6 (a) **At least 40 years and not more than 50 years; or**

7 (b) At least 20 years, and not more than 30 years, after the 20-year period for which the [*district*
8 *has demonstrated a buildable land supply in the most recent inventory, determination and analysis*
9 *performed*] **local government has inventoried buildable lands** under ORS 197.296 **or section 21**
10 **or 22 of this 2023 Act.**

11 (5) **Urban reserves may be established at any time without regard to a schedule under**
12 **ORS 197.296 (2) or section 21 (2) or 22 (2) of this 2023 Act.**

13 [(5)] (6) [*A district and a county shall base*] The designation of urban reserves under [*subsection*
14 *(1)(b) of*] this section **must be based** upon consideration of factors including, but not limited to,
15 whether land proposed for designation as urban reserves, alone or in conjunction with land inside
16 the urban growth boundary:

17 (a) Can be developed at urban densities in a way that makes efficient use of existing and future
18 public infrastructure investments;

19 (b) Includes sufficient development capacity to support a healthy urban economy;

20 (c) Can be served by public schools and other urban-level public facilities and services efficiently
21 and cost-effectively by appropriate and financially capable service providers;

22 (d) Can be designed to be walkable and served by a well-connected system of streets by appro-
23 priate service providers;

24 (e) Can be designed to preserve and enhance natural ecological systems; and

25 (f) Includes sufficient land suitable for a range of housing types.

26 [(6)] (7) A county may take an exception under ORS 197.732 to a statewide land use planning
27 goal to allow the establishment of a transportation facility in an area designated as urban reserve
28 under [*subsection (1)(b) of*] this section.

29 [(7)] (8) The commission shall adopt by goal or by rule a process and criteria for designating
30 urban reserves pursuant to [*subsection (1)(b) of*] this section.

31 **SECTION 34. The amendments to ORS 195.141 and 195.145 by sections 32 and 33 of this**
32 **2023 Act do not apply to urban reserves or rural reserves that were adopted on or before**
33 **June 30, 2023.**

34
35 **LOCAL HOUSING REPORTS**

36
37 **SECTION 35.** ORS 456.586 is amended to read:

38 456.586. [(1) *For purposes of this section:*]

39 [(a) *a household is severely rent burdened if the household spends more than 50 percent of the in-*
40 *come of the household on gross rent for housing.*]

41 [(b) *A regulated affordable unit is a residential unit subject to a regulatory agreement that runs*
42 *with the land and that requires affordability for an established income level for a defined period of*
43 *time.*]

44 [(2)(a) *The Housing and Community Services Department shall annually provide to the governing*
45 *body of each city in this state with a population greater than 10,000 the most current data available*

1 from the United States Census Bureau, or any other source the department considers at least as reli-
2 able, showing the percentage of renter households in the city that are severely rent burdened.]

3 [(b) The Department of Land Conservation and Development, in consultation with the Housing and
4 Community Services Department, shall develop a survey form on which the governing body of a city
5 may provide specific information related to the affordability of housing within the city, including the
6 actions relating to land use and other related matters that the city has taken to encourage the devel-
7 opment of needed housing, increase the affordability of housing and reduce rent burdens for severely
8 rent burdened households.]

9 [(c) The Department of Land Conservation and Development shall provide the governing body of
10 the city with the survey form developed pursuant to paragraph (b) of this subsection.]

11 [(d) The governing body of the city shall return the completed survey form to the Department of
12 Land Conservation and Development at least 24 months prior to a deadline for completing a housing
13 production strategy under ORS 197.290.]

14 [(3)(a)] In any year in which [the governing body of a city is informed under this section that at]
15 **a housing indicator demonstrates that** least 25 percent of the renter households in [the] **a city**
16 are severely rent burdened **under section 5 (2)(g) of this 2023 Act**, the governing body **of the city**
17 shall hold at least one public meeting to discuss the causes and consequences of severe rent burdens
18 within the city, the barriers to reducing rent burdens and possible solutions.

19 [(b)] The Housing and Community Services Department may adopt rules governing the conduct
20 of the public meeting [required under this subsection].

21 [(4) No later than February 1 of each year, the governing body of each city in this state with a
22 population greater than 10,000 shall submit to the Department of Land Conservation and Development
23 a report for the immediately preceding calendar year setting forth separately for each of the following
24 categories the total number of units that were permitted and the total number that were produced:]

25 [(a) Residential units.]

26 [(b) Regulated affordable residential units.]

27 [(c) Multifamily residential units.]

28 [(d) Regulated affordable multifamily residential units.]

29 [(e) Single-family homes.]

30 [(f) Regulated affordable single-family homes.]

31 [(g) Accessory dwelling units.]

32 [(h) Regulated affordable accessory dwelling units.]

33 [(i) Units of middle housing, as defined in ORS 197.758.]

34 [(j) Regulated affordable units of middle housing.]

35 **SECTION 36.** Sections 37 and 38 of this 2023 Act are added to and made a part of ORS
36 **197.286 to 197.314.**

37 **SECTION 37.** (1) No later than February 1 of each year, each city with a population of
38 **10,000 or greater shall submit to the Department of Land Conservation and Development a**
39 **report for the immediately preceding calendar year setting forth:**

40 (a) **The number of residential units permitted and the number produced, segmented by:**

41 (A) **Single-family homes.**

42 (B) **Accessory dwelling units.**

43 (C) **Units of middle housing.**

44 (D) **Multifamily residential units, not including middle housing.**

45 (E) **Units with accessibility features or of an accessibility category as recognized by a**

1 **building code established under ORS chapter 455.**

2 **(b) For each segment under paragraph (a) of this subsection, the number of units that**
3 **were subject to a recorded agreement that runs with the land and that requires affordability**
4 **for an established income level for a defined period, but that would not be included in the**
5 **inventory of publicly supported housing described in section 4 (3)(a) of this 2023 Act.**

6 **(2) The Department of Land Conservation and Development, in consultation with the**
7 **Housing and Community Services Department, shall develop a format by which data required**
8 **under this section must be submitted. The Department of Land Conservation and Develop-**
9 **ment shall provide a copy of any form or notice of the format to each city required to provide**
10 **a report.**

11 **(3) The Department of Land Conservation and Development shall provide a copy of the**
12 **data received under this section to the Oregon Department of Administrative Services and**
13 **the Housing and Community Services Department by July 1 of each year.**

14 **SECTION 38. Between 12 and 18 months before a city’s deadline for completing a housing**
15 **capacity determination under ORS 197.297 (1) or section 21 (2) or 22 (2) of this 2023 Act, each**
16 **city with a population of 10,000 or greater shall submit to the Department of Land Conser-**
17 **vation and Development a report setting forth the actions that a city has taken since its**
18 **most recent housing capacity determination to implement its housing production strategy**
19 **or to otherwise encourage the development of needed housing, to increase the affordability**
20 **of housing, to reduce rent burdens, to affirmatively further fair housing or to otherwise meet**
21 **the purposes of ORS 197.290 (2).**

22 **SECTION 39. ORS 197.178 is repealed.**

23
24 **POPULATION FORECASTS**

25
26 **SECTION 40. ORS 195.033 is amended to read:**

27 195.033. (1) As used in this section, “affected local government” means:

28 (a) A city or county for which the Portland State University Population Research Center is
29 preparing a population forecast;

30 (b) A county that contains all or part of a city or an urban growth boundary for which the
31 center is preparing a population forecast; and

32 (c) A local service district, as defined in ORS 174.116, that includes territory within the area
33 subject to the population forecast.

34 (2) For the purpose of land use planning, the center shall issue a population forecast for:

35 (a) Each county except Multnomah, Clackamas and Washington Counties;

36 (b) The portions of Multnomah, Clackamas and Washington Counties that are not within Metro;
37 and

38 (c) The area within each urban growth boundary other than the urban growth boundary of
39 Metro.

40 (3) A local government with land use jurisdiction over land for which the center issues popu-
41 lation forecasts under subsection (2) of this section shall apply the current final population forecast
42 when changing the comprehensive plan or a land use regulation of the local government.

43 (4) The center shall issue population forecasts for each area described in subsection (2) of this
44 section not less than once every four years on a schedule established by standards adopted by
45 Portland State University in consultation with the Department of Land Conservation and Develop-

1 ment.

2 (5) When issuing a population forecast, the center shall:

3 (a) Consider and, if appropriate, incorporate available local data and information about local
4 conditions received from representatives of local governments and members of the public;

5 (b) Cause, directly or with the assistance of the Department of Land Conservation and Devel-
6 opment, the issuance of notice to all affected local governments and to members of the public that
7 have provided a written request for notice to the center; and

8 (c) Post the methodology and supporting data used to make the population forecast on a publicly
9 available website when the center causes notice to be issued as described in paragraph (b) of this
10 subsection.

11 (6) A population forecast must forecast population for a 50-year period including:

12 (a) Forecasts for intervals, within the 50-year period, that are established by standards adopted
13 by Portland State University in consultation with the Department of Land Conservation and Devel-
14 opment; [*and*]

15 (b) Population cohorts as provided by standards adopted by the university in consultation with
16 the department[.];

17 (c) **Population data segmented by race, ethnicity and disability status; and**

18 (d) **Segregated information for populations on tribal lands.**

19 (7) Within 45 days after the center issues a proposed population forecast under this section, a
20 member of the public or an affected local government may file objections with the center. An ob-
21 jection must be supported by the inclusion of data or information that supports the objection. If the
22 center:

23 (a) Does not receive an objection within the 45-day period, the proposed population forecast
24 becomes final.

25 (b) Receives an objection within the 45-day period, the center shall review the objections filed,
26 make changes to the proposed population forecast, if necessary in the discretion of the center, and
27 issue a final population forecast.

28 (8) Periodically, the Department of Land Conservation and Development may require the center
29 to submit its forecasting methodology and local data collection practices for review by an advisory
30 committee established by the department and composed of experts in the field of population fore-
31 casting, representatives of cities and counties and members of the public.

32 (9) The issuance of a final population forecast under this section is:

33 (a) Not a land use decision; and

34 (b) A final decision not subject to further review or appeal.

35 (10) The Land Conservation and Development Commission, in consultation with Portland State
36 University, shall adopt rules to implement the population forecasting program required by this sec-
37 tion.

38 (11) Each biennium, the commission [*shall*] **may** allocate, from the grant funding described in
39 ORS 197.639 (5), an amount of moneys that the Land Conservation and Development Commission, in
40 consultation with Portland State University, determines is sufficient, **in combination with any**
41 **appropriation by the Legislative Assembly**, to operate the population forecasting program re-
42 quired by this section.

43 **SECTION 41.** ORS 195.036 is amended to read:

44 195.036. Metro, in coordination with local governments within its boundary, shall issue a popu-
45 lation forecast for the entire area within its boundary to be applied by Metro and local governments

1 within the boundary of Metro as a basis for changes to comprehensive plans and land use regu-
2 lations. **The forecasted population data must be segmented by race, ethnicity and disability**
3 **status.**

4
5 **YOUTH HOMELESSNESS**

6
7 **SECTION 42.** ORS 458.650 is amended to read:

8 458.650. (1) The Housing and Community Services Department shall administer the Emergency
9 Housing Account to assist homeless individuals and individuals who are at risk of becoming
10 homeless, through means including the emergency housing assistance program and the state
11 homeless assistance program. Notwithstanding subsection (3)(a) of this section, the state homeless
12 assistance program shall serve individuals experiencing homelessness, especially unsheltered
13 homelessness, without respect to income.

14 (2) The Oregon Housing Stability Council shall develop a policy for the use of program funds
15 with the advice of:

- 16 (a) Persons who have experienced housing instability;
17 (b) Tribes;
18 (c) The Community Action Partnership of Oregon;
19 (d) Continuums of care, as defined in 24 C.F.R. part 578;
20 (e) Local governments;
21 (f) Nonprofit organizations;
22 (g) Homeless services providers;
23 (h) Culturally specific organizations;
24 (i) Housing providers;
25 (j) Veterans' services organizations; and
26 (k) Other entities identified by the department by rule.

27 (3) The policy under subsection (2) of this section shall direct that program funds shall be used:

28 (a) To provide to low and very low income individuals, including but not limited to individuals
29 more than 65 years of age, persons with disabilities, agricultural workers and Native Americans:

30 (A) Emergency shelters and attendant services;

31 (B) Transitional housing services designed to assist individuals to make the transition from
32 homelessness to permanent housing and economic independence;

33 (C) Supportive housing services to enable individuals to continue living in their own homes or
34 to provide in-home services for such individuals for whom suitable programs do not exist in their
35 geographic area;

36 (D) Programs that provide emergency payment of home payments, rents or utilities; or

37 (E) Some or all of the *[needs]* **services or assistance** described in subparagraphs (A) to (D) of
38 this paragraph.

39 **(b) To provide the services and assistance described in paragraph (a) of this subsection**
40 **to school-aged children enrolled in kindergarten through grade 12, or to their families, who**
41 **are homeless or at risk of becoming homeless.**

42 *[(b)]* (c) To align with federal strategies and resources that are available to prevent and end
43 homelessness, including the requirement of providing culturally responsive services and using
44 evidence-based and emerging practices effective in ending homelessness, including practices unique
45 to rural communities.

1 (4)(a) The council shall require as a condition of awarding a grant that the organization dem-
2 onstrate to the satisfaction of the council that the organization:

3 (A) Has the capacity to deliver any service proposed by the organization;

4 (B) Is a culturally responsive organization or is engaged in a process to become a culturally
5 responsive organization;

6 (C) Engages with culturally specific organizations; and

7 (D) Supports local homelessness system planning efforts.

8 (b) Any funds granted under this section may not be used to replace existing funds. Funds
9 granted under this section may be used to supplement existing funds. An organization may use funds
10 to support existing programs or to establish new programs.

11 (5) The department may expend funds from the account for:

12 (a) The administration of the account as provided for in the legislatively approved budget, as
13 that term is defined in ORS 291.002, for the department in support of directing a statewide policy
14 on homelessness that ensures use of evidence-based and emerging practices, service equity in fund-
15 ing and local planning processes.

16 (b) The development of technical assistance and training resources for organizations developing
17 and operating emergency shelters as defined in ORS 197.782 and transitional housing accommo-
18 dations as described in ORS 197.746.

19 (6) The department shall utilize outcome-oriented contracting processes and evidence-based and
20 emerging practices for account program funds, including evidence-based and emerging practices for
21 serving rural communities.

22 (7) Twenty-five percent of moneys deposited in the account pursuant to ORS 294.187 are dedi-
23 cated to the emergency housing assistance program for assistance to veterans who are homeless or
24 at risk of becoming homeless.

