A BILL FOR AN ACT

Relating to confidentiality of identifying information of employees who participate in workplace safety inspections; amending ORS 654.067; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 654.067 is amended to read:

654.067. (1) In order to carry out the purposes of ORS 654.001 to 654.295, 654.412 to 654.423 and 654.750 to 654.780, the Director of the Department of Consumer and Business Services, upon presenting appropriate credentials to the owner, employer or agent in charge, is authorized:

(a) To enter without delay and at reasonable times any place of employment; and

(b) To inspect and investigate during regular working hours and at other reasonable times, and within reasonable limits and in a reasonable manner, any such place of employment and all pertinent conditions, structures, machines, apparatus, devices, equipment and materials therein, and to question privately the owner, employer, agents or employees.

(2) No person shall give an owner, employer, agent or employee advance notice of any inspection to be conducted under ORS 654.001 to 654.295, 654.412 to 654.423 and 654.750 to 654.780 of any place of employment without authority from the director.

(3) Except in the case of an emergency, or of a place of employment open to the public, if the director is denied access to any place of employment for the purpose of an inspection or investigation, such inspection or investigation shall not be conducted without an inspection warrant obtained pursuant to ORS 654.202 to 654.216, or without such other authority as a court may grant in an appropriate civil proceeding. Nothing contained herein, however, is intended to affect the validity of a constitutionally authorized inspection conducted without an inspection warrant.

(4) A representative of the employer and a representative authorized by the employees of the employer shall be given an opportunity to accompany the director during the inspection of any place of employment for the purpose of aiding such inspection. When there is no employee representative, or the employee representative is not an employee of the employer, the director should consult with a reasonable number of employees concerning matters of safety and health in the place of employment.

(5) The representative of the employer may, at the employer’s option, be an attorney retained
by the employer.

(6)(a) Notwithstanding ORS 654.062 (4), the director shall keep confidential and not dis-
close to the public any information obtained under this section that would permit the iden-
tification of an employee who provided information or participated in an inspection or
investigation of any place of employment unless consent to the disclosure of the information
is given by the employee.

(b) The director shall establish rules governing procedures for maintaining the
confidentiality of information under this section.

SECTION 2. This 2023 Act takes effect on the 91st day after the date on which the 2023
