SECTION 3. (1) As used in this section:

(a)(A) “Earned revenue” means income from the sale of goods or services, including, but not limited to, membership, admission tickets, rentals, exhibitions, merchandise, food and beverages, advertising and contracted services and performances.

(B) “Earned revenue” does not include donations, federal, state or local governmental grants, or returns on investments.

(b) “Oregon cultural organization” means a public or private entity, whether operated for profit or as a nonprofit organization, that:

(A) Has its business headquarters, and operates primarily, in this state;

(B) Operates primarily for the purpose of producing, promoting or presenting the arts, culture, humanities, heritage or live cultural entertainment, other than adult entertainment, to the public; and

(C)(i) Operates as a public facility, performing arts organization, museum, historical site, visual arts organization, county fairgrounds, cultural entity within a federally recognized Indian tribe based in Oregon or community event organization; or

(ii) Produces cultural projects or programs for the public.

(2) The Oregon Business Development Department shall use \$27,432,004.49 of the moneys appropriated under section 1 of this 2023 Act to develop and implement a program for awarding grants directly to Oregon cultural organizations.

(3) To be eligible for a grant, an Oregon cultural organization must demonstrate to the department’s satisfaction that, at any time during fiscal year 2020 through fiscal year 2023, the organization experienced a significant loss in earned revenue because of statewide mandates, or guidance of the Oregon Health Authority, in response to the COVID-19 pandemic.

(4)(a) The department shall prescribe the form and process by which Oregon cultural organizations may apply for and be awarded grants under the program.

(b) The department may require applicants to demonstrate need, as described in subsection (6) of this section, in the form of:

(A) The organization’s federal tax returns for the periods to which the application relates; or

(B) Financial documentation, including, but not limited to, audited financial statements or financial statements that have been approved by a certified public accountant.

(5) The department may consult with the Trust for Cultural Development Board in reviewing applications and awarding grants.

(6) The department shall develop an equitable funding allocation so that grant moneys shall be awarded, subject to subsections (7) and (8) of this section, with priority given to applicants who have experienced the greatest proportional loss, as measured by the ratio of an applicant’s total lost earned revenue to the applicant’s total earned revenue for each fiscal year, beginning with fiscal year 2019, to which the application relates.

(7) Subject to subsection (8) of this section, the department shall develop award allocation options that take into account an equitable percentage of an applicant’s fiscal size and lost earned revenue and available funding.

(8) Under consultation with the Trust for Cultural Development Board, the department shall award grant moneys proportionately among the geographic regions of this state, as defined by the department, based on the relative population of, and the number of eligible applications received from Oregon cultural organizations located in, each region. Regions

1 may be defined according to the service areas of cultural coalitions operating under the
2 auspices of the board and grant moneys may be distributed through the cultural coalitions.

3 (9) Before awarding grants, the department may withhold an amount, not to exceed five
4 percent of the total amount appropriated under section 1 of this 2023 Act, to reimburse the
5 department for the actual costs of developing and implementing the program.

6 (10) Notwithstanding any other provision of law, this section shall apply to any grant
7 moneys that the department awards to an Oregon cultural organization on or after the ef-
8 fective date of this 2023 Act in response to the negative impact of the COVID-19 pandemic
9 on the organization's earned revenue.

10 **SECTION 4.** (1) Section 3 of this 2023 Act becomes operative on January 1, 2024.

11 (2) The Oregon Business Development Department may take any action before the op-
12 erative date specified in subsection (1) of this section that is necessary for the department
13 to exercise, on and after the operative date specified in subsection (1) of this section, all the

15 **SECTION 5.** This 2023 Act being necessary for the immediate preservation of the public
