B-ENGROSSED HOUSE BILL 2128
By COMMITTEE ON RULES
June 23

On page 8 of the printed B-engrossed bill, delete lines 34 through 45 and delete pages 9 through 15 and insert:

“SECTION 8. (1) Except for a Participating Manufacturer, as that term is defined in the Master Settlement Agreement, that is generally performing its financial obligations under the Master Settlement Agreement, a tobacco product manufacturer is liable for an equity assessment for units sold within the State of Oregon after January 1, 2024.

“(2) The equity assessment is $0.0188482 per unit sold, as this amount is adjusted for inflation.

“(3)(a) Each tobacco product manufacturer that is liable for an equity assessment shall annually certify to the Attorney General that it is in compliance with this section and remit the required equity assessment to this state by April 15 of the year following the sales year at issue. Tobacco product manufacturers have a continuing obligation to submit amended certificates of compliance if their sales or payment information changes.

“(b) The Attorney General may issue amended notices of equity assessment if additional units sold are discovered through audit or otherwise. The tobacco product manufacturer shall cause the assessed amount to be remitted to this state within 30 days of the date of the amended notice.

“(c) Any amounts recovered under this section are the property of the state, and this section creates no cause or right of action in any party except the State of Oregon. Amounts recovered under this section shall be deposited in the Oregon Health Authority Fund established under ORS 413.101 and shall be used for expenses of the Oregon Health Plan.

“(d) Nothing in this section operates to:

“(A) Waive the right of the state to bring a claim against a tobacco product manufacturer, except that any funds paid to the state under this section shall be credited on a dollar-for-dollar basis against any such judgment or settlement; or

“(B) Relieve a tobacco product manufacturer from any obligation or duty imposed pursuant to ORS 180.400 to 180.455 or any other provision of Oregon law.

“(e) A tobacco product manufacturer may seek and receive a credit or refund of equity assessment payments to the extent that the tobacco product manufacturer establishes that the amount of the equity assessment paid on account of units sold in Oregon in a particular year was greater than the Master Settlement Agreement payments, as determined pursuant to section IX(i) of that agreement after final determination of all adjustments, that the manufacturer would have been required to make an account of such units sold, had it been a Participating Manufacturer, as that term is defined in the Master Settlement Agreement. A tobacco product manufacturer may seek a credit or refund within one year after the due
date of the assessment.

“(4) The Attorney General may bring a civil action on behalf of the State of Oregon against any tobacco product manufacturer that fails to remit the amount due under subsection (2) of this section. In addition to recovering the equity assessment, the Attorney General shall be entitled to reasonable attorney fees, costs and expenses incurred in prosecuting the action and any appeal. Attorney fees, costs and expenses recovered under this subsection shall be deposited in the Tobacco Enforcement Fund established under ORS 180.205.

“(5)(a) The court, upon a finding of a violation of subsection (1) of this section, may impose a civil penalty upon the tobacco product manufacturer to be paid to the General Fund of this state in an amount not to exceed five percent of the amount improperly withheld per day of the violation and in a total amount not to exceed 100 percent of the original amount improperly withheld.

“(b) The court, upon a finding of a knowing violation of subsection (1) of this section, may impose a civil penalty upon the tobacco product manufacturer to be paid to the General Fund of this state in an amount not to exceed 15 percent of the amount improperly withheld per day of the violation and in a total amount not to exceed 300 percent of the original amount improperly withheld.

“(c) In the case of a second knowing violation of subsection (1) of this section, the tobacco product manufacturer shall be prohibited from selling cigarettes to consumers within the State of Oregon (whether directly or through a distributor, retailer or similar intermediary or intermediaries) for a period not to exceed two years. Each failure to make a payment required under this section shall constitute a separate violation.

“(6) In the case of units sold that are cigarettes manufactured outside the United States and imported into the United States by an importer:

“(a) Importers shall be jointly and severally liable with the tobacco product manufacturer of the cigarettes for the equity assessments required under subsection (1) of this section;

“(b) Importers may be sued under subsection (4) of this section to the same extent as the tobacco product manufacturer, and shall be subject to all of the same civil penalties, remedies or other relief that may be awarded against the tobacco product manufacturer of the cigarettes as provided in subsection (4) of this section;

“(c) If the importer fails or refuses within 15 days of the Attorney General’s written demand to remit the equity assessment for which it is jointly and severally liable under paragraph (a) of this subsection, all cigarettes imported into the United States by the importer shall constitute contraband cigarettes as defined in ORS 323.010 and shall be subject to seizure and forfeiture as provided under ORS 323.248; and

“(d) A nonparticipating manufacturer located outside the United States that conducts business in this state shall provide to the Attorney General on a form prescribed by the Attorney General a declaration from each importer that imports the cigarettes of the nonparticipating manufacturer intended for sale in this state stating that the importer accepts liability pursuant to subsection (1) of this section and consents to the jurisdiction of the courts of this state for the purposes of enforcing this section.