25 **SECTION 43.** Section 1, chapter 531, Oregon Laws 2021, as amended by section 1, chapter 42,
26 Oregon Laws 2022, is amended to read:

27 **Sec. 1.** (1) As used in this section, [*“unaccompanied homeless youth”*] **“youth experiencing**
28 **homelessness”** means a person who is at least 14 years of age but not more than 24 years of age,
29 who is not in the physical custody of a parent or legal guardian and who is homeless.

30 (2) In addition to any other scholarships or grants, the Department of Human Services may
31 award two-year grants to organizations that provide services to [*unaccompanied homeless*] youth
32 **experiencing homelessness.**

33 (3) The department may award a grant under this section to an organization that:

34 (a) Has an existing grant from the department to provide services to [*unaccompanied homeless*]
35 youth **experiencing homelessness; or**

36 [*(b) Has an existing contract with the department to provide services to unaccompanied homeless*
37 *youth and the department has determined that the organization is capable of expanding to provide*
38 *services in additional communities;]*

39 [*(c) Is a nonprofit organization or a coalition of nonprofit organizations that the department has*
40 *determined is capable of meeting the grant program requirements; or]*

41 [*(d) Is a new entity that the department determines is capable of meeting the grant program re-*
42 *quirements.]*

43 **(b) Proposes to provide evidence-based services, as described by the department by rule,**
44 **for youth experiencing homelessness in an underserved area or an area in which those ser-**
45 **vices are not provided.**

1 (4) Grants awarded under this section may be used for any of the following:

2 (a) To increase the accessibility of any of the following programs and services to [*unaccompanied*
3 *homeless*] youth **experiencing homelessness**:

4 (A) Shelter facilities;

5 (B) Outreach;

6 (C) Culturally specific services; and

7 (D) Mental health or substance abuse services; and

8 (b) To create or strengthen partnerships with host home programs and other transitional hous-
9 ing options.

10 **(5) An applicant for a grant under this section must describe how the applicant intends**
11 **to ensure that other funding, including from federal or local governments or charitable do-**
12 **nations, will be used to supplement the total cost of the proposed program.**

13 [(5)] (6) The department may adopt rules to administer the grant program described in this
14 section.

15 **SECTION 44.** Section 2, chapter 531, Oregon Laws 2021, is amended to read:

16 **Sec. 2.** (1) As used in this section:

17 (a) “Host home project” means a project that facilitates an arrangement under which [*an unac-*
18 *companied homeless*] a youth **experiencing homelessness** resides in the home of a private individ-
19 ual, pursuant to the terms of a contract between the private individual and the youth, for free or
20 at below-market rent.

21 (b) “Long-term host home project” means a host home project run by an organization that has
22 a memorandum of understanding or a letter of agreement with one or more school districts and in
23 which [*unaccompanied homeless*] **participating youth experiencing homelessness** [*participants*], on
24 average during the most recent two years, resided in host homes for a minimum of 180 days, as re-
25 ported by the relevant school district.

26 (c) “Short-term host home project” means a host home project in which [*unaccompanied*
27 *homeless*] **participating youth experiencing homelessness** [*participants*], on average during the
28 most recent two years, resided in host homes for a maximum of 180 days, as reported by the relevant
29 school district.

30 (d) [*“Unaccompanied homeless youth”*] **“Youth experiencing homelessness”** means a person
31 who is:

32 (A) At least 16 years of age but not more than 21 years of age;

33 (B) Not in the physical custody of a parent or legal guardian;

34 (C) Not in the custody of the Department of Human Services;

35 (D) Not a ward of the state; and

36 (E) Homeless.

37 (2) In addition to and not in lieu of any other scholarships or grants, the department may award
38 two-year grants to organizations that operate host home projects for [*unaccompanied homeless*] youth
39 **experiencing homelessness**.

40 (3) An organization is eligible to apply for a grant under this section if the organization [*oper-*
41 *ated a host home project on January 1, 2021, and*] can demonstrate the ability to:

42 **(a) Continue the operation of existing host home projects;**

43 [(a)] **(b)** Expand host home projects in communities in which the organization provides services;

44 [(b)] **(c)** Establish new long-term host home projects in communities that do not have long-term
45 host home projects; or

1 [(c)] (d) Establish new short-term host home projects.

2 (4) Recipients of grants awarded under this section shall work to achieve the following outcomes
3 for [unaccompanied homeless] youth **experiencing homelessness**:

4 (a) Improved school attendance.

5 (b) Participation in formal or informal mentoring.

6 (c) Increased access to nutrition, health care, mental trauma-informed support and transporta-
7 tion services.

8 (5) A recipient of a grant awarded under this section shall ensure all individuals of 18 years of
9 age or older residing in the host home who are not the [unaccompanied homeless] youth **experi-**
10 **encing homelessness** have an approved background check under ORS 181A.200 and 409.027.

11 (6) A host home is not a child-caring agency as defined in ORS 418.205.

12 (7) The department may adopt rules to administer the grant program described in this section.

13 **SECTION 45.** Section 6, chapter 531, Oregon Laws 2021, is amended to read:

14 **Sec. 6.** [(1) Sections 1 and 2 of this 2021 Act are repealed on June 30, 2023.]

15 [(2)] Sections 3 and 5 [of this 2021 Act], **chapter 531, Oregon Laws 2021**, are repealed on Jan-
16 uary 2, 2024.

17
18 **MODULAR HOUSING FUNDING**

19
20 **SECTION 46.** Section 47 of this 2023 Act is added to and made a part of ORS chapter 458.

21 **SECTION 47.** (1) The Housing and Community Services Department shall provide grants
22 or loans to entities to begin or expand production capacity for the development of modular
23 housing and components to support home builders and developers in meeting housing de-
24 mand.

25 (2) The department shall establish a temporary advisory committee under ORS 285A.060
26 to advise the department on providing grants or loans under this section.

27 (3) The department shall establish the terms for any loans under this section. Proceeds
28 from loans must be deposited in the General Fund.

29 (4) Entities receiving loans or grants under this section must agree to terms established
30 by the department requiring that the entities prioritize supplying modular housing compo-
31 nents to meet demand from:

32 (a) First, state and local governments following a wildfire or other disaster;

33 (b) Second, low income housing construction in this state; and

34 (c) Third, middle income housing construction in this state.

35 (5) The department may enter into a contract with a third party to award or administer
36 grants under this section.

37 **SECTION 48.** Section 47 of this 2023 Act is repealed on January 2, 2026.

38 **SECTION 49.** In addition to and not in lieu of any other appropriation, there is appro-
39 priated to the Housing and Community Services Department, for the biennium beginning July
40 1, 2023, out of the General Fund, the amount of \$20,000,000, to make loans or grants under
41 section 47 of this 2023 Act.

42
43 **MODERATE INCOME HOUSING PREDEVELOPMENT LOANS**

44
45 **SECTION 50.** Section 51 of this 2023 Act is added to and made a part of ORS chapter 289.

1 **SECTION 51.** (1) The Oregon Facilities Authority shall provide financing, including refi-
2 nancing, to local governments or housing developers for predevelopment costs, including
3 infrastructure, site acquisition, planning, reports, surveys and consultants.

4 (2) Financing under this section is available only for housing projects that will be subject
5 to an affordability restriction, including an affordable housing covenant under ORS 456.270
6 to 456.295, that:

7 (a) Has a term of no less than 25 years; and

8 (b) Requires that each dwelling unit be rented as the primary residence for a moderate
9 income household as defined in ORS 456.270.

10 (3) The financing provided by the authority under this section:

11 (a) May not exceed \$500,000 per eligible project;

12 (b) Must charge interest of three percent or lower;

13 (c) May only be used for a project with a total cost of less than \$40,000,000 or that con-
14 sists of 80 or fewer residential units; and

15 (d) May not exceed 75 percent of the project's total predevelopment costs unless the
16 project will be restricted to households with incomes equal to or less than the area median
17 income.

18 (4) Notwithstanding the definitions of "housing institution" and "project" under ORS
19 289.005, the activity of the authority under this section is an eligible project, as that term is
20 used in this chapter.

21 **SECTION 52.** Section 51 of this 2023 Act is repealed on January 2, 2026.

22 **SECTION 53.** In addition to and not in lieu of any other appropriation, there is appro-
23 priated to the Oregon Facilities Authority, for the biennium beginning July 1, 2023, out of the
24 General Fund, the amount of \$3,000,000, for deposit into the Oregon Facilities Authority Ac-
25 count to be used for the purposes of section 51 of this 2023 Act.

26
27 **TERMINATION OF RESIDENTIAL TENANCY FOR NONPAYMENT**

28
29 **SECTION 54.** Section 55 of this 2023 Act is added to and made a part of ORS chapter 90.

30 **SECTION 55.** (1) As used in this section:

31 (a) "Nonpayment" means the nonpayment of a payment that is due to a landlord, in-
32 cluding a payment of rent, late charges, utility or service charges or any other charge or fee
33 as described in the rental agreement or ORS 90.140, 90.302, 90.315, 90.392, 90.394, 90.560 to
34 90.584 or 90.630.

35 (b) "Nonpayment" does not include payments owed by a tenant for damages to the
36 premises.

37 (2) A landlord shall deliver a copy of the notice posted on the website of the Judicial
38 Department under section 56 of this 2023 Act along with:

39 (a) Any notice of termination for nonpayment; and

40 (b) Any summons for a complaint seeking possession based on nonpayment given by the
41 landlord or service processor, including a summons delivered under ORS 105.135 (3)(b).

42 (3) A court shall enter a judgment dismissing a complaint for possession that is based
43 on a termination notice for nonpayment if the court determines that:

44 (a) The landlord failed to deliver the notice as required under subsection (2) of this sec-
45 tion;

1 (b) The landlord caused the tenant to not tender rent, including as a result of the
2 landlord's failure to reasonably participate with a rental assistance program; or

3 (c) The tenant has tendered or caused to be tendered rental assistance or any other
4 payment covering the nonpayment amount owed under the termination notice for nonpay-
5 ment.

6 (4) Notwithstanding ORS 105.137 (4), if a claim for possession is dismissed under sub-
7 section (3)(c) of this section and the payment was tendered after the action was commenced,
8 the tenant is not entitled to prevailing party fees, costs or attorney fees.

9 (5) Notwithstanding 90.302, a landlord may charge a tenant for filing fees paid under ORS
10 105.130, if the complaint for possession is dismissed under subsection (3)(c) of this section.
11 Payment of the fees is not a prerequisite for dismissal under subsection (3)(c) of this section.

12 **SECTION 56.** (1) The Judicial Department, in consultation with the Housing and Com-
13 munity Services Department, shall supply and may regularly update the notice required un-
14 der ORS 105.135 (2)(d) and section 55 (2) of this 2023 Act. The notice must be in substantially
15 the following form:

16 _____

17
18 **THIS IS AN IMPORTANT NOTICE OF WHERE TO GET HELP IF YOU ARE FACING**
19 **POTENTIAL EVICTION FOR NONPAYMENT.**

20
21 **For information in Spanish, Korean, Russian, Vietnamese or Chinese, go to the Judicial**
22 **Department website at _____.**

23
24 **You must comply with deadlines identified in a notice of nonpayment, or you risk losing**
25 **your housing.**

26
27 **Rental assistance and support services may be available. Dial 2-1-1 or go to**
28 **www.211info.org or contact a local service provider at _____.**

29
30 **Low-income tenants may be able to receive free or low-cost legal advice by contacting a**
31 **legal aid organization. Go to _____ to find an office near you.**

32
33 **The Oregon State Bar provides information about legal assistance programs at**
34 **_____.**

35 _____

36
37 (2) The Judicial Department shall translate the completed form under subsection (1) of
38 this section into the Spanish, Korean, Russian, Vietnamese and Chinese languages and shall
39 display links to the English and translated forms prominently on the department's website.

40 (3) Each form on the Judicial Department website under subsection (2) of this section
41 must include a statement in English, Spanish, Korean, Russian, Vietnamese and Chinese in-
42 dicating that the form and translations can be found on the Judicial Department website and
43 providing the web address where the forms may be found.

44 **SECTION 57.** In distributing rental assistance to residential tenants funded by federal,
45 state or local moneys, a public body, as defined in ORS 174.109, and any designee or grantee

1 of a public body shall:

2 (1) Promptly provide a dated application receipt to each tenant who applies for assist-
3 ance. The receipt may be in an electronic format.

4 (2) Close an application, after providing notice of potential closure to the tenant, if the
5 provider reasonably determines that the tenant is no longer participating.

6 (3) If, upon qualifying circumstance, an application is approved and payment is made to
7 a person other than the tenant's landlord, provide a dated notice of payment to the tenant's
8 landlord at any known address or electronic mail address.

9 (4) If an application is denied or is otherwise closed without payment, provide a dated
10 notice of the denial or closure to the tenant and to the tenant's landlord at any known ad-
11 dress or electronic mail address.

12 **SECTION 58.** ORS 90.394 is amended to read:

13 90.394. The landlord may terminate the rental agreement for nonpayment of rent and take pos-
14 session as provided in ORS 105.105 to 105.168, as follows:

15 (1) When the tenancy is a week-to-week tenancy, by delivering to the tenant at least 72 hours'
16 written notice of nonpayment and the landlord's intention to terminate the rental agreement if the
17 rent is not paid within that period. The landlord shall give this notice no sooner than on the fifth
18 day of the rental period, including the first day the rent is due.

19 (2) For all tenancies other than week-to-week tenancies, by delivering to the tenant:

20 (a) At least [72 hours'] **10 days'** written notice of nonpayment and the landlord's intention to
21 terminate the rental agreement if the rent is not paid within that period. The landlord shall give this
22 notice no sooner than on the eighth day of the rental period, including the first day the rent is due;
23 or

24 (b) At least [144 hours'] **13 days'** written notice of nonpayment and the landlord's intention to
25 terminate the rental agreement if the rent is not paid within that period. The landlord shall give this
26 notice no sooner than on the fifth day of the rental period, including the first day the rent is due.

27 (3) The notice described in this section must also specify the amount of rent that must be paid
28 and the date and time by which the tenant must pay the rent to cure the nonpayment of rent.

29 (4) Payment by a tenant who has received a notice under this section is timely if mailed to the
30 landlord within the period of the notice unless:

31 (a) The notice is served on the tenant:

32 (A) By personal delivery as provided in ORS 90.155 (1)(a); or

33 (B) By first class mail and attachment as provided in ORS 90.155 (1)(c);

34 (b) A written rental agreement and the notice expressly state that payment is to be made at a
35 specified location that is either on the premises or at a place where the tenant has made all previ-
36 ous rent payments in person; and

37 (c) The place so specified is available to the tenant for payment throughout the period of the
38 notice.

