The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Authorizes Oregon Department of Aviation to establish by rule fees related to airports and aircraft. Provides for adjustment of fees for inflation.

A BILL FOR AN ACT

Relating to aviation; creating new provisions; and amending ORS 836.085, 836.105, 837.045, 837.055, 837.060, 837.070 and 837.075.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 836.085 is amended to read:

836.085. Except as provided in ORS 836.080, the Oregon Department of Aviation as authorized by the State Aviation Board shall provide for the approval of proposed airport sites and the issuance of certificates of such approval. The following apply to this section:

(1) A nonrefundable fee of $75, together with an amount not to exceed $300 established by the department for the cost of inspecting and approving an airport site for potential approval, shall accompany the application for site approval.

(2) Each biennium, beginning July 1, 2025, the department may adjust for inflation by modifying the amount of the fee described under subsection (1) of this section, based on the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor.

(3) The adjusted fees under subsection (2) of this section take effect on January 1 of the year following the adjustment and apply for the following two years.

(4) The department shall determine approval of airport sites under this section based on the conditions under ORS 836.095.

SECTION 2. ORS 836.105 is amended to read:

836.105. Except as provided in ORS 836.080, the Oregon Department of Aviation is authorized to provide for the licensing of airports and the annual renewal of such licenses. The following apply to this section:

(1) The department may [charge] establish by rule license fees for each original license and for each renewal. [The fee to be paid for each original license and each renewal is as follows:]

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted.
New sections are in boldfaced type.

(3) Each biennium, beginning July 1, 2025, the department may adjust for inflation by modifying the amount of the fees described under subsection (1) of this section, based on the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor.

(4) The adjusted fees under subsection (3) of this section take effect on January 1 of the year following the adjustment and apply for the following two years.

SECTION 4. ORS 837.055 is amended to read:

837.055. (1) Upon receipt of an application for registration of any aircraft and payment of the required license fee, the Director of the Oregon Department of Aviation shall assign to the application and the aircraft to be registered a distinctive number and register the facts stated in the application and the number in an index to be kept for that purpose.

(2) A certificate of registration, bearing the same number assigned to the application, and in a form and design to be determined by the Oregon Department of Aviation, shall be delivered to the owner of the aircraft without further expense to such applicant.

(3) The following apply to the use and display of certificates of registration and other signs denoting registration for aircraft:

(a) The certificate of registration shall be carried in the aircraft at all times.

(b) No sign to denote registration of aircraft by the State of Oregon, other than those furnished by the director, shall be used.

(4) Duplicate certificates of registration may be obtained, upon proof of loss or destruction of the original, by application therefor to the department and the payment of $15 a fee for each additional certificate. The department shall establish by rule the amount of the fee.

(5) The facts stated in any application for registration shall be a public record and open to inspection by the public during reasonable office hours.

(6) Registration of an aircraft does not require, nor does it constitute, evidence of legal ownership of the aircraft.

(7) Each biennium, beginning July 1, 2025, the department may adjust for inflation by modifying the amount of the fees described under subsection (4) of this section, based on the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor.

(8) The adjusted fees under subsection (7) of this section take effect on January 1 of the year following the adjustment and apply for the following two years.

SECTION 5. ORS 837.060 is amended to read:

[3]
837.060. (1) All registrations under ORS 837.040 expire annually on the anniversary of the date
the aircraft is originally registered with the Oregon Department of Aviation.

(2) The owner of an aircraft subject to renewal of registration shall renew the registration on
or before the date of expiration by filing a form provided by the department and paying the fee for
renewal of registration established \[\text{in} \] by the department by rule pursuant to ORS 837.045. The
department may impose a late fee on a person who fails to renew registration within the time re-
quired in the same manner and in the same amounts as late fees imposed under ORS 837.040.

SECTION 6. ORS 837.070 is amended to read:

837.070. (1) Upon the purchase of any aircraft registered in accordance with ORS 837.040, title
to the certificate of registration assigned thereto shall vest in the purchaser. Within 10 days after
the date of:

(a) Purchase, the purchaser shall file with the Oregon Department of Aviation an application to
transfer the registration, stating the name and business address of the purchaser, the name of the
seller, the registration number assigned to the aircraft, and a brief description of the aircraft as
required for an original registration.

(b) Sale, the seller shall notify the Director of the Oregon Department of Aviation of the sale
with the name and address of the purchaser, registration number assigned to the aircraft and a brief
description of the aircraft as required for an original registration.

(2) Upon the receipt of the application and the payment of a fee \[\text{of } $15 \] established by the
department by rule, the director shall transfer the license and registration number to the pur-
chaser, and shall record the transfer.

(3) The sale or transfer of any aircraft registered under ORS 837.040 shall be not valid
without compliance with the provisions of this section. If an aircraft is not registered at the time
of purchase, even though the aircraft may have been purchased within the state, new or used, the
purchaser shall register it in accordance with ORS 837.040 and 837.045.

(4) Each biennium, beginning July 1, 2025, the department may adjust for inflation by
modifying the amount of the fees described under subsection (2) of this section, based on the
Consumer Price Index for All Urban Consumers, West Region (All Items), as published by

(5) The adjusted fees under subsection (4) of this section take effect on January 1 of the
year following the adjustment and apply for the following two years.

SECTION 7. ORS 837.075 is amended to read:

837.075. (1) Any dealer in new or used aircraft, or both, shall apply to the Oregon Department
of Aviation for a dealer’s license. Upon such application, the department shall issue an aircraft
dealer’s license to the applicant for an annual fee \[\text{of } $250 \] established by the department by
rule. The dealer’s license shall be in lieu of all other licenses or registration required by ORS
837.040 upon the dealer’s aircraft within this state, so long as they are kept for resale and are not
used in commercial operations within this state.

(2) This section does not prohibit the registering of a dealer’s aircraft under ORS 837.040.

(3) Upon the sale by a dealer of an aircraft which is not registered under ORS 837.040, the
dealer shall advise the purchaser of the registration requirements under ORS 837.040 to 837.070 and
furnish the purchaser with the proper application forms.

(4) Each biennium, beginning July 1, 2025, the department may adjust for inflation by
modifying the amount of the fees described under subsection (1) of this section, based on the
Consumer Price Index for All Urban Consumers, West Region (All Items), as published by

(5) The adjusted fees under subsection (4) of this section take effect on January 1 of the year following the adjustment and apply for the following two years.

SECTION 8. The amendments to ORS 836.085, 836.105, 837.045, 837.055, 837.060, 837.070 and 837.075 by sections 1 to 7 of this 2023 Act apply to amounts collected on or after July 1, 2024.
