A BILL FOR AN ACT

Be It Enacted by the People of the State of Oregon:

STRATEGIC PLANNING FOR STUDENT INVESTMENT ACCOUNT GRANTS

SECTION 1. ORS 327.185 is amended to read:

327.185. (1) As used in this section, “eligible applicant” means any of the following entities:

(a) Common school districts and union high school districts.

(b) The Youth Corrections Education Program or the Juvenile Detention Education Program.

(c) Public charter schools that are not virtual public charter schools, as defined in ORS 338.005, and that have a student population of which:

(A) At least 35 percent of the student population is composed of students from the following student groups:

(i) Economically disadvantaged, as described in ORS 327.180 (2)(b)(A);

(ii) Racial or ethnic groups that have historically experienced academic disparities, as described in ORS 327.180 (2)(b)(B); or

(iii) Students with disabilities, as described in ORS 327.180 (2)(b)(C); and

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

LC 431
(B) The percentage of the students from student groups identified under subparagraph (A) of this paragraph is greater than or equal to:

(i) The percentage of all students in the school district who are economically disadvantaged, if eligibility is determined based on the percentage of students who are economically disadvantaged;

(ii) The percentage of all students in the school district who are from racial or ethnic groups that have historically experienced academic disparities, if eligibility is determined based on the percentage of students who are from those racial or ethnic groups; or

(iii) The percentage of all students in the school district who are disabled, if eligibility is determined based on the percentage of students who are disabled.

(2)(a) Eligible applicants may apply for a grant from the Student Investment Account to receive a distribution under ORS 327.190.

(b) Notwithstanding ORS 338.155 (9), a public charter school that is not an eligible applicant may not apply for a grant under this section.

(3) Prior to preparing a grant application, an eligible applicant must:

(a) If the eligible applicant is a school district, determine whether the school district will allow public charter schools sponsored by, or located within, the school district to participate in the grant application and the grant agreement.

(b) If the eligible applicant is a public charter school, determine whether the public charter school intends to apply for a grant and provide notice of that intent to the school district in which the public charter school is located and to the Department of Education.

(4)(a) If an eligible applicant is a school district and decides to include public charter schools in the grant application and grant agreement, the school district must provide all public charter schools sponsored by, or located within, the school district the opportunity to participate in the grant application and grant agreement.

(b)(A) A public charter school is not required to participate in the grant application and grant agreement of a school district.

(B) If a public charter school does not participate in a grant application and grant agreement under this subsection:

(i) The ADMw of the public charter school may not be used in the calculation of the school district ADMw for grants distributed under ORS 327.195; and

(ii) The public charter school is not entitled to any grant moneys distributed under ORS 327.195.

(C) If a public charter school participates in a grant application and grant agreement under this subsection:

(i) The public charter school and school district shall enter into an agreement for the distribution of moneys or the provision of services, including any accountability measures required of the public charter school by the school district;

(ii) The ADMw of the public charter school shall be used in the calculation of the school district ADMw for grants distributed under ORS 327.195; and

(iii) The public charter school is entitled to any grant moneys or services provided for in the agreement entered into under this subparagraph.

(5)(a) For the purpose of preparing a grant application, an eligible applicant must determine:

(A) Which of the allowed uses identified in ORS 327.180 (3) the eligible applicant will fund with grant moneys; and

(B) Which of the eligible uses identified under subparagraph (A) of this paragraph the eligible applicant will designate to meeting student mental and behavioral health needs.
(b) An eligible applicant shall make the determinations required under paragraph (a) of this subsection by:

(A) Engaging in strategic planning; and

(B) Considering the recommendations of the Quality Education Commission established under ORS 327.500 and recommendations from the advisory groups formed by the Department of Education for the purposes of the statewide education plans developed and implemented by the department.

(6)(a) The strategic planning required under subsection (5) of this section must include:

(A) A completed needs assessment, as described in ORS 329.095;

(B) An analysis of the potential academic impact, both for the students of the eligible applicant and for student groups identified in ORS 327.180 (2)(b), from the allowed uses that would be funded by grant moneys; and

(C) The creation of budgets for the allowed uses that would be funded by grant moneys.

(b) The strategic planning required under subsection (5) of this section must take into consideration:

(A) Input from the community of the eligible applicant, including school employees, students from student groups identified in ORS 327.180 (2)(b) and parents of those students; and

(B) Data collected by the eligible applicant to enable the eligible applicant to make equity-based decisions.