39 **SECTION 59.** ORS 105.124 is amended to read:

40 105.124. For a complaint described in ORS 105.123, if ORS chapter 90 applies to the dwelling
41 unit:

42 (1) The complaint must be in substantially the following form and be available from the clerk
43 of the court:

44 _____
45

33
34 A COPY OF THE NOTICE RELIED UPON, IF ANY, IS ATTACHED

35
36 3.
37 If the landlord uses an attorney, the case goes to trial and the landlord wins in court, the
38 landlord can collect attorney fees from the defendant pursuant to ORS 90.255 and 105.137 (3).

39 Landlord requests judgment for possession of the premises, court costs, disbursements and at-
40 torney fees.

41 I certify that the allegations and factual assertions in this complaint are true to the best of my
42 knowledge.

43 _____
44 _____
45 Signature of landlord or agent.

1
2
3 (2) The complaint must be signed by the plaintiff, or an attorney representing the plaintiff as
4 provided by ORCP 17, or verified by an agent or employee of the plaintiff or an agent or employee
5 of an agent of the plaintiff.

6 (3) A copy of the notice relied upon, if any, must be attached to the complaint.

7 **SECTION 60.** ORS 105.135 is amended to read:

8 105.135. (1) Except as provided in this section, the summons shall be served and returned as in
9 other actions.

10 (2)(a) **The clerk shall calculate the first appearance, which shall be:**

11 **(A) Seven days after the judicial day next following payment of the filing fees; or**

12 **(B) If the claim for possession is brought under ORS 90.392 or 90.394 for nonpayment as**
13 **defined in section 55 of this 2023 Act, 15 days after the judicial day next following payment**
14 **of the filing fees.**

15 **(b) The clerk may delay the first appearance by up to seven days to accommodate dates**
16 **on which a judge is unavailable to conduct the first appearance and, if possible, to accom-**
17 **modate dates that the plaintiff has indicated unavailability.**

18 (c) The clerk shall enter the first appearance date on the summons. *[That date shall be seven*
19 *days after the judicial day next following payment of filing fees unless no judge is available for first*
20 *appearance at that time, in which case the clerk may extend the first appearance date for up to seven*
21 *additional days. At the request of the plaintiff, the clerk may enter a date more than seven days after*
22 *the judicial day next following payment of filing fees if a judge will be available.]*

23 **(d) If the claim for possession is based on nonpayment as defined in section 55 of this 2023**
24 **Act, the clerk shall include as part of the summons a copy of the notice described in section**
25 **56 of this 2023 Act.**

26 (3) Notwithstanding ORCP 10, by the end of the judicial day next following the payment of filing
27 fees:

28 (a) The clerk shall mail the summons and complaint by first class mail to the defendant at the
29 premises.

30 (b) The process server shall serve the defendant with the summons and complaint at the prem-
31 ises by personal delivery to the defendant or, if the defendant is not available for service, by at-
32 taching the summons and complaint in a secure manner to the main entrance to that portion of the
33 premises of which the defendant has possession.

34 (4) A sheriff may serve a facsimile of a summons and complaint that is transmitted to the sheriff
35 by a trial court administrator or another sheriff by means of facsimile communication. A copy of the
36 facsimile must be attached to the sheriff's return of service. Before transmitting a summons and
37 complaint to a sheriff under this subsection, the person sending the facsimile must receive confir-
38 mation by telephone from the sheriff's office that a telephonic facsimile communication device is
39 available and operating.

40 (5) The process server shall indicate the manner in which service was accomplished by promptly
41 filing with the clerk a certificate of service as provided by ORCP 7 F(2)(a).

42 (6) In the case of premises to which ORS chapter 90 applies, the summons shall inform the de-
43 fendant of the procedures, rights and responsibilities of the parties as specified in ORS 105.137.

44 **SECTION 61.** Section 8, chapter 420, Oregon Laws 2021, as amended by section 9, chapter 1,
45 Oregon Laws 2021 (second special session), is amended to read:

1 (A) When the tenant or person in possession of any premises fails or refuses to pay rent within
2 the time period required by a notice under ORS **90.392 or 90.394**.

3 (B) When a rental agreement by its terms has expired and has not been renewed, or when the
4 tenant or person in possession remains in possession after a valid notice terminating the tenancy
5 pursuant to ORS chapter 90, or is holding contrary to any valid condition or covenant of the rental
6 agreement or ORS chapter 90.

7 (b) A landlord may not file an action for the return of possession of a dwelling unit based upon
8 a cause of unlawful holding by force as described in paragraph (a) of this subsection until after the
9 expiration of a rental agreement for a fixed term tenancy or after the expiration of the time period
10 provided in a notice terminating the tenancy.

11 **(c) The court may dismiss a claim for possession at any time if the complaint does not**
12 **comply with this subsection.**

13 (3) In an action under subsection (2) of this section, ORS chapter 90 shall be applied to deter-
14 mine the rights of the parties, including:

15 (a) Whether and in what amount rent is due;

16 (b) Whether a tenancy or rental agreement has been validly terminated; and

17 (c) Whether the tenant is entitled to remedies for retaliatory conduct by the landlord as pro-
18 vided by ORS 90.385 and 90.765.

19 **SECTION 63.** ORS 105.137 is amended to read:

20 105.137. In the case of a dwelling unit to which ORS chapter 90 applies:

21 (1) *[If the plaintiff appears and the defendant fails to appear at the first appearance,]* A default
22 judgment shall be entered in favor of the plaintiff for possession of the premises and costs and
23 disbursements[.] **only if:**

24 **(a) The plaintiff appears and the defendant fails to appear at the first appearance;**

25 **(b) The court determines that the complaint complies with ORS 105.115 and 105.124 and**
26 **is sufficient to state a cause of action for possession; and**

27 **(c) The plaintiff testifies under oath or submits an affidavit or declaration under penalty**
28 **of perjury stating that, as of the date of the testimony:**

29 **(A) The plaintiff does not have knowledge that the defendant has delivered possession to**
30 **the plaintiff as described in ORS 90.147 (2); and**

31 **(B) The plaintiff reasonably believes that the defendant remains in possession of the**
32 **premises.**

33 (2) If the defendant appears and the plaintiff fails to appear at the first appearance, a default
34 judgment shall be entered in favor of the defendant dismissing the plaintiff's complaint and awarding
35 costs and disbursements.

36 (3) An attorney at law shall be entitled to appear on behalf of any party, but attorney fees may
37 not be awarded to the plaintiff if the defendant does not contest the action.

38 (4) If the plaintiff dismisses the action before the first appearance, a judgment of dismissal shall
39 be entered in favor of the defendant dismissing the plaintiff's complaint and awarding costs and
40 disbursements. The defendant may not recover attorney fees for prejudgment legal services provided
41 after the delivery of written notice of the dismissal by the plaintiff to the defendant, or to an at-
42 torney for the defendant, in the manner provided under ORS 90.155.

43 (5) The plaintiff or an agent of the plaintiff may obtain a continuance of the action for as long
44 as the plaintiff or the agent of the plaintiff deems necessary to obtain the services of an attorney
45 at law.

1 (6) If both parties appear in court on the date contained in the summons, the court shall set the
2 matter for trial [*as soon as practicable*,] unless the court is advised by the parties that the matter
3 has been settled. The trial shall be scheduled:

4 (a) For a claim based on nonpayment, as defined in section 55 of this 2023 Act, no earlier
5 than 15 days, and no later than 30 days, following the appearance; or

6 (b) For any other claim, as soon as practicable and no later than 15 days from the date of
7 [*such*] the appearance.

8 (7) If the matter is not tried within the [*15-day*] period described in subsection (6) of this
9 section, and the delay in trial is not attributable to the landlord, the court shall order the defendant
10 to pay rent that is accruing into court, provided the court finds after hearing that entry of such an
11 order is just and equitable.

12 [(7)(a)] (8)(a) The court shall permit an unrepresented defendant to proceed to trial by directing
13 the defendant to file an answer in writing on a form which shall be available from the court clerk,
14 and to serve a copy upon the plaintiff on the same day as first appearance.

15 (b) The answer shall be in substantially the following form:
16

17
18 IN THE _____ COURT FOR
19 THE COUNTY OF _____

20
21 (Landlord),)
22)
23 Plaintiff(s),)
24)
25 vs.) No. _____
26)
27 (Tenant),)
28)
29 Defendant(s).)

30
31 ANSWER

32 I (we) deny that the plaintiff(s) is (are) entitled to possession because:

33 ___ The landlord did not make repairs.

34 List any repair problems: _____

35 _____
36 _____

37 ___ The landlord is attempting to evict me (us) because of my (our) complaints (or the eviction is
38 otherwise retaliatory).

39 ___ The landlord is attempting to evict me because of my status as a victim of domestic violence,
40 sexual assault or stalking.

41 ___ The eviction notice is wrong.

42 ___ List any other defenses: _____

I (we) may be entitled as the prevailing party to recover attorney fees from plaintiff(s) if I (we) obtain legal services to defend this action pursuant to ORS 90.255.

I (we) ask that the plaintiff(s) not be awarded possession of the premises and that I (we) be awarded my (our) costs and disbursements and attorney fees, if applicable, or a prevailing party fee.

Date Signature of defendant(s)

[(8)] (9) If an unrepresented defendant files an answer as provided in subsection [(7)] (8) of this section, the answer [may] **does** not limit the defenses available to the defendant at trial under ORS chapter 90. If such a defendant seeks to assert at trial a defense not fairly raised by the answer, the plaintiff [shall be] **is** entitled to a reasonable continuance for the purposes of preparing to meet the defense.

SEALING EVICTION RECORDS

SECTION 64. Section 65 of this 2023 Act is added to and made a part of ORS 105.105 to 105.168.

SECTION 65. (1) On an annual basis, each justice and circuit court shall enter an order setting aside a judgment and sealing the official records for each case for possession brought under ORS chapter 90 for which the court finds that:

(a) The judgment does not contain a money award or that any money award has expired or been satisfied or discharged; and

(b)(A) The judgment was a judgment of restitution entered for the plaintiff and at least five years have passed from the date of the judgment; or

(B) The judgment was a judgment by stipulation of the parties under ORS 105.145 (2) and at least 12 months have passed from the date of the judgment.

(2) Upon entry of the order, the judgment that is the subject of the motion is deemed not to have been entered, and any party may answer accordingly any questions relating to its occurrence.

(3) Nothing in this section limits the ability of a defendant to apply for an order under ORS 105.163.

SECTION 66. (1) Section 65 of this 2023 Act does not apply to judgments entered on or before January 1, 2014.

(2) Each justice and circuit court shall conduct a review of its records and enter its first order under section 65 of this 2023 Act on or before December 31, 2024.

AGRICULTURE WORKFORCE HOUSING GRANTS

SECTION 67. (1) The State Department of Agriculture shall provide grants to improve the health and safety conditions of existing agriculture workforce housing, as defined in ORS 315.163, for agricultural workers and their families.

(2)(a) The department shall design an application and establish criteria by which grants

1 awarded under this section are allocated and prioritized.

2 (b) Before a date on which rules that relate to housing for agricultural labor are first
3 adopted or amended by the Occupational Safety and Health Division of the Department of
4 Consumer and Business Services and that is after the effective date of this 2023 Act, the
5 State Department of Agriculture shall prioritize awarding grants for housing that will com-
6 ply with changes to rules that are under consideration of the agricultural labor housing
7 rulemaking advisory committee of the division.

8 (c) Within 30 days of the adoption of rules described under paragraph (b) of this sub-
9 section, the State Department of Agriculture shall update the grant application and criteria
10 to allow the use of grant money to comply with the new or updated rules of the division.

11 (3) To be eligible for a grant under this section, the housing:

12 (a) Must comply with all occupational safety or health laws, rules, regulations and stan-
13 dards;

14 (b) Must be operated by a person who holds a valid indorsement as a farmworker camp
15 operator under ORS 658.730, if an indorsement is required;

16 (c) Must be registered as a farmworker camp with the Department of Consumer and
17 Business Services under ORS 658.750, if the housing is farm employment-related housing, on
18 or before 90 days following the latter of:

19 (A) The first day of the first tax year after the grant was received; or

20 (B) The date the housing is first occupied;

21 (d) May not be housing that is required to be provided as part of a labor contract made
22 under a temporary employment visa program; and

23 (e) Must comply with any adopted rules, as described in subsection (2)(b) of this section.

24 (4) The Occupational Safety and Health Division of the Department of Consumer and
25 Business Services shall assist the State Department of Agriculture in establishing the appli-
26 cation and criteria under subsection (2)(b) and (c) of this section and shall assist the de-
27 partment or a contractor under subsection (5) of this section in determining eligibility for a
28 grant under subsection (3) of this section.

29 (5) The State Department of Agriculture may enter into a contract with a third party to
30 award or administer grants under this section.

31 SECTION 68. Section 67 of this 2023 Act is repealed on January 2, 2026.

32 SECTION 69. In addition to and not in lieu of any other appropriation, there is appro-
33 priated to the State Department of Agriculture, for the biennium beginning July 1, 2023, out
34 of the General Fund, the amount of \$5,000,000, to provide grants under section 67 of this 2023
35 Act.

36
37 **EMERGENCY USE OF APPROPRIATIONS**

38
39 SECTION 70. Expenditures of any appropriation made for the biennium beginning July
40 1, 2023, to the Housing and Community Services Department, constitute an emergency as
41 defined in ORS 279A.010 and may be made under procurement authority described in ORS
42 279B.080 without documenting the nature of the emergency, if the appropriation is made to:

43 (1) Address homelessness in communities within the OR-505 Oregon Balance of State
44 Continuum of Care; or

45 (2) Increase shelter capacity and connections to shelter, support rapid rehousing initi-

1 **atives, provide capacity support for culturally responsive organizations and provide sanita-**
2 **tion services for communities within the OR-505 Oregon Balance of State Continuum of Care.**

3
4 **CONFORMING AMENDMENTS**

5
6 **SECTION 71. ORS 195.137 to 195.145 are added to and made a part of ORS 197.286 to**
7 **197.314.**

8 **SECTION 72.** ORS 94.536 is amended to read:

9 94.536. As used in this section and ORS 94.538:

10 (1) "Conservation easement" has the meaning given that term in ORS 271.715.

11 (2) "Governmental unit" means a city, county, metropolitan service district or state agency as
12 defined in ORS 171.133.

13 (3) "Holder" has the meaning given that term in ORS 271.715.

14 (4) "Lot" has the meaning given that term in ORS 92.010.

15 (5) "Parcel" has the meaning given that term in ORS 92.010.

16 (6) "Receiving area" means a designated area of land to which a holder of development credits
17 generated from a sending area may transfer the development credits and in which additional uses
18 or development, not otherwise allowed, are allowed by reason of the transfer.

