SECTION 2. (1) A credit against taxes that are otherwise due under ORS chapter 316 or, if the taxpayer is a corporation, under ORS chapter 317 or 318 is allowed to a taxpayer for the purchase during the tax year of one or more new commercial-grade battery-powered leaf blowers and any new batteries and battery chargers necessary for the use of commercial-grade battery-powered leaf blowers.

(4) Prior to claiming the credit allowed under this section, a taxpayer is required to receive written certification of eligibility from the State Department of Energy.

(5) The credit allowed under this section may not exceed the tax liability of the taxpayer for the tax year.

(6) Any tax credit otherwise allowable under this section that is not used by the taxpayer in a particular tax year may be carried forward and offset against the taxpayer’s tax liability for the next succeeding tax year. Any credit remaining unused in the next succeeding tax year may be carried forward and used in the second succeeding tax year, and likewise any credit not used in that second succeeding tax year may be carried forward and used in the third succeeding tax year but may not be carried forward for any tax year thereafter.

(7) A nonresident shall be allowed the credit under this section. The credit shall be computed in the same manner and be subject to the same limitations as the credit granted to a resident. However, the credit shall be prorated using the proportion provided in ORS