(7) Based on the strategic planning described in subsection (6) of this section, the eligible applicant shall develop a four-year plan for the use of grant moneys. The plan must be updated every two years and must:

(a) Identify which allowed uses identified in ORS 327.180 (3) will be funded with grant moneys and which of those uses will be designated to meet student mental and behavioral health needs.

(b) Describe how the allowed uses identified under paragraph (a) of this subsection will be used to:

(A) Meet students’ mental and behavioral health needs;

(B) Increase academic achievement for students of the eligible applicant; and

(C) Reduce academic disparities for student groups identified in ORS 327.180 (2)(b) who are served by the eligible applicant, and identify which of those student groups will benefit from the allowed uses that are being funded with grant moneys.

(c) Include the budgets for the allowed uses to be funded with grant moneys.

(d) Be approved by the governing body of the eligible applicant at an open meeting, following:

(A) Provision of the plan at the main office of the eligible applicant and on the eligible applicant’s website;

(B) Oral presentation of the plan by an administrator of the eligible applicant to the governing body of the eligible applicant; and

(C) Opportunity for the public to comment on the plan at an open meeting.

(e) Be a part of the local district continuous improvement plan described in ORS 329.095, if the eligible applicant is a school district.

(8) To apply for a grant, an eligible applicant must submit an application every two years in a format and according to timelines prescribed by the Department of Education. The application must include:

(a) A completed needs assessment, as described in ORS 329.095;

(b) The plan developed under subsection (7) of this section; and
(c) Budget estimates for each of the allowed uses identified in the plan developed under subsection (7) of this section that will be funded by grant moneys.

YCEP AND JDEP MINIMUM STUDENT INVESTMENT ACCOUNT GRANTS

SECTION 2. ORS 327.195 is amended to read:

327.195. (1)(a) Except as provided by paragraph (d) of this subsection, the amount of a grant awarded from the Student Investment Account = the grant recipient’s ADMw × (the total amount available for distribution as grants in each biennium ÷ the total ADMw of all grant recipients).

(b) For purposes of this subsection and except as provided by paragraph (c) of this subsection, ADMw equals:

(A) For school districts, the ADMw as calculated under ORS 327.013, except that the additional amount allowed for students who are in poverty families, as determined under ORS 327.013 (1)(c)(A)(v)(I), shall be 0.5.

(B) For an educational program under the Youth Corrections Education Program or the Juvenile Detention Education Program, as provided in ORS 327.026.

(c) When calculating ADMw for a school district, the Department of Education shall remove from the calculation any amounts that are attributable to:

(A) A virtual public charter school, as defined in ORS 338.005;

(B) A public charter school that provided notice of the public charter school’s intent to apply for a grant as an eligible applicant; and

(C) A public charter school sponsored by, or located within, the school district that did not participate in the grant application or grant agreement.

(d) The amount of a grant distributed under this section may be adjusted by the department to ensure that:

(A) A grant recipient does not receive any moneys for uses that are not allowed uses under ORS 327.180 (3).

(B) A school district with an ADMw of 50 or less receives a minimum grant amount.

(C) Each site of the Youth Corrections Education Program and the Juvenile Detention Education Program receives a grant amount that is no less than the minimum grant amount provided to a school district under subparagraph (B) of this paragraph.

(2) The State Board of Education shall adopt any rules necessary for the distribution of grants under this section, including establishing:

(a) The minimum grant amounts under subsection (1)(d) of this section; and

(b) Any percentages and timelines for installment payments and adjustments of those installment payments.

(3) A grant recipient shall deposit the grant moneys the grant recipient receives under this section into a separate account and shall apply amounts in that account as provided by the grant agreement.

SECTION 3. The amendments to ORS 327.195 by section 2 of this 2023 Act first apply to grants awarded for the 2023-2024 school year.

DISTRIBUTION OF MONEYS THROUGH STATEWIDE EDUCATION PLAN

SECTION 4. ORS 329.843 is amended to read:
329.843. (1) As used in this section, “plan student” means a student enrolled in early childhood through post-secondary education who:

(a) Is an American Indian or Alaska Native; and

(b) Has experienced disproportionate results in education due to historical practices, as identified by the State Board of Education by rule.

(2)(a) The Department of Education shall develop and implement a statewide education plan for plan students.

