SECTION 1. ORS 285B.627 is amended to read:

285B.627. (1) In consultation with the Department of Revenue, the Oregon Business Development Department shall establish and administer the Oregon Industrial Site Readiness Program. The purpose of the program is to:

(b) Provide loans, including forgivable loans, to qualified project sponsors pursuant to subsection (5) of this section.

(b) Enter into a loan agreement with the project sponsor under terms and conditions specified...

(A) Fifty percent of the total cost of eligible site preparation costs; or

(B) Fifty percent of the amount of the estimated incremental income tax revenues for the eligible employer for the term of the loan.

(b) Loan forgiveness may not be allowed under subsection (5) of this section if any portion of the loan that would not be forgiven would be repaid by the project sponsor with state funds received from any source.

(7) The department shall establish, by rule, eligible site preparation costs including, but not limited to, some or all of the following:

(a) Acquisition and assembly costs associated with creating large development parcels.

(b) Transportation improvements such as access roads, intersections, turning lanes, signals, sidewalks, curbs, transit stops and storm drains.

(8) The total amount of tax reimbursement arrangements and loan amounts authorized under this section may not exceed $10 million per year.

(9) Funds received pursuant to a tax reimbursement arrangement or a loan agreement under subsection (5) of this section may not be used for the payment of:

(a) A penalty or fine; or

(b) Environmental remediation activities conducted at a regionally significant industrial site that is listed or proposed to be listed as a national priority pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9605) for which the project sponsor, eligible employer or any party to the tax reimbursement arrangement or loan agreement is liable under 42 U.S.C. 9607 at that regionally significant industrial site.