**SECTION 9.** ORS 180.415 is amended to read:

“180.415. In the certification required by ORS 180.410 (1), a nonparticipating manufacturer shall further certify:
“(1) That the nonparticipating manufacturer and, if applicable, the nonparticipating manufacturer’s importer are registered to do business in the State of Oregon or have appointed a resident agent for service of process and provided notice of the appointment as required by ORS 180.430.

“(2) That the nonparticipating manufacturer:

(a) Has made all required equity assessment payments; or

(b)(A) Has established and continues to maintain a qualified escrow fund; and

(b)(B) Has executed a qualified escrow agreement that has been reviewed and approved by the Attorney General and that governs the qualified escrow fund. The Attorney General shall adopt rules defining the form and content of a model escrow agreement. A nonparticipating manufacturer that executes the model escrow agreement is deemed to have satisfied the requirement that it use a form of escrow agreement that has been reviewed and approved by the Attorney General.

(3)(a) The name, address and telephone number of the financial institution where the nonparticipating manufacturer has established the qualified escrow fund required by ORS 323.806;

(b) The account number of the qualified escrow fund and any subaccount number for the State of Oregon;

(c) The amount the nonparticipating manufacturer has placed in the qualified escrow fund or has paid as equity assessments for cigarettes sold in Oregon during the preceding calendar year, the amount and date of each deposit or payment and evidence or verification as may be deemed necessary by the Attorney General to confirm the amounts and dates; and

(d) The amount and date of any withdrawal of funds the nonparticipating manufacturer made at any time from the qualified escrow fund or from any other qualified escrow fund into which the nonparticipating manufacturer ever made escrow payments pursuant to ORS 323.806 or section 8 of this 2023 Act.

(4) That the nonparticipating manufacturer has posted a bond in accordance with ORS 180.416.

(5) That all shipments or sales made within or into this state by the nonparticipating manufacturer or its importer are made to a distributor of cigarettes licensed under ORS 323.105 or a distributor of tobacco products licensed under ORS 323.530.

SECTION 10. ORS 180.416 is amended to read:

“(1) A nonparticipating manufacturer shall post a bond for the benefit of the state, in accordance with this section, which is conditioned on the nonparticipating manufacturer fully complying with the [escrow] obligations of ORS 323.806 or section 8 of this 2023 Act.

“(2) The bond must be posted at least 10 days in advance of each calendar quarter as a condition to the nonparticipating manufacturer and its brand families being included in the state directory for that quarter. The amount of the bond must be the greater of:

(a) The greatest required escrow or equity assessment payment amount due from the nonparticipating manufacturer or its predecessor for any of the 12 preceding calendar quarters; or

(b) $25,000.

“(3) If a nonparticipating manufacturer that posted a bond has failed to make or have made on its behalf deposits or payments equal to the full amount owed for a quarter within 15 days following the due date for the quarter, the Attorney General may execute upon the bond in the amount equal to any remaining amount [of the escrow] due, including any applicable penalties or other charges allowable by law. Amounts the Attorney General collects on a bond shall be deposited into the General Fund for the benefit of the state and shall reduce the amount [of escrow] due from the nonparticipating manufacturer in the dollar amount collected. [Escrow] Obligations above the
amount collected on the bond remain due from the nonparticipating manufacturer and any importer liable as provided in ORS 323.806 or section 8 of this 2023 Act.

“(4) The bond required under this section must be a good and sufficient bond executed by a surety company licensed and authorized to do business in Oregon and shall be conditioned to pay the escrow requirements as well as any penalties or other charges under this chapter.

“(2) The Attorney General may not include or retain in the directory the name or brand families of any nonparticipating manufacturer that fails to provide the required certification or whose certification the Attorney General determines is not in compliance with ORS 180.410 and 180.415, unless the Attorney General has determined that the violation has been cured to the satisfaction of the Attorney General. The Attorney General shall adopt rules defining the criteria by which the Attorney General will exercise the discretion granted by this subsection.