(b) When developing the plan, the department shall consult with representatives from tribal governments and from executive branch agencies who have formed government-to-government relations to focus on education. Additionally, the department may receive input from an advisory group consisting of community members, education stakeholders and representatives of the Early Learning Division, the Youth Development Division and the Higher Education Coordinating Commission.

(c) The department shall be responsible for:

(A) Implementing the plan developed under this subsection;

(B) Developing eligibility criteria, the applicant selection process and expectations for recipients of [grant awards] funds described in this section; and

(C) Advising the State Board of Education on the adoption of rules under this section.

(3) The plan developed under this section must address:

(a) The disparities experienced by plan students in every indicator of academic success, as documented by the department’s statewide report card and other relevant reports related to plan students;

(b) The historical practices leading to disproportionate outcomes for plan students; and

(c) The educational needs of plan students from early childhood through post-secondary education as determined by examining culturally appropriate best practices in this state and across the nation.

(4) The plan developed and implemented under this section must provide strategies to:

(a) Address the disproportionate rate of disciplinary incidents involving plan students as compared to all students in the education system;

(b) Increase parental engagement in the education of plan students;

(c) Increase the engagement of plan students in educational activities before and after regular school hours;

(d) Increase early childhood education and kindergarten readiness for plan students;

(e) Improve literacy and numeracy levels among plan students between kindergarten and grade three;

(f) Support plan student transitions to middle school and through the middle school and high school grades to maintain and improve academic performance;

(g) Support culturally responsive pedagogy and practices from early childhood through post-secondary education;

(h) Support the development of culturally responsive curricula from early childhood through post-secondary education;

(i) Increase attendance of plan students in early childhood programs through post-secondary and professional certification programs; and

(j) Increase attendance of plan students in four-year post-secondary institutions of education.

(5) The department shall submit a biennial report concerning the progress of the plan developed
and implemented under this section to a committee of the Legislative Assembly related to education
at each even-numbered year regular session of the Legislative Assembly.

(6) The department, in consultation with the advisory group, shall [award grants] distribute
funds to Early Learning Hubs, providers of early learning services, school districts, education ser-
vice districts, post-secondary institutions of education, tribal governments and community-based or-
organizations to implement the strategies provided in the plan developed and implemented under this
section.

(7) To qualify for and receive [grants] funds described in this section, an applicant must identify
and demonstrate that the applicant meets the eligibility criteria adopted by the State Board of Ed-
ucation by rule.

SECTION 5. ORS 329.843, as amended by section 35, chapter 631, Oregon Laws 2021, is
amended to read:

329.843. (1) As used in this section, “plan student” means a student enrolled in early childhood
through post-secondary education who:
(a) Is an American Indian or Alaska Native; and
(b) Has experienced disproportionate results in education due to historical practices, as identi-
fied by the State Board of Education by rule.

(2)(a) The Department of Education shall develop and implement a statewide education plan for
plan students.
(b) When developing the plan, the Department of Education shall consult with representatives
from tribal governments and from executive branch agencies who have formed government-to-
government relations to focus on education. Additionally, the Department of Education may receive
input from an advisory group consisting of community members, education stakeholders and repre-
sentatives of the Department of Early Learning and Care, the Youth Development Division and the
Higher Education Coordinating Commission.
(c) The Department of Education shall be responsible for:
(A) Implementing the plan developed under this subsection;
(B) Developing eligibility criteria, the applicant selection process and expectations for recipients
of [grant awards] funds described in this section; and
(C) Advising the State Board of Education on the adoption of rules under this section.
(3) The plan developed under this section must address:
(a) The disparities experienced by plan students in every indicator of academic success, as doc-
umented by the statewide report card and other relevant reports related to plan students;
(b) The historical practices leading to disproportionate outcomes for plan students; and
(c) The educational needs of plan students from early childhood through post-secondary edu-
cation as determined by examining culturally appropriate best practices in this state and across the
nation.
(4) The plan developed and implemented under this section must provide strategies to:
(a) Address the disproportionate rate of disciplinary incidents involving plan students as com-
pared to all students in the education system;
(b) Increase parental engagement in the education of plan students;
(c) Increase the engagement of plan students in educational activities before and after regular
school hours;
(d) Increase early childhood education and kindergarten readiness for plan students;
(e) Improve literacy and numeracy levels among plan students between kindergarten and grade

[6]
three;

(f) Support plan student transitions to middle school and through the middle school and high
school grades to maintain and improve academic performance;

(g) Support culturally responsive pedagogy and practices from early childhood through post-
secondary education;

(h) Support the development of culturally responsive curricula from early childhood through
post-secondary education;

(i) Increase attendance of plan students in early childhood programs through post-secondary and
professional certification programs; and

(j) Increase attendance of plan students in four-year post-secondary institutions of education.