19 (7) "Resource land" means:

20 (a) Lands outside an urban growth boundary planned and zoned for farm use, forest use or mixed
21 farm and forest use.

22 (b) Lands inside or outside urban growth boundaries identified:

23 (A) In an acknowledged local or regional government inventory as containing significant
24 wetland, riparian, wildlife habitat, historic, scenic or open space resources; or

25 (B) As containing important natural resources, estuaries, coastal shorelands, beaches and dunes
26 or other resources described in the statewide land use planning goals.

27 (c) "Conservation Opportunity Areas" identified in the "Oregon Conservation Strategy" adopted
28 by the State Fish and Wildlife Commission and published by the State Department of Fish and
29 Wildlife in September of 2006.

30 (8) "Sending area" means a designated area of resource land from which development credits
31 generated from forgone development are transferable, for uses or development not otherwise al-
32 lowed, to a receiving area.

33 (9) "Tract" has the meaning given that term in ORS 215.010.

34 (10) "Transferable development credit" means a severable development interest in real property
35 that can be transferred from a lot, parcel or tract in a sending area to a lot, parcel or tract in a
36 receiving area.

37 (11) "Transferable development credit system" means a land use planning tool that allows the
38 record owner of a lot, parcel or tract of resource land in a sending area to voluntarily sever and
39 sell development interests from the lot, parcel or tract for purchase and use by a potential developer
40 to develop a lot, parcel or tract in a receiving area at a higher intensity than otherwise allowed.

41 (12) "Urban growth boundary" has the meaning given that term in ORS [195.060] **197.015.**

42 (13) "Urban reserve" has the meaning given that term in ORS 195.137.

43 **SECTION 73.** ORS 195.060 is amended to read:

44 195.060. As used in ORS 195.020[,] **and** 195.065 to 195.085 [*and 197.005*], unless the context re-
45 quires otherwise[:]

1 [(1) “District” has the meaning given that term in ORS 198.010. In addition, the term], “**district**”
2 **or “special district” has the meaning given the term “district” in ORS 198.010 and also in-**
3 **cludes a county service district organized under ORS chapter 451.**

4 [(2) “Urban growth boundary” means an acknowledged urban growth boundary contained in a city
5 or county comprehensive plan or an acknowledged urban growth boundary that has been adopted by
6 a metropolitan service district council under ORS 268.390 (3).]

7 [(3) “Urban service” has the meaning given that term in ORS 195.065.]

8 **SECTION 74.** ORS 195.143 is amended to read:

9 195.143. (1) A county and [a metropolitan service district] **Metro** must consider simultaneously
10 the designation and establishment of:

11 (a) Rural reserves pursuant to ORS 195.141; and

12 (b) Urban reserves pursuant to ORS 195.145 (1)(b).

13 (2) An agreement [between a county and a metropolitan service district] to establish rural reserves
14 pursuant to ORS 195.141 and urban reserves pursuant to ORS 195.145 (1)(b) must provide for a co-
15 ordinated and concurrent process for adoption by the county of comprehensive plan provisions and
16 by [the district] **Metro** of regional framework plan provisions to implement the agreement. [A
17 district] **Metro** may not designate urban reserves pursuant to ORS 195.145 (1)(b) in a county until
18 the county and [the district] **Metro** have entered into an agreement pursuant to ORS 195.145 (1)(b)
19 that identifies the land to be designated by [the district in the district’s] **Metro in Metro’s** regional
20 framework plan as urban reserves. A county may not designate rural reserves pursuant to ORS
21 195.141 until the county and [the district] **Metro** have entered into an agreement pursuant to ORS
22 195.141 that identifies the land to be designated as rural reserves by the county in the county’s
23 comprehensive plan.

24 (3) A county and [a metropolitan service district] **Metro** may not enter into an intergovernmental
25 agreement to designate urban reserves in the county pursuant to ORS 195.145 (1)(b) unless the
26 county and [the district] **Metro** also agree to designate rural reserves in the county.

27 [(4) Designation and protection of rural reserves pursuant to ORS 195.141 or urban reserves pur-
28 suant to ORS 195.145 (1)(b):]

29 [(a) Is not a basis for a claim for compensation under ORS 195.305 unless the designation and
30 protection of rural reserves or urban reserves imposes a new restriction on the use of private real
31 property.]

32 [(b) Does not impair the rights and immunities provided under ORS 30.930 to 30.947.]

33 **SECTION 75.** ORS 195.300 is amended to read:

34 195.300. As used in this section and ORS 195.301 and 195.305 to 195.336 and sections 5 to 11,
35 chapter 424, Oregon Laws 2007, and sections 2 to 9 and 17, chapter 855, Oregon Laws 2009, and
36 sections 2 to 7, chapter 8, Oregon Laws 2010:

37 (1) “Acquisition date” means the date described in ORS 195.328.

38 (2) “Claim” means a written demand for compensation filed under:

39 (a) ORS 195.305, as in effect immediately before December 6, 2007; or

40 (b) ORS 195.305 and 195.310 to 195.314, as in effect on and after December 6, 2007.

41 (3) “Enacted” means enacted, adopted or amended.

42 (4) “Fair market value” means the value of property as determined under ORS 195.332.

43 (5) “Farming practice” has the meaning given that term in ORS 30.930.

44 (6) “Federal law” means:

45 (a) A statute, regulation, order, decree or policy enacted by a federal entity or by a state entity

1 acting under authority delegated by the federal government;

2 (b) A requirement contained in a plan or rule enacted by a compact entity; or

3 (c) A requirement contained in a permit issued by a federal or state agency pursuant to a federal
4 statute or regulation.

5 (7) "File" means to submit a document to a public entity.

6 (8) "Forest practice" has the meaning given that term in ORS 527.620.

7 (9) "Ground water restricted area" means an area designated as a critical ground water area
8 or as a ground water limited area by the Water Resources Department or Water Resources Com-
9 mission before December 6, 2007.

10 (10) "High-value farmland" means:

11 (a) High-value farmland as described in ORS 215.710 that is land in an exclusive farm use zone
12 or a mixed farm and forest zone, except that the dates specified in ORS 215.710 (2), (4) and (6) are
13 December 6, 2007.

14 (b) Land west of U.S. Highway 101 that is composed predominantly of the following soils in Class
15 III or IV or composed predominantly of a combination of the soils described in ORS 215.710 (1) and
16 the following soils:

17 (A) Subclassification IIIw, specifically Ettersburg Silt Loam and Croftland Silty Clay Loam;

18 (B) Subclassification IIIe, specifically Klooqueth Silty Clay Loam and Winchuck Silt Loam; and

19 (C) Subclassification IVw, specifically Huffling Silty Clay Loam.

20 (c) Land that is in an exclusive farm use zone or a mixed farm and forest zone and that on June
21 28, 2007, is:

22 (A) Within the place of use for a permit, certificate or decree for the use of water for irrigation
23 issued by the Water Resources Department;

24 (B) Within the boundaries of a district, as defined in ORS 540.505; or

25 (C) Within the boundaries of a diking district formed under ORS chapter 551.

26 (d) Land that contains not less than five acres planted in wine grapes.

27 (e) Land that is in an exclusive farm use zone and that is at an elevation between 200 and 1,000
28 feet above mean sea level, with an aspect between 67.5 and 292.5 degrees and a slope between zero
29 and 15 percent, and that is located within:

30 (A) The Southern Oregon viticultural area as described in 27 C.F.R. 9.179;

31 (B) The Umpqua Valley viticultural area as described in 27 C.F.R. 9.89; or

32 (C) The Willamette Valley viticultural area as described in 27 C.F.R. 9.90.

33 (f) Land that is in an exclusive farm use zone and that is no more than 3,000 feet above mean
34 sea level, with an aspect between 67.5 and 292.5 degrees and a slope between zero and 15 percent,
35 and that is located within:

36 (A) The portion of the Columbia Gorge viticultural area as described in 27 C.F.R. 9.178 that is
37 within the State of Oregon;

38 (B) The Rogue Valley viticultural area as described in 27 C.F.R. 9.132;

39 (C) The portion of the Columbia Valley viticultural area as described in 27 C.F.R. 9.74 that is
40 within the State of Oregon;

41 (D) The portion of the Walla Walla Valley viticultural area as described in 27 C.F.R. 9.91 that
42 is within the State of Oregon; or

43 (E) The portion of the Snake River Valley viticultural area as described in 27 C.F.R. 9.208 that
44 is within the State of Oregon.

45 (11) "High-value forestland" means land:

1 (a) That is in a forest zone or a mixed farm and forest zone, that is located in western Oregon
2 and composed predominantly of soils capable of producing more than 120 cubic feet per acre per
3 year of wood fiber and that is capable of producing more than 5,000 cubic feet per year of com-
4 mercial tree species; or

5 (b) That is in a forest zone or a mixed farm and forest zone, that is located in eastern Oregon
6 and composed predominantly of soils capable of producing more than 85 cubic feet per acre per year
7 of wood fiber and that is capable of producing more than 4,000 cubic feet per year of commercial
8 tree species.

9 (12) "Home site approval" means approval of the subdivision or partition of property or approval
10 of the establishment of a dwelling on property.

11 (13) "Just compensation" means:

12 (a) Relief under sections 5 to 11, chapter 424, Oregon Laws 2007, sections 2 to 9 and 17, chapter
13 855, Oregon Laws 2009, and sections 2 to 7, chapter 8, Oregon Laws 2010, for land use regulations
14 enacted on or before January 1, 2007; and

15 (b) Relief under ORS 195.310 to 195.314 for land use regulations enacted after January 1, 2007.

16 (14) "Land use regulation" means:

17 (a) A statute that establishes a minimum lot or parcel size;

18 (b) A provision in ORS 227.030 to 227.300, 227.350, 227.400, 227.450 or 227.500 or in ORS chapter
19 215 that restricts the residential use of private real property;

20 (c) A provision of a city comprehensive plan, zoning ordinance or land division ordinance that
21 restricts the residential use of private real property zoned for residential use;

22 (d) A provision of a county comprehensive plan, zoning ordinance or land division ordinance that
23 restricts the residential use of private real property;

24 (e) A provision, enacted or adopted on or after January 1, 2010, of:

25 (A) The Oregon Forest Practices Act;

26 (B) An administrative rule of the State Board of Forestry; or

27 (C) Any other law enacted, or rule adopted, solely for the purpose of regulating a forest prac-
28 tice;

29 (f) ORS 561.191, a provision of ORS 568.900 to 568.933 or an administrative rule of the State
30 Department of Agriculture that implements ORS 561.191 or 568.900 to 568.933;

31 (g) An administrative rule or goal of the Land Conservation and Development Commission; or

32 (h) A provision of a Metro functional plan that restricts the residential use of private real
33 property.

34 (15) "Lawfully established unit of land" has the meaning given that term in ORS 92.010.

35 (16) "Lot" has the meaning given that term in ORS 92.010.

36 (17) "Measure 37 permit" means a final decision by Metro, a city or a county to authorize the
37 development, subdivision or partition or other use of property pursuant to a waiver.

38 (18) "Owner" means:

39 (a) The owner of fee title to the property as shown in the deed records of the county where the
40 property is located;

41 (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force
42 for the property; or

43 (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust,
44 except that when the trust becomes irrevocable only the trustee is the owner.

45 (19) "Parcel" has the meaning given that term in ORS 92.010.

1 (20) "Property" means the private real property described in a claim and contiguous private real
2 property that is owned by the same owner, whether or not the contiguous property is described in
3 another claim, and that is not property owned by the federal government, an Indian tribe or a public
4 body, as defined in ORS 192.311.

5 (21) "Protection of public health and safety" means a law, rule, ordinance, order, policy, permit
6 or other governmental authorization that restricts a use of property in order to reduce the risk or
7 consequence of fire, earthquake, landslide, flood, storm, pollution, disease, crime or other natural
8 or human disaster or threat to persons or property including, but not limited to, building and fire
9 codes, health and sanitation regulations, solid or hazardous waste regulations and pollution control
10 regulations.

11 (22) "Public entity" means the state, Metro, a county or a city.

12 [(23) "*Urban growth boundary*" has the meaning given that term in ORS 195.060.]

13 [(24)] (23) "Waive" or "waiver" means an action or decision of a public entity to modify, remove
14 or not apply one or more land use regulations under ORS 195.305 to 195.336 and sections 5 to 11,
15 chapter 424, Oregon Laws 2007, sections 2 to 9 and 17, chapter 855, Oregon Laws 2009, and sections
16 2 to 7, chapter 8, Oregon Laws 2010, or ORS 195.305, as in effect immediately before December 6,
17 2007, to allow the owner to use property for a use permitted when the owner acquired the property.

18 [(25)] (24) "Zoned for residential use" means zoning that has as its primary purpose single-family
19 residential use.

20 **SECTION 76.** ORS 197.015 is amended to read:

21 197.015. As used in ORS chapters 195, 196 and 197 [*and ORS 197A.300 to 197A.325*], unless the
22 context requires otherwise:

23 (1) "Acknowledgment" means a commission order that certifies that a comprehensive plan and
24 land use regulations, land use regulation or plan or regulation amendment complies with the goals
25 or certifies that Metro land use planning goals and objectives, Metro regional framework plan,
26 amendments to Metro planning goals and objectives or amendments to the Metro regional frame-
27 work plan comply with the goals.

28 (2) "Board" means the Land Use Board of Appeals.

29 (3) "Carport" means a stationary structure consisting of a roof with its supports and not more
30 than one wall, or storage cabinet substituting for a wall, and used for sheltering a motor vehicle.

31 (4) "Commission" means the Land Conservation and Development Commission.

32 (5) "Comprehensive plan" means a generalized, coordinated land use map and policy statement
33 of the governing body of a local government that interrelates all functional and natural systems and
34 activities relating to the use of lands, including but not limited to sewer and water systems, trans-
35 portation systems, educational facilities, recreational facilities, and natural resources and air and
36 water quality management programs. "Comprehensive" means all-inclusive, both in terms of the
37 geographic area covered and functional and natural activities and systems occurring in the area
38 covered by the plan. "General nature" means a summary of policies and proposals in broad catego-
39 ries and does not necessarily indicate specific locations of any area, activity or use. A plan is "co-
40 ordinated" when the needs of all levels of governments, semipublic and private agencies and the
41 citizens of Oregon have been considered and accommodated as much as possible. "Land" includes
42 water, both surface and subsurface, and the air.

43 (6) "Department" means the Department of Land Conservation and Development.

44 (7) "Director" means the Director of the Department of Land Conservation and Development.

45 (8) "Goals" means the mandatory statewide land use planning standards adopted by the com-

1 mission pursuant to ORS chapters 195, 196 and 197.

