3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 496.146 is amended to read:

5 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
6 Commission:

7 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
8 for the purposes of wildlife management, and use such money or property for wildlife management
9 purposes.

10 (2) May sell or exchange property owned by the state and used for wildlife management pur-
11 poses when the commission determines that such sale or exchange would be advantageous to the
12 state wildlife policy and management programs.

13 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
14 mission determines will carry out the state wildlife policy and management programs.

15 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
16 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
17 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
18 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
19 permits for a person and immediate family members of the person to hunt on land owned by that
20 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
21 "immediate family members" means spouses in a marriage, parents, brothers, brothers-in-law, sisters,
22 sisters-in-law, sons, sons-in-law, daughters, daughters-in-law, stepchildren and grandchildren. A
23 landowner who is qualified to receive landowner preference tags from the commission may request
24 two additional tags for providing public access and two additional tags for wildlife habitat programs.
25 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
26 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
27 commission grant the request. When a landowner is qualified under landowner preference rules
28 adopted by the commission and receives a controlled hunt tag for that unit or a landowner prefer-
29 ence tag for the landowner's property and does not use the tag during the regular season, the
30 landowner may use that tag to take an antlerless animal, when approved by the State Department

3 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and
4 place of taking wildlife, the quantities taken and such other information as the commission deter-

7 (6) May establish special hunting and angling areas or seasons in which only persons less than
8 18 years of age or over 65 years of age are permitted to hunt or angle.

17 (23)(a) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon
18 recreational fishing endorsements with a fee not to exceed \$9.75 per annual license and \$1 per day
19 per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in portions