(5) The Department of Education shall submit a biennial report concerning the progress of the
plan developed and implemented under this section to a committee of the Legislative Assembly re-
ated to education at each even-numbered year regular session of the Legislative Assembly.

(6) The Department of Education, in consultation with the advisory group, shall [awards grants]
distribute funds to Early Learning Hubs, providers of early learning services, school districts, ed-
ucation service districts, post-secondary institutions of education, tribal governments and
community-based organizations to implement the strategies provided in the plan developed and im-
plemented under this section.

(7) To qualify for and receive [grants] funds described in this section, an applicant must identify
and demonstrate that the applicant meets the eligibility criteria adopted by the State Board of Ed-
ucation by rule.

EXPANDED OPTIONS PROGRAM

SECTION 6. ORS 340.015 is amended to read:

340.015. (1) Prior to February 15 of each year, each school district shall notify all high school
students and the students’ parents or guardians of the Expanded Options Program for the following
school year.

(2) Notwithstanding subsection (1) of this section, a school district, in the district’s enrollment
materials, shall notify a student and the student's parent or guardian of the Expanded Options Pro-
gram if the student enrolls in a school of the district after the district has issued the notice de-
scribed in subsection (1) of this section and the student is:

(a) Transferring to a high school in the district from another district; or

(b) Returning to high school after dropping out of school.

(3) Each school district shall establish a process to:

(a) Ensure that all at-risk students and their parents are notified about the Expanded Options
Program.

(b) Identify students who have dropped out of school and provide those students with
information about the Expanded Options Program. For the purpose of this paragraph, the
school district shall send information about the program to the last-known address of the
family of the student.

(4) A school district shall notify a high school student who has officially expressed an intent to
participate in the Expanded Options Program pursuant to ORS 340.025 (1) or (2), and the student’s
parent or guardian, of the student’s eligibility status within 20 business days after the student offi-
cially expressed the intent.
The State Board of Education shall establish by rule the required components of the notice. The notice must include, but not be limited to, information about:

(a) Financial arrangements for tuition, textbooks, equipment and materials;
(b) Available transportation services;
(c) The effect of enrolling in the Expanded Options Program on the eligible student’s ability to complete the required high school graduation requirements;
(d) The consequences of failing or not completing an eligible post-secondary course;
(e) The requirement that participation in the Expanded Options Program is contingent on acceptance by an eligible post-secondary institution; and
(f) School district timelines affecting student eligibility and duplicate course determinations.

SECTION 7. ORS 340.040 is amended to read:

340.040. (1) An eligible post-secondary institution may enroll an eligible student participating in the Expanded Options Program only in eligible post-secondary courses under the program.

(2) An eligible student who enrolls in the Expanded Options Program may not enroll in eligible post-secondary courses under ORS 340.030 for more than the equivalent of two academic years. An eligible student who first enrolls in the Expanded Options Program in grade 12 may not enroll in eligible post-secondary courses under ORS 340.030 for more than the equivalent of one academic year. If an eligible student first enrolls in an eligible post-secondary course in the middle of the school year, the time of participation shall be reduced proportionately. If an eligible student is enrolled in a year-round program and begins each grade in the summer session, summer sessions are not counted against the time of participation.

(3) A student who has graduated from high school may not participate in the Expanded Options Program.

[(1)] (4) The State Board of Education shall establish a procedure for a school district to award credits to eligible students for eligible post-secondary courses completed under the Expanded Options Program.

[(2)] (5) Prior to an eligible student’s beginning an eligible post-secondary course, the school district shall notify the student of the number and type of credits that the student will be granted upon successful completion of the eligible post-secondary course.

[(3)] (6) If there is a dispute between the school district and the eligible student regarding the number or type of credits that the school district will grant to a student or that the school district has granted for a particular eligible post-secondary course, the student may appeal the school district’s decision using an appeals process adopted by the school district board.

[(4)] (7) Credits granted to an eligible student shall be counted toward high school graduation requirements and subject area requirements of the state and the school district. Evidence of successful completion of each eligible post-secondary course and credits granted shall be included in the student’s education record. A student shall provide the school district with a copy of the student’s grade in each eligible post-secondary course taken for credit under the Expanded Options Program. The student’s education record shall indicate that the credits were earned at an eligible post-secondary institution.