“(3) The Attorney General may not include or retain in the directory a nonparticipating manufacturer or a brand family if the Attorney General concludes that:

“(a) Any escrow payment required from the nonparticipating manufacturer pursuant to ORS 323.806 or section 8 of this 2023 Act for any period for any brand family, whether listed or not listed by the nonparticipating manufacturer, has not been fully paid, if applicable, into a qualified escrow fund governed by a qualified escrow agreement that has been approved by the Attorney General; or

“(4) The Attorney General shall update the directory in order to correct mistakes and to add or remove a tobacco product manufacturer or a brand family to keep the directory in conformity with the requirements of this section. The Attorney General shall update the directory with new brand families upon receipt of an annual or supplemental certification listing new brand families if the Attorney General determines that the annual or supplemental certification is in compliance with the requirements of ORS 180.410 and 180.415. The Attorney General shall make the determination about compliance within 45 days of receipt of the certification.

“(5) The Attorney General shall:

“(c) Immediately upon making any change in the directory developed under this section, send electronic mail notices of the change to all persons on the list created under this subsection.
**SECTION 12.** ORS 180.435 is amended to read:

“180.435. (1) Not later than 20 days after the end of each calendar quarter, and more frequently if so directed by the Attorney General, a distributor shall report such information as the Attorney General requires to facilitate compliance by tobacco product manufacturers with this section and ORS 180.410, 180.415, 180.420, 180.430 and 180.440, and with rules adopted under ORS 180.445 and 180.450. The information shall include, but need not be limited to, a list by brand family of the total number of cigarettes or, in the case of roll-your-own tobacco, the equivalent stick count for which the distributor affixed stamps or otherwise paid the tax due during the previous calendar quarter.

“(2) A distributor shall maintain for a period of five years all invoices and documentation of sales of cigarettes manufactured by nonparticipating manufacturers and any other information relied upon in reporting to the Attorney General under subsection (1) of this section. The distributor shall make the invoices and other documentation available to the Attorney General upon request.

“(3)(a) The Attorney General may compel by subpoena the production of any books, papers, records or other information required to be maintained under subsection (2) of this section and may require any person to appear and provide testimony pertinent to the information described in subsection (2) of this section. The subpoena shall have the same force and effect and be served in the same manner as in a civil action in the circuit court.

“(b) If a person fails to produce any books, papers, records or other information required to be produced, fails to appear or testify about a matter for which testimony may be compelled or otherwise fails to comply with a subpoena issued under this subsection, the Attorney General may apply to the circuit court of the county in which the person to whom the subpoena was issued resides or may be found. The application shall be for an order requiring the person to comply with the demand or request of the Attorney General. The application shall be made by ex parte motion. The order of the court shall require the person against whom the order is directed to comply with the request or demand of the Attorney General within 10 days after the service of the order, or such further time as the court may grant, or to justify the failure to comply with the order within that time.

“(c) Failure to comply with an order under this subsection shall constitute contempt of court. The remedy provided under this paragraph shall be in addition to any other remedy provided by law.

“(4) A distributor shall provide the Attorney General with an electronic mail address so that the Attorney General may notify the distributor of the information required under subsections (1) and (8) of this section.

“(6) The Attorney General may at any time require a nonparticipating manufacturer to produce proof from the financial institution in which the nonparticipating manufacturer has established a qualified escrow fund for the purpose of compliance with ORS 323.806 of the amount of moneys in the fund, exclusive of interest, the amount and date of each deposit and the amount and date of each withdrawal from the fund.

“(7) The Attorney General shall, upon request of a nonparticipating manufacturer whose compliance with escrow or equity assessment requirements is at issue, provide the manufacturer with
copies of all documents upon which any proposed addition to the escrow or equity assessment is based. Documents required to be provided under this subsection include, but are not necessarily limited to, reports under this section from distributors. The information provided to the manufacturer under this subsection may not include information about brand families or products of any tobacco product manufacturer other than the one to whom the information is provided. The information may be used only for the purpose of determining the appropriate amount of escrow or equity assessment deposits.

“(8) The Attorney General may require a distributor or a tobacco product manufacturer to submit any additional information, including, but not limited to, samples of the packaging and labeling of each brand family, to enable the Attorney General to determine whether a tobacco product manufacturer is in compliance with this section and ORS 180.410, 180.415, 180.420, 180.430 and 180.440 and with rules adopted under ORS 180.445 and 180.450.