2 (9) "Guidelines" means suggested approaches designed to aid cities and counties in preparation,
3 adoption and implementation of comprehensive plans in compliance with goals and to aid state
4 agencies and special districts in the preparation, adoption and implementation of plans, programs
5 and regulations in compliance with goals. Guidelines *[shall be advisory and shall]* **are advisory and**
6 **do** not limit state agencies, cities, counties and special districts to a single approach.

7 (10) "Land use decision":

8 (a) Includes:

9 (A) A final decision or determination made by a local government or special district that con-
10 cerns the adoption, amendment or application of:

11 (i) The goals;

12 (ii) A comprehensive plan provision;

13 (iii) A land use regulation; or

14 (iv) A new land use regulation;

15 (B) A final decision or determination of a state agency other than the commission with respect
16 to which the agency is required to apply the goals; or

17 (C) A decision of a county planning commission made under ORS 433.763;

18 (b) Does not include a decision of a local government:

19 (A) That is made under land use standards that do not require interpretation or the exercise
20 of policy or legal judgment;

21 (B) That approves or denies a building permit issued under clear and objective land use stan-
22 dards;

23 (C) That is a limited land use decision;

24 (D) That determines final engineering design, construction, operation, maintenance, repair or
25 preservation of a transportation facility that is otherwise authorized by and consistent with the
26 comprehensive plan and land use regulations;

27 (E) That is an expedited land division as described in ORS 197.360;

28 (F) That approves, pursuant to ORS 480.450 (7), the siting, installation, maintenance or removal
29 of a liquefied petroleum gas container or receptacle regulated exclusively by the State Fire Marshal
30 under ORS 480.410 to 480.460;

31 (G) That approves or denies approval of a final subdivision or partition plat or that determines
32 whether a final subdivision or partition plat substantially conforms to the tentative subdivision or
33 partition plan; or

34 (H) That a proposed state agency action subject to ORS 197.180 (1) is compatible with the ac-
35 knowledged comprehensive plan and land use regulations implementing the plan, if:

36 (i) The local government has already made a land use decision authorizing a use or activity that
37 encompasses the proposed state agency action;

38 (ii) The use or activity that would be authorized, funded or undertaken by the proposed state
39 agency action is allowed without review under the acknowledged comprehensive plan and land use
40 regulations implementing the plan; or

41 (iii) The use or activity that would be authorized, funded or undertaken by the proposed state
42 agency action requires a future land use review under the acknowledged comprehensive plan and
43 land use regulations implementing the plan;

44 (c) Does not include a decision by a school district to close a school;

45 (d) Does not include, except as provided in ORS 215.213 (13)(c) or 215.283 (6)(c), authorization

1 of an outdoor mass gathering as defined in ORS 433.735, or other gathering of fewer than 3,000
2 persons that is not anticipated to continue for more than 120 hours in any three-month period; and

3 (e) Does not include:

4 (A) A writ of mandamus issued by a circuit court in accordance with ORS 215.429 or 227.179;

5 (B) Any local decision or action taken on an application subject to ORS 215.427 or 227.178 after
6 a petition for a writ of mandamus has been filed under ORS 215.429 or 227.179; or

7 (C) A state agency action subject to ORS 197.180 (1), if:

8 (i) The local government with land use jurisdiction over a use or activity that would be au-
9 thorized, funded or undertaken by the state agency as a result of the state agency action has already
10 made a land use decision approving the use or activity; or

11 (ii) A use or activity that would be authorized, funded or undertaken by the state agency as a
12 result of the state agency action is allowed without review under the acknowledged comprehensive
13 plan and land use regulations implementing the plan.

14 (11) "Land use regulation" means any local government zoning ordinance, land division ordi-
15 nance adopted under ORS 92.044 or 92.046 or similar general ordinance establishing standards for
16 implementing a comprehensive plan.

17 (12) "Limited land use decision":

18 (a) Means a final decision or determination made by a local government pertaining to a site
19 within an urban growth boundary that concerns:

20 (A) The approval or denial of a tentative subdivision or partition plan, as described in ORS
21 92.040 (1).

22 (B) The approval or denial of an application based on discretionary standards designed to reg-
23 ulate the physical characteristics of a use permitted outright, including but not limited to site re-
24 view and design review.

25 (b) Does not mean a final decision made by a local government pertaining to a site within an
26 urban growth boundary that concerns approval or denial of a final subdivision or partition plat or
27 that determines whether a final subdivision or partition plat substantially conforms to the tentative
28 subdivision or partition plan.

29 (13) "Local government" means any city, county or [*metropolitan service district formed under*
30 *ORS chapter 268*] **Metro** or an association of local governments performing land use planning func-
31 tions under ORS 195.025.

32 (14) "Metro" means a metropolitan service district organized under ORS chapter 268.

33 (15) "Metro planning goals and objectives" means the land use goals and objectives that [*a*
34 *metropolitan service district*] **Metro** may adopt under ORS 268.380 (1)(a). The goals and objectives
35 do not constitute a comprehensive plan.

36 (16) "Metro regional framework plan" means the regional framework plan required by the 1992
37 Metro Charter or its separate components. Neither the regional framework plan nor its individual
38 components constitute a comprehensive plan.

39 (17) "New land use regulation" means a land use regulation other than an amendment to an
40 acknowledged land use regulation adopted by a local government that already has a comprehensive
41 plan and land regulations acknowledged under ORS 197.251.

42 (18) "Person" means any individual, partnership, corporation, association, governmental subdivi-
43 sion or agency or public or private organization of any kind. The Land Conservation and Devel-
44 opment Commission or its designee is considered a person for purposes of appeal under ORS
45 chapters 195 and 197.

1 (19) "Special district" means any unit of local government, other than a city, county, [*metropol-*
2 *itan service district formed under ORS chapter 268*] **Metro** or an association of local governments
3 performing land use planning functions under ORS 195.025, authorized and regulated by statute and
4 includes but is not limited to water control districts, domestic water associations and water coop-
5 eratives, irrigation districts, port districts, regional air quality control authorities, fire districts,
6 school districts, hospital districts, mass transit districts and sanitary districts.

7 **(20) "Urban growth boundary" means an acknowledged urban growth boundary contained**
8 **in a city or county comprehensive plan or adopted by Metro under ORS 268.390 (3).**

9 [(20)] **(21)** "Urban unincorporated community" means an area designated in a county's ac-
10 knowledged comprehensive plan as an urban unincorporated community after December 5, 1994.

11 [(21)] **(22)** "Voluntary association of local governments" means a regional planning agency in
12 this state officially designated by the Governor pursuant to the federal Office of Management and
13 Budget Circular A-95 as a regional clearinghouse.

14 [(22)] **(23)** "Wetlands" means those areas that are inundated or saturated by surface or ground
15 water at a frequency and duration that are sufficient to support, and that under normal circum-
16 stances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions.

17 **SECTION 77.** ORS 197.298 is amended to read:

18 197.298. (1) In addition to any requirements established by rule addressing urbanization, land
19 may not be included within an urban growth boundary of Metro except under the following priori-
20 ties:

21 (a) First priority is land that is designated urban reserve land under ORS 195.145, rule or [*met-*
22 *ropolitan service district*] **Metro** action plan.

23 (b) If land under paragraph (a) of this subsection is inadequate to accommodate the amount of
24 land needed, second priority is land adjacent to an urban growth boundary that is identified in an
25 acknowledged comprehensive plan as an exception area or nonresource land. Second priority may
26 include resource land that is completely surrounded by exception areas unless such resource land
27 is high-value farmland as described in ORS 215.710.

28 (c) If land under paragraphs (a) and (b) of this subsection is inadequate to accommodate the
29 amount of land needed, third priority is land designated as marginal land pursuant to ORS 197.247
30 (1991 Edition).

31 (d) If land under paragraphs (a) to (c) of this subsection is inadequate to accommodate the
32 amount of land needed, fourth priority is land designated in an acknowledged comprehensive plan
33 for agriculture or forestry, or both.

34 (2) **Under this section**, higher priority [*shall*] **must** be given to land of lower capability as
35 measured by the capability classification system or by cubic foot site class, whichever is appropriate
36 for the current use.

37 (3) Land of lower priority under [*subsection (1) of*] this section may be included in an urban
38 growth boundary if land of higher priority is found to be inadequate to accommodate the amount
39 of land estimated in subsection (1) of this section for one or more of the following reasons:

40 (a) Specific types of identified land needs cannot be reasonably accommodated on higher priority
41 lands;

42 (b) Future urban services could not reasonably be provided to the higher priority lands due to
43 topographical or other physical constraints; or

44 (c) Maximum efficiency of land uses within a proposed urban growth boundary requires inclusion
45 of lower priority lands in order to include or to provide services to higher priority lands.

1 [(4) When a city includes land within the urban growth boundary of the city pursuant to ORS
2 197.286 to 197.314, the city shall prioritize lands for inclusion as provided in ORS 197A.320.]

3 **SECTION 78.** ORS 197.299 is amended to read:

4 197.299. (1) [A metropolitan service district organized under ORS chapter 268] **Metro** shall com-
5 plete the inventory, determination and analysis required under ORS 197.296 (3) not later than six
6 years after completion of the previous inventory, determination and analysis.

7 (2)(a) [The metropolitan service district] **Metro** shall take such action as necessary under ORS
8 197.296 (6)(a) to accommodate one-half of a 20-year buildable land supply determined under ORS
9 197.296 (3) within one year of completing the analysis.

10 (b) [The metropolitan service district] **Metro** shall take all final action under ORS 197.296 (6)(a)
11 necessary to accommodate a 20-year buildable land supply determined under ORS 197.296 (3) within
12 two years of completing the analysis.

13 (c) The metropolitan service district shall take action under ORS 197.296 (6)(b), within one year
14 after the analysis required under ORS 197.296 (3)(b) is completed, to provide sufficient buildable land
15 within the urban growth boundary to accommodate the estimated housing needs for 20 years from
16 the time the actions are completed.

17 (d) The metropolitan service district shall consider and adopt new measures that the governing
18 body deems appropriate under ORS 197.296 (6)(b).

19 (3) The commission may grant an extension to the time limits of subsection (2) of this section
20 if the Director of the Department of Land Conservation and Development determines that the met-
21 ropolitan service district has provided good cause for failing to meet the time limits.

22 (4)(a) [The metropolitan service district] **Metro** shall establish a process to expand the urban
23 growth boundary to accommodate a need for land for a public school that cannot reasonably be
24 accommodated within the existing urban growth boundary. [The metropolitan service district] **Metro**
25 shall design the process to:

26 (A) Accommodate a need that must be accommodated between periodic analyses of urban growth
27 boundary capacity required by subsection (1) of this section; and

28 (B) Provide for a final decision on a proposal to expand the urban growth boundary within four
29 months after submission of a complete application by a large school district as defined in ORS
30 195.110.

31 (b) At the request of a large school district, [the metropolitan service district] **Metro** shall assist
32 the [large school] district to identify school sites required by the school facility planning process
33 described in ORS 195.110. A need for a public school is a specific type of identified land need under
34 ORS 197.298 (3).

35 (5) **At least** three years after completing its most recent demonstration of sufficient buildable
36 lands under ORS 197.296, [a metropolitan service district] **Metro** may, on a single occasion, revise the
37 determination and analysis required as part of the demonstration for the purpose of considering an
38 amendment to the [metropolitan service district's] **Metro's** urban growth boundary, provided:

39 [(a) The metropolitan service district has entered into an intergovernmental agreement and has
40 designated rural reserves and urban reserves under ORS 195.141 and 195.145 with each county located
41 within the district;]

42 [(b) The commission has acknowledged the rural reserve and urban reserve designations described
43 in paragraph (a) of this subsection;]

44 [(c)] (a) One or more cities within [the metropolitan service district] **Metro** have proposed a de-
45 velopment that would require expansion of the urban growth boundary;

1 [(d)] (b) The city or cities proposing the development have provided evidence to [the metropolitan
2 service district] **Metro** that the proposed development would provide additional needed housing to
3 the needed housing included in the most recent determination and analysis;

4 [(e)] (c) The location chosen for the proposed development is adjacent to the city proposing the
5 development; and

6 [(f)] (d) The location chosen for the proposed development is located within an area designated
7 and acknowledged as an urban reserve.

8 (6)(a) If [a metropolitan service district] **Metro**, after revising its most recent determination and
9 analysis pursuant to subsection (5) of this section, concludes that an expansion of its urban growth
10 boundary is warranted, [the metropolitan service district] **Metro** may take action to expand its urban
11 growth boundary in one or more locations to accommodate the proposed development, provided the
12 urban growth boundary expansion does not exceed a total of 1,000 acres.

13 (b) [A metropolitan service district that] **If Metro** expands its urban growth boundary under this
14 subsection, **Metro**:

15 (A) Must adopt the urban growth boundary expansion not more than four years after completing
16 its most recent demonstration of sufficient buildable lands under ORS 197.296; and

17 (B) Is exempt from the boundary location requirements described in the statewide land use
18 planning goals relating to urbanization.

19 **SECTION 79.** ORS 197.302 is amended to read:

20 197.302. (1) After gathering and compiling information on the performance measures as described
21 in ORS 197.301 but prior to submitting the information to the Department of Land Conservation and
22 Development, [a metropolitan service district] **Metro** shall determine if actions taken under ORS
23 197.296 (6) have established the buildable land supply and housing densities necessary to accommo-
24 date estimated housing needs determined under ORS 197.296 (3). If [the metropolitan service district]
25 **Metro** determines that the actions undertaken will not accommodate estimated need, [the district]
26 **Metro** shall develop a corrective action plan, including a schedule for implementation. [The
27 district] **Metro** shall submit the plan to the department along with the report on performance
28 measures required under ORS 197.301. Corrective action under this section may include amendment
29 of the urban growth boundary, [comprehensive plan,] regional framework plan, functional plan or
30 land use regulations as described in ORS 197.296 (6)(b).

31 (2) Within two years of submitting a corrective action plan to the department, [the metropolitan
32 service district] **Metro** shall demonstrate by reference to the performance measures described in ORS
33 197.301 that implementation of the plan has resulted in the buildable land supply and housing den-
34 sity within the urban growth boundary necessary to accommodate the estimated housing needs for
35 each housing type as determined under ORS 197.296 (3).

36 (3) The failure of [the metropolitan service district] **Metro** to demonstrate the buildable land
37 supply and housing density necessary to accommodate housing needs as required under this section
38 and ORS 197.296 may be the basis for initiation of enforcement action pursuant to ORS 197.319 to
39 197.335.