[(5)] (8) The eligible post-secondary institution shall award post-secondary credit for any eligible post-secondary course successfully completed for credit at the institution if the course is considered by the institution to be a college-level course. Other post-secondary institutions may award, after
a student leaves secondary school, post-secondary credit for any eligible post-secondary course successfully completed under the Expanded Options Program. A post-secondary institution may not charge a student for the award of credit.

SECTION 8. ORS 340.050 is amended to read:

340.050. (1) An eligible student enrolled in an eligible post-secondary course pursuant to ORS 340.005 to 340.090 is not eligible for any state student financial aid under ORS 348.105 to 348.280 and 348.500 to 348.621.

(2)(a) The eligible student may apply to the resident school district of the student for reimbursement for any textbooks, fees, equipment or materials purchased by the student that are required for an eligible post-secondary course.

(b) All textbooks, fees, equipment and materials provided to an eligible student and paid for under ORS 340.045 are the property of the resident school district of the student.

(3) An eligible post-secondary institution that receives payment for an eligible student under ORS 340.045 may not charge that student for tuition, fees and other required instructional costs associated with the enrollment of the student in an eligible post-secondary course.

(4) A resident school district may provide transportation services to eligible students who attend eligible post-secondary institutions within any education service district boundaries of which the school district is a component school district. Any transportation costs incurred by a school district under this subsection shall be considered approved transportation costs for purposes of ORS 327.013 (3).

SECTION 9. ORS 340.080 is amended to read:

340.080. (1) For a high school with an enrollment of 1,000 students, each school year no more than 330 quarter credit hours may be awarded to eligible students at the high school under the Expanded Options Program.

(2) The State Board of Education by rule shall establish separate credit hour caps for high schools that have enrollment greater than 1,000 students and those that have less than 1,000 students. The caps shall be proportional to the credit hour caps established under subsection (1) of this section.

(3) A school district may choose to exceed the credit hour caps established in subsections (1) and (2) of this section.

(4)(a) If a school district has more eligible students who wish to participate in the Expanded Options Program than are allowed under the credit hour cap established under this section, the school district board shall establish a process for selecting eligible students to participate in the program. The process must give priority for program participation to at-risk students.

(b) If a school district has not exceeded the credit hour caps established by this section, the school district:

(A) Must ensure that all eligible students who are at-risk students are allowed to participate in the program; and

(B) May allow eligible students who are not at-risk students to participate in the program, as provided by the provisions of ORS 340.005 to 340.090.

(5) The provisions of ORS 340.005 to 340.090 do not apply to any post-secondary courses in which a student is enrolled in addition to being enrolled full-time in the student’s resident school district. For purposes of this subsection, a student is considered enrolled full-time if the student attends classes for credit in the secondary school for all available hours of in-

ACCELERATED COLLEGE CREDIT GRANT PROGRAMS

SECTION 11. ORS 340.330 is amended to read:

ORS 340.330. (1) The Accelerated College Credit Account is established in the State Treasury, separate and distinct from the General Fund.

(2) The Accelerated College Credit Account shall consist of moneys appropriated by the Legislative Assembly to the Department of Education for accelerated college credit programs.

(3) Interest earned by the Accelerated College Credit Account shall be credited to the account.

(4) Moneys in the Accelerated College Credit Account are continuously appropriated to the Department of Education for the purposes of the programs described in ORS 340.320, 340.323 and 340.326. Unless otherwise specified by the Legislative Assembly, the Department of Education, in collaboration with the Higher Education Coordinating Commission, shall determine for each biennium the amount to be distributed under each program.

REPORT RELATING TO CERTAIN DISTRIBUTIONS OF MONEYS TO PUBLIC CHARTER SCHOOLS

SECTION 12. ORS 327.362 is amended to read:

ORS 327.362. (1) As used in this section:

(a) “ADMw” means weighted average daily membership, as calculated under ORS 327.013.

(b) “Eligible public charter school” means a public charter school that is not a virtual public charter school, as defined in ORS 338.005, and that has a student population of which at least 65 percent of the total student population is composed of students from the following combined student groups:

(A) Racial or ethnic groups that have historically experienced academic disparities, as described in ORS 327.180 (2)(B); and

(B) Students with disabilities, as described in ORS 327.180 (2)(B)(C).

