9 (2) In addition to, or in lieu of procuring insurance, the governing body may establish a self-
10 insurance program against the tort liability of the public body and its officers, employees and agents
11 or against property damage. If the public body has authority to levy taxes, it may include in its levy
12 an amount sufficient to establish and maintain a self-insurance program on an actuarially sound
13 basis.

14 (3) Notwithstanding any other provision of law, two or more local public bodies may jointly
15 provide by intergovernmental agreement for anything that subsections (1) and (2) of this section

19 is required to fund outstanding claim liabilities, including an estimate of claims incurred but not
20 reported.

21 (f) The program must make an annual independently audited financial statement available to the
22 participants of the program.

23 (g) The program must maintain adequate excess or reinsurance against the risk of economic loss.
