A BILL FOR AN ACT

Relating to costs for acquiring renewable energy.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The State Department of Energy shall conduct a study to:

(a) Quantify and compare the costs:

(A) Approved by the Public Utility Commission and incurred or to be incurred by investor-owned utilities in this state for acquiring or maintaining renewable energy generation facilities; and

(B) Paid by investor-owned utilities to qualifying facilities under the terms of the Public Utility Regulatory Policies Act of 1978 (16 U.S.C. 2601 et. seq.);

(b) Further examine and develop the findings on the costs of small-scale renewable energy projects developed by the work group convened pursuant to section 18, chapter 508, Oregon Laws 2021; and

(c) Analyze the accuracy of avoided cost schedules over time comparing the avoided costs under contract terms with the costs actually paid under the contracts.

(2) All agencies of state government, as defined in ORS 174.111, are directed, to the extent permitted by laws relating to confidentiality, to furnish such information and advice to the department as the department considers necessary to complete the study under this section.

(3) The department shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to energy no later than September 15, 2024.

SECTION 2. Section 1 of this 2023 Act is repealed on January 2, 2025.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