40 **SECTION 80.** ORS 197.304 is amended to read:

41 197.304. (1) Notwithstanding an intergovernmental agreement pursuant to ORS 190.003 to
42 190.130 or acknowledged comprehensive plan provisions to the contrary, a city within Lane County
43 [that has a population of 50,000 or more within its boundaries] **with a population of 50,000 or**
44 **greater** shall meet its obligation under ORS 197.286 to 197.314 separately from any other city within
45 Lane County. The city shall, separately from any other city:

1 (a) Establish an urban growth boundary, consistent with the jurisdictional area of responsibility
2 specified in the acknowledged comprehensive plan; and

3 (b) Demonstrate, as required by [ORS 197.296] **section 22 of this 2023 Act**, that its compre-
4 hensive plan provides sufficient buildable lands within an urban growth boundary [*established pur-*
5 *suant to statewide planning goals to accommodate estimated housing needs for 20 years*] **to**
6 **accommodate needed housing.**

7 (2) Except as provided in subsection (1) of this section, this section does not alter or affect an
8 intergovernmental agreement pursuant to ORS 190.003 to 190.130 or acknowledged comprehensive
9 plan provisions adopted by Lane County or local governments in Lane County.

10 **SECTION 81.** ORS 197.307, as amended by section 14, chapter 401, Oregon Laws 2019, and
11 section 2, chapter 54, Oregon Laws 2022, is amended to read:

12 197.307. (1) The availability of affordable, decent, safe and sanitary housing opportunities for
13 persons of lower, middle and fixed income, including **agriculture workforce** housing [*for*
14 *farmworkers*], is a matter of statewide concern.

15 (2) Many persons of lower, middle and fixed income depend on government assisted housing as
16 a source of affordable, decent, safe and sanitary housing.

17 (3) [*When a need has been shown for housing within an urban growth boundary at particular price*
18 *ranges and rent levels, needed housing shall be permitted*] **A local government shall permit needed**
19 **housing** in one or more zoning districts or in zones described by some comprehensive plans as
20 overlay zones with sufficient buildable land to satisfy that need.

21 (4) Except as provided in subsection (6) of this section, a local government may adopt and apply
22 only clear and objective standards, conditions and procedures regulating the development of hous-
23 ing, including needed housing. The standards, conditions and procedures:

24 (a) May include, but are not limited to, one or more provisions regulating the density or height
25 of a development.

26 (b) May not have the effect, either in themselves or cumulatively, of discouraging needed hous-
27 ing through unreasonable cost or delay.

28 (5) The provisions of subsection (4) of this section do not apply to:

29 (a) An application or permit for residential development in an area identified in a formally
30 adopted central city plan, or a regional center as defined by Metro, in a city with a population of
31 500,000 or [*more*] **greater.**

32 (b) An application or permit for residential development in historic areas designated for pro-
33 tection under a land use planning goal protecting historic areas.

34 (6) In addition to an approval process for needed housing based on clear and objective standards,
35 conditions and procedures as provided in subsection (4) of this section, a local government may
36 adopt and apply an alternative approval process for applications and permits for residential devel-
37 opment based on approval criteria regulating, in whole or in part, appearance or aesthetics that are
38 not clear and objective if:

39 (a) The applicant retains the option of proceeding under the approval process that meets the
40 requirements of subsection (4) of this section;

41 (b) The approval criteria for the alternative approval process comply with applicable statewide
42 land use planning goals and rules; and

43 (c) The approval criteria for the alternative approval process authorize a density at or above
44 the density level authorized in the zone under the approval process provided in subsection (4) of this
45 section.

1 (7) Subject to subsection (4) of this section, this section does not infringe on a local
2 government's prerogative to:

- 3 (a) Set approval standards under which a particular housing type is permitted outright;
- 4 (b) Impose special conditions upon approval of a specific development proposal; or
- 5 (c) Establish approval procedures.

6 **SECTION 82.** ORS 197.313 is amended to read:

7 197.313. [*Nothing in ORS 197.312 or in the amendments to ORS 197.286, 197.303, 197.307 by*
8 *sections 1, 2 and 3, chapter 795, Oregon Laws 1983, shall be construed to*] **ORS 197.286 to 197.314**
9 **do not** require a city or county to contribute to the financing, administration or sponsorship of
10 government assisted housing.

11 **SECTION 83.** **ORS 197.314 is added to and made a part of ORS 197.475 to 197.490.**

12 **SECTION 84.** ORS 197.480 is amended to read:

13 197.480. (1) Each city and county governing body shall provide[, *in accordance with urban growth*
14 *management agreements,*] for mobile home or manufactured dwelling parks as an allowed use[, *by*
15 *July 1, 1990, or by the next periodic review after January 1, 1988, whichever comes first*]:

16 (a) By zoning ordinance and by comprehensive plan designation on buildable lands within urban
17 growth boundaries; and

18 (b) In areas planned and zoned for a residential density of six to 12 units per acre sufficient to
19 accommodate the need established pursuant to subsections (2) and (3) of this section.

20 (2) A city or county shall establish a projection of need for mobile home or manufactured
21 dwelling parks based on:

- 22 (a) Population projections;
- 23 (b) Household income levels;
- 24 (c) Housing market trends of the region; and

25 (d) An inventory of mobile home or manufactured dwelling parks sited in areas planned and
26 zoned or generally used for commercial, industrial or high density residential development.

27 (3) The inventory required by subsection (2)(d) and subsection (4) of this section shall establish
28 the need for areas to be planned and zoned to accommodate the potential displacement of the in-
29 ventoried mobile home or manufactured dwelling parks.

30 (4) Notwithstanding the provisions of subsection (1) of this section, a city or county within [*a*
31 *metropolitan service district, established pursuant to ORS chapter 268*] **Metro**, shall inventory the
32 mobile home or manufactured dwelling parks sited in areas planned and zoned or generally used for
33 commercial, industrial or high density residential development [*no later than two years from Sep-*
34 *tember 27, 1987*].

35 (5)(a) A city or county may establish clear and objective criteria and standards for the place-
36 ment and design of mobile home or manufactured dwelling parks.

37 (b) If a city or county requires a hearing before approval of a mobile home or manufactured
38 dwelling park, application of the criteria and standards adopted pursuant to paragraph (a) of this
39 subsection shall be the sole issue to be determined at the hearing.

40 (c) No criteria or standards established under paragraph (a) of this subsection [*shall*] **may** be
41 adopted which would preclude the development of mobile home or manufactured dwelling parks
42 within the intent of ORS [*197.286 and*] 197.475 to 197.490.

43 **SECTION 85.** ORS 197.522 is amended to read:

44 197.522. (1) As used in this section:

- 45 (a) "Needed housing" has the meaning given that term in ORS [*197.303*] **197.286**.

1 (b) "Partition" has the meaning given that term in ORS 92.010.

2 (c) "Permit" means a permit as defined in ORS 215.402 and a permit as defined in ORS 227.160.

3 (d) "Subdivision" has the meaning given that term in ORS 92.010.

4 (2) A local government shall approve an application for a permit, authorization or other ap-
5 proval necessary for the subdivision or partitioning of, or construction on, any land for needed
6 housing that is consistent with the comprehensive plan and applicable land use regulations.

7 (3) If an application is inconsistent with the comprehensive plan and applicable land use regu-
8 lations, the local government, prior to making a final decision on the application, shall allow the
9 applicant to offer an amendment or to propose conditions of approval that would make the applica-
10 tion consistent with the plan and applicable regulations. If an applicant seeks to amend the appli-
11 cation or propose conditions of approval:

12 (a) A county may extend the time limitation under ORS 215.427 for final action by the governing
13 body of a county on an application for needed housing and may set forth a new time limitation for
14 final action on the consideration of future amendments or proposals.

15 (b) A city may extend the time limitation under ORS 227.178 for final action by the governing
16 body of a city on an application for needed housing and may set forth a new time limitation for final
17 action on the consideration of future amendments or proposals.

18 (4) A local government shall deny an application that is inconsistent with the comprehensive
19 plan and applicable land use regulations and that cannot be made consistent through amendments
20 to the application or the imposition of reasonable conditions of approval.

21 **SECTION 86. ORS 197.637 and 197.764 are added to and made a part of ORS 197.286 to**
22 **197.314.**

23 **SECTION 87.** ORS 197.637 is amended to read:

24 197.637. (1) Upon request of the Department of Land Conservation and Development, the Hous-
25 ing and Community Services Department shall review the inventory and analysis of housing, and
26 measures taken to address the housing need, required of certain local governments under ORS
27 197.296 **or 197.297 or section 21 or 22 of this 2023 Act.** The review shall address the likely effect
28 of measures **and housing production strategies** developed by a local government [*under ORS*
29 *197.296 (6) or (7)*] on the adequacy of the supply of buildable land and [*opportunities to satisfy needs*
30 *identified under ORS 197.296 (3)*] **measures to address needed housing.**

31 (2) The Land Conservation and Development Commission and the Director of the Department
32 of Land Conservation and Development shall consider the review and any recommendations of the
33 Housing and Community Services Department when determining whether a local government has
34 complied with the statewide land use planning goals and the requirements of ORS 197.296 **or 197.297**
35 **or section 21 or 22 of this 2023 Act.**

36 **SECTION 88.** ORS 197.764 is amended to read:

37 197.764. (1) A local government may **make a land use decision to** approve an application to
38 remove a lot or parcel from within an urban growth boundary if:

39 (a) The application is submitted by the owner of the lot or parcel;

40 (b)(A) The lot or parcel is adjacent to the edge of the urban growth boundary; or

41 (B) The lot or parcel is adjacent to another lot or parcel that is removed under this section;

42 (c) The lot or parcel is assessed under ORS 308A.050 to 308A.128 for its value for farm use;

43 (d) The lot or parcel is not within the boundaries of a city; and

44 (e) The lot or parcel is not included in an area identified for urban services under ORS 197.754.

45 (2) A local government, in deciding whether to approve an application under subsection (1) of

1 this section, shall consider:

2 (a) The projected costs and other consequences of extending urban services to the affected lot
3 or parcel;

4 (b) The potential value in the investment of providing urban services to the affected lot or par-
5 cel;

6 (c) Any requirement for expanding the urban growth boundary in other areas to compensate for
7 any loss in buildable lands; and

8 (d) The projected costs and other consequences of providing urban services to other areas
9 brought in under an expanded urban growth boundary.

10 (3)(a) Land that is removed from within an urban growth boundary pursuant to an application
11 approved under this section shall be removed from any inventory of buildable lands maintained by
12 the local government.

13 (b) A local government that approves an application under this section shall either expand the
14 urban growth boundary to compensate for any resulting reduction in available buildable lands or
15 increase the development capacity of the remaining supply of buildable lands **consistent with ORS**
16 **197.296 (6) or 197A.300 to 197A.325 or section 21 or 22 of this 2023 Act.**

17 **SECTION 89. ORS 197.766 is repealed.**

18 **SECTION 90.** ORS 197.831 is amended to read:

19 197.831. In a proceeding before the Land Use Board of Appeals or an appellate court that in-
20 volves an ordinance required to contain clear and objective approval standards, conditions and
21 procedures for *[needed]* housing, **including under ORS 197.307**, the local government imposing the
22 provisions of the ordinance shall demonstrate that the approval standards, conditions and proce-
23 dures are capable of being imposed only in a clear and objective manner.

24 **SECTION 91. ORS 197A.300 to 197A.325 are added to and made a part of ORS 197.286 to**
25 **197.314.**

26 **SECTION 92.** ORS 197A.300 is amended to read:

27 197A.300. As used in ORS 197A.300 to 197A.325[:],

28 *[(1) "Buildable lands" means land in urban or urbanizable areas that are suitable for urban*
29 *uses.]*

30 *[(2)] "serviceable" means, with respect to land, that:*

31 *[(a)] (1) Adequate sewer, water and transportation capacity for planned urban development is*
32 *available or can be either provided or made subject to committed financing; or*

33 *[(b)] (2) Committed financing can be in place to provide adequate sewer, water and transporta-*
34 *tion capacity for planned urban development.*

35 **SECTION 93.** ORS 197A.310 is amended to read:

36 197A.310. (1) *[In addition to and not in lieu of]* **As an alternative to** the method prescribed in
37 *[ORS 197.286 to 197.314 and the statewide land use planning goals]* **section 22 (5)(a) of this 2023**
38 **Act**, the Land Conservation and Development Commission shall adopt a method by which a city
39 outside Metro that has a population of less than 10,000 may evaluate or amend its urban growth
40 boundary.

41 (2) The commission shall design the method so that:

42 (a) A city using the method:

43 (A) Will have within its boundaries sufficient buildable lands and other development capacity,
44 including land and capacity for needed housing and employment opportunities, to meet the growth
45 in population and employment forecast to occur over a 14-year period.

1 (B) Will not become less efficient in its use of land as a result of a change to the urban growth
2 boundary.

3 (b) The urban population per square mile will continue, subject to market conditions, to increase
4 over time on a statewide basis and in major regions of the state, including that portion of the
5 Willamette Valley outside of Metro.

6 (c) The rate of conversion of agricultural and forest lands to urban uses does not increase over
7 time in any major region of the state.

8 (3) Under the method adopted by the commission:

9 (a) A city's determination of the amount of buildable lands [*needed for*] **sufficient for needed**
10 housing, employment and other urban uses must be based on the population and employment growth
11 forecast to occur over a 14-year period.

12 (b) A city's determination of the supply and development capacity of lands within its urban
13 growth boundary must be based on:

14 (A) A simple inventory of vacant and partially vacant buildable lands within the urban growth
15 boundary;

16 (B) The comprehensive plan designation and the zoning of the portion of the buildable lands that
17 is urban; and

18 (C) Simple factors established by the commission for forecasting:

19 (i) The development and redevelopment capacity of urbanizable lands within the urban growth
20 boundary; and

21 (ii) The redevelopment capacity of developed urban lands within the urban growth boundary.

22 (c) A city's determination of the supply and development capacity of lands the city proposes to
23 include within the urban growth boundary must be based on:

24 (A) A simple inventory of vacant and partially vacant lands; and

25 (B) Simple factors established by the commission for forecasting the development and redevelop-
26 opment capacity of the lands.

27 (d) A city shall demonstrate that lands included within the urban growth boundary:

28 (A) Include sufficient serviceable land for at least a seven-year period.

29 (B) Can all be serviceable over a 14-year period.

30 (e) Lands included within the urban growth boundary:

31 (A) Must be planned and zoned for categories of land uses in amounts that are roughly propor-
32 tional to the land need determined for each category of use;

33 (B) Must be planned and zoned for an intensity of use that is generally consistent with the es-
34 timates that were used to determine the amount of land needed;

35 (C) Must be planned and zoned to meet the requirements for needed housing, and those re-
36 quirements must be specified by rule of the commission in a manner that is as objective as practi-
37 cable; and

38 (D) May be either:

39 (i) Planned and zoned, or otherwise conditioned, to avoid significantly affecting a state highway,
40 a state highway interchange or a freight route designated in the Oregon Highway Plan; or

41 (ii) Allowed to significantly affect a state highway, a state highway interchange or a freight
42 route designated in the Oregon Highway Plan subject to mitigation, consistent with rules of the
43 commission, if the lands are planned and zoned for compact urban development or industrial uses.

