SECTION 1. ORS 254.470 is amended to read:

254.470. (1) The Secretary of State by rule shall establish requirements and criteria for the designation of places of deposit for the ballots cast in an election. The rules shall also specify the dates and times the places of deposit must be open and the security requirements for the places of deposit. At a minimum, the places designated under this section shall be open on the date of the election for a period of eight or more hours, but must be open until at least 8 p.m. At each place of deposit designated under this section, the county clerk shall prominently display a sign stating that the location is an official ballot drop site.

(2)(a)(A) Except as provided in paragraphs (b) to (d) of this subsection, the county clerk shall mail by nonforwardable mail an official ballot with a return identification envelope and a secrecy envelope not sooner than the 20th day before the date of an election and not later than the 14th day before the date of the election.

(B) A ballot envelope used by the county clerk to mail a ballot to an active elector under this paragraph may not contain any outward identifier, including but not limited to a numeric code, that would allow a person to know the political party affiliation, if any, of the active elector receiving the ballot.

(C) A return identification envelope mailed to an active elector under this paragraph may not contain any outward identifier, including but not limited to a numeric code, that would allow a person to know the political party affiliation, if any, of the active elector returning the ballot.

(b) If the county clerk determines that an active elector of the electoral district as of the 21st day before the date of the election does not receive daily mail service from the United States Postal Service, the county clerk shall mail by nonforwardable mail an official ballot with a return identification envelope and a secrecy envelope to the elector not sooner than the 20th day before the date of an election and not later than the 18th day before the date of the election.

(c) In the case of ballots to be mailed to addresses outside this state to electors who are not military or overseas electors, the county clerk may mail the ballots not sooner than the 29th day

Except for electors described in subsection (4) of this section, and subject to ORS 247.203, the application must be received by the county clerk not later than 5 p.m. of the 21st day before the date of the election.

(d) If the primary election ballot includes city, county or nonpartisan offices or measures, the county clerk shall mail to each elector who is not eligible to vote for party candidates a ballot limited to those offices and measures for which the elector is eligible to vote.

An elector to whom this subsection applies must request a ballot from the county clerk.
