Be It Enacted by the People of the State of Oregon:

NOTE: Sections 1 through 3 were deleted by amendment. Subsequent sections were not renumbered.

SECTION 4. ORS 329A.280 is amended to read:

329A.280. (1) A person may not operate a child care facility, except a facility subject to the registration requirements of ORS 329A.330, without a certification for the facility from the Office of Child Care.

(2) The Early Learning Council shall adopt rules for the certification of a family child care home caring for not more than 16 children. Rules may be adopted specifically for certified child care facilities operated in a single-family dwelling or other dwelling. Notwithstanding fire and other safety regulations, the rules that the council adopts for certified child care facilities shall set standards that can be met without significant architectural modification. The rules may establish reasonable requirements for landlords of tenants who operate a family child care home. In adopting the rules, the council may consider and set limits according to factors including the age of children in care, the ambulatory ability of children in care, the number of the provider's children present, the length of time a particular child is continuously cared for and the total amount of time a particular child is cared for within a given unit of time. Rules may not take into consideration the provider's children when establishing capacity or adult to child ratio requirements if the children are between 10 and 12 years of age, unless a child has special needs or disabilities and requires a level of care that is above normal for the child's age. The rules must require compliance with the provisions of ORS 329A.600.

(3) In addition to rules adopted for and applied to a certified family child care home providing child care for not more than 16 children, the council shall adopt and apply separate rules appropriate for any child care facility that is a child care center.

(4) Any person seeking to operate a child care facility may apply for a certification for the facility from the Office of Child Care and receive a certification upon meeting certification requirements.

(5) A facility described in ORS 329A.250 (5)(d) may, but is not required to, apply for a certification under this section and receive a certification upon meeting certification requirements.

SECTION 5. ORS 329A.330 is amended to read:
329A.330. (1) A provider operating a family child care home where care is provided in the family living quarters of the provider's home that is not subject to the certification requirements of ORS 329A.280 may not operate a child care facility without registering with the Office of Child Care.

(2) A child care facility holding a registration may care for a maximum of 10 children, [including] excluding the provider's own children if the children are between 10 and 12 years of age, unless a child has special needs or disabilities and requires a level of care that is above normal for the child's age. Of the 10 children:
   (a) No more than six may be younger than school age; and
   (b) No more than two may be 24 months of age or younger.

(3)(a) To obtain a registration, a provider must apply to the Office of Child Care by submitting a completed application work sheet and a nonrefundable fee. The fee shall be deposited as provided in ORS 329A.310 (2). The office may waive any or all of the fee if the office determines that imposition of the fee would impose a hardship on the provider.
   (b) Upon receipt of an initial or renewal application satisfactory to the office, the office shall conduct an on-site review of the child care facility under this section. The on-site review shall be conducted within 30 days of the receipt of a satisfactory application.

(4) The office shall issue a registration to a provider operating a family child care home if:
   (a) The provider has completed a child care overview class administered by the office;

   (c) The provider is currently certified in infant and child first aid and cardiopulmonary resuscitation;

   (e) The office determines that the application meets the requirements of ORS 181A.200, 329A.030 and 329A.250 to 329A.450 and the rules promulgated pursuant to ORS 181A.195, 181A.200, 181A.215, 329A.030 and 329A.250 to 329A.450, and receives a satisfactory records check, including criminal records and protective services records.

(5) Unless the registration is revoked as provided in ORS 329A.350, the registration is valid for a period of two years from the date of issuance. The office may not renew a registration of a provider operating a family child care home unless the provider:
   (a) Is currently certified in infant and child first aid and cardiopulmonary resuscitation;
   (b) Has completed a minimum of eight hours of training related to child care during the most recent registration period;
   (c) Is certified as a food handler under ORS 624.570; and

(6) A registration authorizes operation of the facility only on the premises described in the registration and only by the person named in the registration.

(7) The Early Learning Council shall adopt rules:
   (a) Creating the application work sheet required under subsection (3) of this section;
   (b) Defining full-time and part-time care;

(D) Lighting of rooms occupied by children;
(E) Glass panels on doors;

(8) The office shall adopt the application work sheet required by subsection (3) of this section. The work sheet must include, but need not be limited to, the following:
(a) The number and ages of the children to be cared for at the facility; and
(b) The health and safety procedures in place and followed at the facility.

(9)(a) If the Office of Child Care determines that it is necessary to protect the health and safety of the children for whom a child care facility is to provide care, the office may impose a condition on the facility’s registration that is reasonably designed to protect the health and safety of children. The office may impose a condition during the application process for an initial registration, during the application process for a renewal of a registration or at any time after the issuance of a registration.

(b) Except as provided in paragraph (c) of this subsection, when the office imposes a condition on a child care facility’s registration, the facility shall be afforded an opportunity for a hearing consistent with the provisions of ORS chapter 183.

(c) If the office finds a serious danger to the health and safety of the children receiving care at a child care facility, the office shall notify the facility of the specific reasons for the finding and may impose an emergency condition on the facility’s registration without a hearing.

(B) If the facility demands a hearing within 90 days after the office notifies the facility of the emergency condition, a hearing consistent with the provisions of ORS chapter 183 must be granted to the facility as soon as practicable after the demand and the agency shall issue an order consistent with the provisions of ORS chapter 183 confirming, altering or revoking the order imposing the emergency condition.

(10) The office, upon good cause shown, may waive one or more of the registration requirements. The office may waive a requirement only if appropriate conditions or safeguards are imposed to protect the welfare of the children and the consumer interests of the parents of the children. The office may not waive the on-site review requirement for applicants applying for an initial registration or renewal of a registration.

(11) The Early Learning Council, by rule, shall develop a list of recommended standards consistent with standards established by professional organizations regarding child care programs for child care facilities. Compliance with the standards is not required for a registration, but the office shall encourage voluntary compliance and shall provide technical assistance to a child care facility attempting to comply with the standards. The child care facility shall distribute the list of recommended minimum standards to the parents of all children cared for at the facility.

(12) In adopting rules relating to registration, the Early Learning Council shall consult with the appropriate legislative committee in developing the rules to be adopted. If the rules are being adopted during a period when the Legislative Assembly is not in session, the Early Learning Council shall consult with the appropriate interim legislative committee.