44 (4) For purposes of subsection (3)(a) of this section, population growth must be forecast as pro-
45 vided in ORS 195.033. Employment growth must be forecast based on the population growth forecast

1 for the city or the employment growth forecast issued by the Employment Department for the county
2 or region. The commission shall establish factors, by rule, for converting the forecasted population
3 and employment growth into forecasts of land need for housing, employment and other categories
4 of uses. The factors must:

5 (a) Be based on an empirical evaluation of the relation between population and employment
6 growth and the rate and trends of land utilization in the recent past in the applicable major region
7 of the state;

8 (b) Reflect consideration by the commission of any significant changes occurring or expected to
9 occur in the markets for urban land uses in that major region of the state;

10 (c) Be designed to encourage an increase in the land use efficiency of a city, subject to market
11 conditions; and

12 (d) Provide a range of policy choices for a city about the form of its future growth.

13 (5) For purposes of subsection (3)(b) of this section, the commission shall establish factors for
14 supply and development capacity that are:

15 (a) Based on an empirical evaluation of the population and employment growth that has oc-
16 curred on similarly situated lands through development and redevelopment;

17 (b) Based on consideration by the commission of any significant changes occurring or expected
18 to occur in the markets for urban land uses in that major region of the state;

19 (c) Designed to encourage an increase in the land use efficiency of the city, subject to market
20 conditions; and

21 (d) Designed to provide a range of policy choices for a city about the form of its future growth.

22 (6) For purposes of subsection (3)(c) of this section, the commission shall establish factors that
23 are:

24 (a) Based on an empirical evaluation of the population and employment growth that has oc-
25 curred on similarly situated lands through development and redevelopment;

26 (b) Based on consideration by the commission of any significant changes occurring or expected
27 to occur in the markets for urban land uses in each major region of the state;

28 (c) Designed to encourage an increase in the land use efficiency of the city, subject to market
29 conditions; and

30 (d) Designed to provide a range of policy choices for a city about the form of its future growth.

31 (7) For lands that are included within an urban growth boundary pursuant to this section and
32 not made serviceable within 20 years after the date of their inclusion, the commission may provide
33 by rule that:

34 (a) The lands must be removed from within the urban growth boundary the next time the city
35 evaluates the urban growth boundary; or

36 (b) The planned development capacity of the lands must be reduced if there are significant in-
37 creases in the cost of making the lands serviceable.

38 (8) When lands included within the urban growth boundary pursuant to this section are planned
39 and zoned for industrial or residential uses, the lands must remain planned and zoned for the use
40 unless a rule of the commission allows a change in planning and zoning based on a significant
41 change in circumstance.

42 **SECTION 94.** ORS 197A.305 is amended to read:

43 197A.305. (1) *[In addition to and not in lieu of]* **As an alternative to** the method prescribed in
44 *[ORS 197.286 to 197.314 and the statewide land use planning goals]* **section 22 (5)(a) of this 2023**
45 **Act**, the Land Conservation and Development Commission shall adopt by rule methods by which a

1 city that is outside Metro may evaluate or amend the urban growth boundary of the city.

2 (2) A city outside Metro may use the methods adopted pursuant to:

3 (a) ORS 197A.310 if the city has a population of less than 10,000.

4 (b) ORS 197A.312 if the city has a population of 10,000 or *[more]* **greater**.

5 (3) A city that elects to include land within the urban growth boundary of the city under a
6 method established pursuant to ORS 197A.310 or 197A.312:

7 (a) May use the method again when:

8 (A) The population of the city has grown by at least 50 percent of the amount of growth forecast
9 to occur in conjunction with the previous use of the method by the city; or

10 (B) At least one-half of the lands identified as buildable lands during the previous use of the
11 method by the city have been developed.

12 (b) Shall evaluate whether the city needs to include within the urban growth boundary addi-
13 tional land for residential or employment uses before the population of the city has grown by 100
14 percent of the population growth forecast to occur in conjunction with the previous use of the
15 method by the city.

16 (4) A city that elects to use a method established pursuant to ORS 197A.310 or 197A.312 shall
17 notify the Department of Land Conservation and Development of the election in the manner required
18 by ORS 197.610 for notice of a post-acknowledgment plan amendment. The city may revoke the
19 election until the city makes a final decision whether to amend the urban growth boundary of the
20 city. A city that has initiated, but not completed, an amendment of its urban growth boundary before
21 January 1, 2014, may withdraw the proposed amendment and use a method established pursuant to
22 ORS 197A.310 or 197A.312 by filing notice of the election with the department in the manner re-
23 quired by ORS 197.610 and 197.615 for notice of a post-acknowledgment plan amendment.

24 (5) Beginning on or before January 1, 2023, the commission shall:

25 (a) Evaluate, every five years, the impact of the implementation of ORS 197A.310 (2) and
26 197A.312 (2) on the population per square mile, livability in the area, the provision and cost of urban
27 facilities and services, the rate of conversion of agriculture and forest lands and other consider-
28 ations;

29 (b) Consider changes to the statewide land use planning goals or rules to address adverse out-
30 comes; and

31 (c) Make recommendations to the Legislative Assembly, as necessary, for statutory changes.

32 **SECTION 95.** ORS 197A.312 is amended to read:

33 197A.312. (1) *[In addition to and not in lieu of]* **As an alternative to** the method prescribed in
34 *[ORS 197.286 to 197.314 and the statewide land use planning goals]* **section 22 (5)(a) of this 2023**
35 **Act**, the Land Conservation and Development Commission shall adopt a method by which a city
36 outside Metro that has a population of 10,000 or *[more]* **greater** may evaluate or amend its urban
37 growth boundary.

38 (2) The commission shall design the method so that:

39 (a) A city using the method:

40 (A) Will have within its boundaries sufficient buildable lands and other development capacity,
41 including land and capacity for needed housing and employment opportunities, to meet the growth
42 in population and employment forecast to occur over a 14-year period.

43 (B) Will not become less efficient in its use of land as a result of a change to the urban growth
44 boundary.

45 (b) The urban population per square mile will continue to increase over time on a statewide

1 basis and in major regions of the state, including that portion of the Willamette Valley outside of
2 Metro.

3 (c) The rate of conversion of agricultural and forest lands to urban uses does not increase over
4 time in any major region of the state.

5 (3) Under the method adopted by the commission:

6 (a) A city's determination of the amount of buildable lands [*needed for*] **sufficient for needed**
7 housing, employment and other urban uses must be based on the population and employment growth
8 forecast to occur over a 14-year period.

9 (b) A city's determination of the supply and development capacity of lands within its urban
10 growth boundary must be based on:

11 (A) An inventory of vacant and partially vacant buildable lands within the urban growth
12 boundary;

13 (B) The comprehensive plan designation and the zoning of the portion of the buildable lands that
14 is urban; and

15 (C) Factors established by the commission for forecasting:

16 (i) The development and redevelopment capacity of urbanizable lands within the urban growth
17 boundary; and

18 (ii) The redevelopment capacity of developed urban lands within the urban growth boundary.

19 (c) A city's determination of the supply and development capacity of lands the city proposes to
20 include within the urban growth boundary must be based on:

21 (A) An inventory of vacant and partially vacant lands; and

22 (B) Factors established by the commission for forecasting the development and redevelopment
23 capacity of the lands.

24 (d) A city shall consider a range or combination of measures identified by rule of the commission
25 to accommodate future need for land within the urban growth boundary and implement at least one
26 measure or satisfy an alternate performance standard established by the commission. The commis-
27 sion shall design the alternate performance standard so that the standard is satisfied when the city:

28 (A) Has a development code that contains specified provisions designed to encourage the de-
29 velopment of needed housing; and

30 (B) Demonstrates that, during the preceding planning period, the city:

31 (i) If located in the Willamette Valley, exceeded the median rate of redevelopment and infill for
32 cities with a population of 10,000 or [*more*] **greater** in the Willamette Valley that are outside of the
33 boundaries of Metro by an amount set by commission rule; and

34 (ii) If located outside of the Willamette Valley, exceeded the median rate of redevelopment and
35 infill for cities with a population of 10,000 or [*more*] **greater** that are outside the Willamette Valley
36 by an amount set by commission rule.

37 (e) A city shall demonstrate that lands included within the urban growth boundary:

38 (A) Include sufficient serviceable land for at least a seven-year period.

39 (B) Can all be serviceable over a 14-year period.

40 (f) Lands included within the urban growth boundary:

41 (A) Must be planned and zoned for categories of land uses in amounts that are roughly propor-
42 tional to the land need determined for each category of use;

43 (B) Must be planned and zoned for an intensity of use that is generally consistent with the es-
44 timates that were used to determine the amount of land needed;

45 (C) Must be planned and zoned to meet the requirements for needed housing, and those re-

1 requirements must be specified by rule of the commission in a manner that is as objective as practi-
2 cable; and

3 (D) May be either:

4 (i) Planned and zoned, or otherwise conditioned, to avoid significantly affecting a state highway,
5 a state highway interchange or a freight route designated in the Oregon Highway Plan; or

6 (ii) Allowed to significantly affect a state highway, a state highway interchange or a freight
7 route designated in the Oregon Highway Plan subject to mitigation, consistent with rules of the
8 commission, if the lands are planned and zoned for compact urban development or industrial uses.

9 (4) For purposes of subsection (3)(a) of this section, population growth must be forecast as pro-
10 vided in ORS 195.033. Employment growth must be forecast based on the population growth forecast
11 for the city or the employment growth forecast issued by the Employment Department for the county
12 or region. The commission shall establish factors, by rule, for converting the forecasted population
13 and employment growth into forecasts of land need for housing, employment and other categories
14 of uses. The factors must:

15 (a) Be based on an empirical evaluation of the relation between population and employment
16 growth and the rate and trends of land utilization in the recent past in the applicable major region
17 of the state;

18 (b) Reflect consideration by the commission of any significant changes occurring or expected to
19 occur in the markets for urban land uses in that major region of the state;

20 (c) Be designed to encourage an increase in the land use efficiency of a city, subject to market
21 conditions; and

22 (d) Provide a range of policy choices for a city about the form of its future growth.

23 (5) For purposes of subsection (3)(b) of this section, the commission shall establish factors for
24 supply and development capacity that are:

25 (a) Based on an empirical evaluation of the population and employment growth that has oc-
26 curred on similarly situated lands through development and redevelopment;

27 (b) Based on consideration by the commission of any significant changes occurring or expected
28 to occur in the markets for urban land uses in that major region of the state;

29 (c) Designed to encourage an increase in the land use efficiency of the city, subject to market
30 conditions; and

31 (d) Designed to provide a range of policy choices for a city about the form of its future growth.

32 (6) For purposes of subsection (3)(c) of this section, the commission shall establish factors that
33 are:

34 (a) Based on an empirical evaluation of the population and employment growth that has oc-
35 curred on similarly situated lands through development and redevelopment;

36 (b) Based on consideration by the commission of any significant changes occurring or expected
37 to occur in the markets for urban land uses in each major region of the state;

38 (c) Designed to encourage an increase in the land use efficiency of the city, subject to market
39 conditions; and

40 (d) Designed to provide a range of policy choices for a city about the form of its future growth.

41 (7) For lands that are included within an urban growth boundary pursuant to this section and
42 not made serviceable within 20 years after the date of their inclusion, the commission may provide
43 by rule that:

44 (a) The lands must be removed from within the urban growth boundary the next time the city
45 evaluates the urban growth boundary; or

1 (b) The planned development capacity of the lands must be reduced if there are significant in-
2 creases in the cost of making the lands serviceable.

3 (8) When lands included within the urban growth boundary pursuant to this section are planned
4 and zoned for industrial or residential uses, the lands must remain planned and zoned for the use
5 unless a rule of the commission allows a change in planning and zoning based on a significant
6 change in circumstance.

7 **SECTION 96. ORS 197A.405, 197A.407, 197A.409, 197A.411 and 197A.413 are repealed.**

8 **SECTION 97. Any moneys remaining in the City Economic Development Pilot Program
9 Fund on the effective date of this 2023 Act that are unexpended, unobligated and not subject
10 to any conditions shall revert to the General Fund.**

11 **SECTION 98.** ORS 215.457 is amended to read:

12 215.457. A person may establish a youth camp:

13 (1) On land zoned for forest use or mixed farm and forest use, consistent with rules adopted by
14 the Land Conservation and Development Commission.

15 (2) On land in eastern Oregon, as defined in ORS 321.805, that is zoned for exclusive farm use
16 and is composed predominantly of class VI, VII or VIII soils, consistent with rules adopted by the
17 Land Conservation and Development Commission. However, a person may not establish a youth
18 camp authorized under this subsection within an irrigation district or within three miles of an urban
19 growth boundary as defined in ORS [197.286] **197.015**. A youth camp may be authorized under this
20 subsection only on a lawfully established unit of land as defined in ORS 92.010 of at least 1,000
21 acres.

22 **SECTION 99.** ORS 215.501 is amended to read:

23 215.501. (1) As used in this section:

24 (a) "Accessory dwelling unit" means a residential structure that is used in connection with or
25 that is auxiliary to a single-family dwelling.

26 (b) "Area zoned for rural residential use" means land that is not located inside an urban growth
27 boundary as defined in ORS [195.060] **197.015** and that is subject to an acknowledged exception to
28 a statewide land use planning goal relating to farmland or forestland and planned and zoned by the
29 county to allow residential use as a primary use.

30 (c) "Historic home" means a single-family dwelling constructed between 1850 and 1945.

31 (d) "New" means that the dwelling being constructed did not previously exist in residential or
32 nonresidential form. "New" does not include the acquisition, alteration, renovation or remodeling
33 of an existing structure.

34 (e) "Single-family dwelling" means a residential structure designed as a residence for one family
35 and sharing no common wall with another residence of any type.

36 (2) Notwithstanding any local zoning or local regulation or ordinance pertaining to the siting
37 of accessory dwelling units in areas zoned for rural residential use, a county may allow an owner
38 of a lot or parcel within an area zoned for rural residential use to construct a new single-family
39 dwelling on the lot or parcel, provided:

40 (a) The lot or parcel is not located in an area designated as an urban reserve as defined in ORS
41 195.137;

42 (b) The lot or parcel is at least two acres in size;

43 (c) A historic home is sited on the lot or parcel;

44 (d) The owner converts the historic home to an accessory dwelling unit upon completion of the
45 new single-family dwelling; and

1 (e) The accessory dwelling unit complies with all applicable laws and regulations relating to
2 sanitation and wastewater disposal and treatment.