(2) In addition to those moneys distributed through the State School Fund, the Department of Education shall award grants under this section to eligible public charter schools from the Statewide Education Initiatives Account.

(3) The amount of a grant awarded to an eligible public charter school under this section = the public charter school’s ADMw × the difference between:

(a) The amount of the General Purpose Grant per ADMw for the school district that has contractually established payment for the provision of educational services to the public charter school’s students under ORS 338.155 (2) or (3); and

(b) The amount of the General Purpose Grant per ADMw that the public charter school receives under a contract for the provision of educational services to the public charter school’s students under ORS 338.155 (2) or (3).

(4) The purpose of grants distributed under this section shall be to increase academic achievement, including reducing academic disparities, for:
(a) Students from racial or ethnic groups that have historically experienced academic disparities,
as determined under rules adopted by the State Board of Education; and
(b) Students with disabilities.

(5) Any eligible public charter school may apply for and receive a grant as provided by this
section. A grant application must:
(a) Describe how grant moneys will be used to advance the purpose described in subsection (4)
of this section.
(b) Specify the supports that will be:
(A) Provided to students with a disability; or
(B) Used to enhance special education and related services that are provided by a school district
under ORS 338.165 to the students of the public charter school.
(c) Identify any applicable longitudinal performance growth targets for the public charter school
that have been established:
(A) Under contract between the public charter school and the sponsor of the public charter
school; or
(B) By the public charter school or the school district in which the public charter school is lo-
cated for purposes of grants from the Student Investment Account, as provided by ORS 327.190.
(d) Be submitted based on the timelines and forms prescribed by the department.

(6)(a) If the department determines that a grant application complies with the requirements
prescribed under this section, the department shall enter into a grant agreement with the eligible
public charter school.

(b) A grant agreement must include longitudinal performance growth targets for the public
charter school. If the grant application identified longitudinal performance growth targets, those
targets shall be included in the grant agreement. If the grant application did not identify longitudi-
nal performance growth targets, the public charter school shall collaborate with the department to
develop longitudinal performance growth targets. Longitudinal performance growth targets must:
(A) Be based on data available for longitudinal analysis; and
(B) Use the following applicable metrics:
(i) Third-grade reading proficiency rates, as defined in ORS 327.190;
(ii) Regular attendance rates, as defined in ORS 327.190; and
(iii) Any other metrics identified by the department in collaboration with the public charter
school.

(7) After the department and the public charter school have entered into a grant agreement, the
department shall award a grant to the public charter school in the amount calculated under sub-
section (3) of this section. A grant recipient shall deposit grant moneys received under this section
into a separate account and shall apply the amounts in that account as provided by the grant
agreement.

(8)(a) Each year, each grant recipient must submit to the department a description of:
(A) How grant moneys received under this section were used to advance the purpose described
in subsection (4) of this section and to meet performance growth targets in the grant agreement; and
(B) Progress made by the grant recipient toward meeting the performance growth targets in the
grant agreement.

(b) A grant recipient shall provide the information required under this subsection based on the
timelines and forms prescribed by the department. To the greatest extent practicable, the depart-
ment shall accept the information described in this subsection in the manner that it is made avail-
able by a public charter school to the sponsor of the public charter school.

(9) To the greatest extent practicable, any requirements prescribed by the department or the board under this section in relation to an application, a grant agreement or the submission of information under subsection (8) of this section shall reduce any redundancies between a grant awarded under this section and a grant awarded from the Student Investment Account. Reduction in redundancies includes accepting for the purposes of grants awarded under this section any applicable forms or information submitted by the public charter school to the department or a school district for the purposes of a grant awarded from the Student Investment Account.

(10) A public charter school and a school district may not consider moneys received by the public charter school under this section when establishing payment for the provision of educational services to the public charter school’s students under ORS 338.155 (2) or (3).

(11) Prior to [November 1 of each odd-numbered year] February 1 of each year, the department shall submit to the appropriate interim legislative committees a report related to the grants awarded under this section. The report must describe:

(a) The public charter schools that applied for the grants and the public charter schools that received the grants;

(b) The longitudinal performance growth targets included in grant agreements, as provided by subsection (6)(b) of this section; and

(c) Progress made toward meeting longitudinal performance growth targets, as reported under subsection (8)(a) of this section.

(12) The State Board of Education shall adopt any rules necessary for the distribution of grants under this section.
