Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 192.001 is amended to read:

(2) The purpose of ORS 192.005 to 192.170 and 357.805 to 357.895 is to provide direction for the retention or destruction of public records in Oregon in order to ensure the retention of records essential to meet the needs of the Legislative Assembly, the state, its political subdivisions and its citizens, insofar as the records affect the administration of government, legal rights and responsibilities, and the accumulation of information of value for research purposes of all kinds, and in order to ensure the prompt destruction of records without continuing value. All records not included in types described in this subsection shall be destroyed in accordance with rules adopted by the Secretary of State.