3 (3) An owner that constructs a new single-family dwelling under subsection (2) of this section
4 may not:

5 (a) Subdivide, partition or otherwise divide the lot or parcel so that the new single-family
6 dwelling is situated on a different lot or parcel from the accessory dwelling unit.

7 (b) Alter, renovate or remodel the accessory dwelling unit so that the square footage of the
8 accessory dwelling unit is more than 120 percent of the historic home's square footage at the time
9 construction of the new single-family dwelling commenced.

10 (c) Rebuild the accessory dwelling unit if the structure is lost to fire.

11 (d) Construct an additional accessory dwelling unit on the same lot or parcel.

12 (4) A county may require that a new single-family dwelling constructed under this section be
13 served by the same water supply source as the accessory dwelling unit.

14 (5) A county may impose additional conditions of approval for construction of a new single-
15 family dwelling or conversion of a historic home to an accessory dwelling unit under this section.

16 **SECTION 100.** ORS 270.005 is amended to read:

17 270.005. For purposes of ORS 184.634, 270.005 to 270.015, 270.100 to 270.190, 273.416, 273.426 to
18 273.436 and 273.551:

19 (1) "Department" means the Oregon Department of Administrative Services.

20 (2) "Improvements" means any and all structures on or attachments to state-owned real prop-
21 erty, but excluding public improvements as defined in ORS 279A.010.

22 (3) "Real property" means all real property together with any and all improvements thereon.

23 (4) "Rural community" means an unincorporated community that consists primarily of permanent
24 residential dwellings but also has at least two other land uses that provide commercial, industrial
25 or public uses to the community, the surrounding rural area or persons traveling through the area.

26 (5) "Surplus real property" means all state-owned real property and improvements surplus to
27 agency and state need.

28 (6) "Urban growth boundary" has the meaning given that term in ORS [195.060] **197.015**.

29 (7) "Urban reserve" means any land designated as an urban reserve under ORS 195.145.

30 (8) "Urban unincorporated community" has the meaning given that term in ORS 197.015.

31 **SECTION 101.** ORS 466.055 is amended to read:

32 466.055. Before issuing a permit for a new facility designed to dispose of or treat hazardous
33 waste or PCB, the Environmental Quality Commission must find, on the basis of information sub-
34 mitted by the applicant, the Department of Environmental Quality or any other interested party,
35 that the proposed facility meets the following criteria:

36 (1) The proposed facility location:

37 (a) Is suitable for the type and amount of hazardous waste or PCB intended for treatment or
38 disposal at the facility;

39 (b) Provides the maximum protection possible to the public health and safety and environment
40 of Oregon from release of the hazardous waste or PCB stored, treated or disposed of at the facility;
41 and

42 (c) Is situated sufficient distance from urban growth boundaries, as defined in ORS [197.286]
43 **197.015**, to protect the public health and safety, accessible by transportation routes that minimize
44 the threat to the public health and safety and to the environment and sufficient distance from parks,
45 wilderness and recreation areas to prevent adverse impacts on the public use and enjoyment of

1 those areas.

2 (2) Subject to any applicable standards adopted under ORS 466.035, the design of the proposed
3 facility:

4 (a) Allows for treatment or disposal of the range of hazardous waste or PCB as required by the
5 commission; and

6 (b) Significantly adds to:

7 (A) The range of hazardous waste or PCB handled at a treatment or disposal facility currently
8 permitted under ORS 466.005 to 466.385; or

9 (B) The type of technology employed at a treatment or disposal facility currently permitted un-
10 der ORS 466.005 to 466.385.

11 (3) The proposed facility uses the best available technology for treating or disposing of hazard-
12 ous waste or PCB as determined by the department or the United States Environmental Protection
13 Agency.

14 (4) The need for the facility is demonstrated by:

15 (a) Lack of adequate current treatment or disposal capacity in Oregon, Washington, Idaho and
16 Alaska to handle hazardous waste or PCB generated by Oregon companies;

17 (b) A finding that operation of the proposed facility would result in a higher level of protection
18 of the public health and safety or environment; or

19 (c) Significantly lower treatment or disposal costs to Oregon companies.

20 (5) The proposed hazardous waste or PCB treatment or disposal facility has no major adverse
21 effect on either:

22 (a) Public health and safety; or

23 (b) Environment of adjacent lands.

24 **SECTION 102.** ORS 527.755 is amended to read:

25 527.755. (1) The following highways are hereby designated as scenic highways for purposes of
26 the Oregon Forest Practices Act:

27 (a) Interstate Highways 5, 84, 205, 405; and

28 (b) State Highways 6, 7, 20, 18/22, 26, 27, 30, 31, 34, 35, 36, 38, 42, 58, 62, 66, 82, 97, 101, 126, 138,
29 140, 199, 230, 234 and 395.

30 (2) The purpose of designating scenic highways is to provide a limited mechanism that maintains
31 roadside trees for the enjoyment of the motoring public while traveling through forestland, consist-
32 ent with ORS 527.630, safety and other practical considerations.

33 (3) The State Board of Forestry, in consultation with the Department of Transportation, shall
34 establish procedures and regulations as necessary to implement the requirements of subsections (4),
35 (5) and (6) of this section, consistent with subsection (2) of this section, including provisions for al-
36 ternate plans. Alternate plans that modify or waive the requirements of subsection (4), (5) or (6) of
37 this section may be approved when, in the judgment of the State Forester, circumstances exist such
38 as:

39 (a) Modification or waiver is necessary to maintain motorist safety, protect improvements such
40 as dwellings and bridges, or protect forest health;

41 (b) Modification or waiver will provide additional scenic benefits to the motoring public, such
42 as exposure of distant scenic vistas;

43 (c) Trees that are otherwise required to be retained will not be visible to motorists;

44 (d) The operation involves a change of land use that is inconsistent with maintaining a visually
45 sensitive corridor; or

1 (e) The retention of timber in a visually sensitive corridor will result in severe economic hard-
2 ship for the owner because all or nearly all of the owner's property is within the visually sensitive
3 corridor.

4 (4)(a) For harvest operations within a visually sensitive corridor, at least 50 healthy trees of at
5 least 11 inches DBH, or that measure at least 40 square feet in basal area, shall be temporarily left
6 on each acre.

7 (b) Overstory trees initially required to be left under paragraph (a) of this subsection may be
8 removed when the reproduction understory reaches an average height of at least 10 feet and has
9 at least the minimum number of stems per acre of free to grow seedlings or saplings required by the
10 board for reforestation, by rule.

11 (c) Alternatively, when the adjacent stand, extending from 150 feet from the outermost edge of
12 the roadway to 300 feet from the outermost edge of the roadway, has attained an average height
13 of at least 10 feet and has at least the minimum number of stems per acre of free to grow seedlings
14 or saplings required by the board for reforestation, by rule, or at least 40 square feet of basal area
15 per acre, no trees are required to be left in the visually sensitive corridor, or trees initially required
16 to be left under paragraph (a) of this subsection may be removed. When harvests within the visually
17 sensitive corridor are carried out under this paragraph, the adjacent stand, extending from 150 feet
18 from the outermost edge of the roadway to 300 feet from the outermost edge of the roadway, shall
19 not be reduced below the minimum number of stems per acre of free to grow seedlings or saplings
20 at least 10 feet tall required by the board for reforestation, by rule, or below 40 square feet of basal
21 area per acre until the adjacent visually sensitive corridor has been reforested as required under
22 subsection (6) of this section and the stand has attained an average height of at least 10 feet and
23 has at least the minimum number of stems per acre.

24 (5) Harvest areas within a visually sensitive corridor shall be cleared of major harvest debris
25 within 30 days of the completion of the harvest, or within 60 days of the cessation of active har-
26 vesting activity on the site, regardless of whether the harvest operation is complete.

27 (6) Notwithstanding the time limits established in ORS 527.745 (1)(a), when harvesting within a
28 visually sensitive corridor results in a harvest type 1 or harvest type 3, reforestation shall be com-
29 pleted by the end of the first planting season after the completion of the harvest. All other pro-
30 visions of ORS 527.745 shall also apply to harvest type 1 or harvest type 3 within visually sensitive
31 corridors.

32 (7) Landowners and operators shall not be liable for injury or damage caused by trees left within
33 the visually sensitive corridor for purposes of fulfilling the requirements of this section, when car-
34 ried out in compliance with the provisions of the Oregon Forest Practices Act.

35 (8) The following are exempt from this section:

36 (a) Harvest on single ownerships less than five acres in size;

37 (b) Harvest within an urban growth boundary, as defined in ORS [195.060] **197.015**; and

38 (c) Harvest within zones designated for rural residential development pursuant to an exception
39 adopted to the statewide land use planning goals under ORS 197.732.

40 **SECTION 103.** Section 6, chapter 552, Oregon Laws 2021, is amended to read:

41 **Sec. 6.** (1) Notwithstanding ORS 197.286 to 197.314, 197.626 or 197A.320 or any statewide land
42 use planning goal related to housing or urbanization, the Department of Land Conservation and
43 Development shall approve an expansion of the urban growth boundary submitted by the city and
44 approved by the city by ordinance, if the department determines that:

45 (a) The department has received the letters required by section 4, **chapter 552, Oregon Laws**

1 **2021** [of this 2021 Act];

2 (b) The department has approved the city's conceptual plan under section 5, **chapter 552,**
3 **Oregon Laws 2021** [of this 2021 Act]; and

4 (c) The proposed urban growth boundary expansion adds all of the Stevens Road tract and no
5 other lands to the area within the city's urban growth boundary.

6 (2) The city shall include the lands brought within the city's urban growth boundary under this
7 section in the city's inventory of buildable lands under [ORS 197.296 (3)(a)] **section 22 of this 2023**
8 **Act.**

9 **SECTION 104.** Section 9, chapter 552, Oregon Laws 2021, is amended to read:

10 **Sec. 9.** (1) Notwithstanding ORS 197.250 or 197.612 or any statewide land use planning goal, the
11 Department of Land Conservation and Development shall approve Stevens Road planning amend-
12 ments provided the department determines, in its discretion, that the Stevens Road planning
13 amendments, with respect to the Stevens Road tract, include:

14 (a) An inventory of significant historical artifacts, cultural sites and natural resources.

15 (b) Areas designated for recreational and open space.

16 (c) Land use regulations for the protection and preservation of significant resources and desig-
17 nated areas identified in paragraphs (a) and (b) of this subsection.

18 (d) Land use regulations that comply with applicable wildfire planning and development re-
19 quirements, including requirements in regulations adopted to implement a statewide planning goal
20 relating to natural disasters and hazards.

21 (e) Areas designated for adequate employment lands that account for the city's most recent
22 economic opportunity analysis, including consideration of subsequent economic development activ-
23 ities and trends.

24 (f) Within areas zoned for residential purposes, without counting the lands designated under
25 subsection (2) of this section, land use regulations for housing that:

26 (A) Ensure adequate opportunities for the development of all needed housing types, sizes and
27 densities of market-rate housing, including middle housing as defined in ORS 197.758;

28 (B) Exceed the proportions of single-family attached and multifamily housing called for in the
29 city's most recently adopted housing needs analysis under ORS 197.296 (3) (**2021 Edition**);

30 (C) Exceed a minimum density standard of nine residential units per gross residential acre; and

31 (D) On the date the Stevens Road planning amendments are approved, comply with land use
32 regulations adopted by the city, or any minimum applicable rules adopted by the department, to
33 implement ORS 197.758 and the amendments to ORS 197.312 by section 7, chapter 639, Oregon Laws
34 2019.

35 (g) Sufficient areas designated for mixed use development to support and integrate viable com-
36 mercial and residential uses along with transportation options, including walking, bicycling and
37 transit use.

38 (h) Land use regulations ensuring that:

39 (A) Adequate capacity is available, or feasible with development, for water, sewer and storm
40 water services; and

41 (B) Adequate consideration is given to the financing, scheduling and development of urban ser-
42 vices, as defined in ORS 195.065.

43 (i) Land use regulations for transportation that:

44 (A) Ensure the development of adequate infrastructure to support walking, bicycling, public
45 transit and motor vehicle movement; and

1 (B) Give adequate consideration to transportation networks that connect the Stevens Road tract
2 to other areas within the urban growth boundary of the city.

3 (j) The adequate consideration of the recommendations and comments received under section 8
4 (3) to (5), **chapter 552, Oregon Laws 2021** [of this 2021 Act].

5 (2) The department may not approve the planning amendments under subsection (1) of this sec-
6 tion unless the planning amendments designate at least 20 net acres of land to be:

7 (a) Restricted so the area may be zoned, planned, sited or developed only for residential housing
8 units at a minimum density of nine residential units per gross acre;

9 (b) Conveyed to the city at a price per acre established under section 4 (2)(b), **chapter 552,**
10 **Oregon Laws 2021** [of this 2021 Act]; and

11 (c) Notwithstanding ORS 91.225 or 197.309, preserved for a period of no less than 50 years as
12 affordable to own or rent as follows:

13 (A) At least 12 net acres made affordable to:

14 (i) Households with incomes of 60 percent or less of the area median income, as defined in ORS
15 456.270; or

16 (ii) If part of an income-averaging program approved by the Housing and Community Services
17 Department, households whose incomes average 60 percent or less of the area median income.

18 (B) At least six net acres:

19 (i) Made affordable to households with incomes of 80 percent or less of the area median income;
20 and

21 (ii) Made available, to the extent permitted by law, in a manner that gives a priority to house-
22 holds in which at least one individual is employed by an education provider over other members of
23 the public.

24 (C) At least two net acres in which at least 80 percent of the units in each contiguous devel-
25 opment tract are made affordable to households with 80 percent or less of the area median income,
26 of which at least one net acre is made available, to the extent permitted by law, in a manner that
27 gives a priority to households in which at least one individual is employed by an education provider
28 over other members of the public.

29 (3) Upon a partition or subdivision of the Stevens Road tract following the approval of the
30 planning amendments under subsection (1) of this section establishing one or more lots or parcels
31 described in subsection (2) of this section, the owner shall transfer those lots or parcels to the city.
32 For a period of 99 years after the purchase of property under this section, if the city resells any lot
33 or parcel, the city may recover only the city's costs of the purchase and resale of the property.

34 (4) Neither the city nor the Department of Land Conservation and Development is obligated to
35 adopt any specific findings or evaluate any specific criteria in exercising its discretion with respect
36 to any Stevens Road planning amendments under this section and may receive, solicit or consider
37 information from any source.

38 (5) As used in this section, "education provider" means a school district as defined in ORS
39 332.002, an educational program under the Youth Corrections Education Program or Juvenile De-
40 tention Education Program as both are defined in ORS 326.695, or an education service district as
41 defined in ORS 334.003.
